PROFESSIONAL EQUIPMENT FOR A PROFESSIONAL JOB.

Mike Robinson, professional gamesman, well known chef and restaurateur required a pick-up that was practical and bespoke for hunting. Mike has owned an Isuzu pick-up for over 7 years and for his third pick-up he desired one that was customised to his needs. He required all the luxuries of an Isuzu D-Max but wanted a practical, non-flashy, non-chrome truck that was fit for purpose. From this, Isuzu went on to create the Isuzu D-Max Huntsman accessory pack which is ideal equipment for any gamesman.
