ENGINEERED FOR EXPLORATION

Arctic Trucks have over 25 years of unparalleled expertise in re-engineering vehicles to cope with the harshest conditions in some of the most remote places on earth.

With a long heritage in bespoke commissions from defence to exploration, Arctic Trucks are as capable as they are unique, with the Isuzu D-Max Arctic Trucks AT35 being no exception.

The collaboration between Isuzu and Arctic Trucks was born from aligned expertise and experience as specialists in building vehicles to cope with the extreme.
