

RANGE ROVER SPORT

A PREVIEW

ABOVE AND BEYOND

"The all-new Range Rover Sport truly justifies the 'S' in SUV. It's dramatic and powerful with immense road presence. It's a beautifully proportioned and highly sophisticated vehicle design. Its DNA is clear; it has 'drive me' written all over it."

Gerry McGovern
Land Rover Design Director and Chief Creative Officer

A handwritten signature in blue ink, reading "Gerry McGovern". The signature is stylized and fluid, with a long horizontal flourish extending to the right.

The all-new Range Rover Sport takes the marque to another level. It is the most dynamic, agile and responsive Land Rover ever. Its flowing lines, distinctive silhouette and muscular stance embody the vehicle's energy, modernity and boundless ability. It simply demands to be driven.

Designed and engineered without compromise, the Range Rover Sport delivers transformational on-road dynamics, twinned with Land Rover's all-terrain performance. The result is a vehicle with unrivalled breadth of capability.

This is the fastest, most agile and responsive Land Rover ever. With its lightweight aluminium body, Torque Vectoring® and dedicated Dynamic Mode in Terrain Response®2, it delivers a truly confident performance and road handling.

Image shown non UK market specification.

The all-new Range Rover Sport has Land Rover capability at its heart. Designed and engineered to another level, it tackles the toughest road surfaces and climates head on. Extreme testing in the most inhospitable terrains and temperature ranges have all helped to create a vehicle that, even in the most challenging conditions, is designed to deliver.

Contemporary. Beautifully designed. Flawlessly executed. Created around the driver, putting him in control, the interior of the all-new Range Rover Sport epitomises modern living. The strong interior lines are balanced by soft lighting and fresh, individual colourways. The fit and finish has been elevated to new heights. The all-new Range Rover Sport. It's been taken to another level.

IMPORTANT NOTICE: Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up to date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and Dealerships are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

The colours reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual vehicle. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Land Rover Dealership.

Range of fuel economy figures for the Range Rover Sport in mpg: Urban 34.0 – 15.4; Extra Urban 42.2 – 29.1; Combined 38.7 – 22.1; CO₂ Urban Emissions 218 – 426 g/km; CO₂ Extra Urban emissions 177 – 226 g/km; CO₂ Combined emissions 194 – 298 g/km.

The results given here do not express or imply any guarantee of the fuel consumption of any particular vehicle for which this information is supplied. Vehicles are not individually tested, and there are inevitably differences between individual vehicles of the same model. In addition, the vehicle may incorporate particular modifications that affect its fuel consumption. Furthermore, the driver's style and road traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance will all affect its fuel consumption.
