Renault Conversions, Tailor Made Solutions

# Renault Accredited Conversions - Tailor Made Solutions

The Trafic Jolie Camper van adaptations are part of Renault's Accredited Conversion range that has been developed to complement our 'Tailor Made' Conversions.

The Accredited range offers a standard specification based on the expert collaboration between Renault and our accredited converter partners.

The specifications have been developed to meet common requirements however, they can be adapted to suit specific customer requirements, providing a truly tailor made solution.

Our accredited range has been developed in partnership exclusively with converters who have received Renault approval after being assessed on their technical and quality standards by a dedicated team from Renault. A list of these can be found at [www.conversions.renault.co.uk](http://www.conversions.renault.co.uk)

All of our accredited conversions are available to order directly via our Dealer Network.

# Powerful, clever and dynamic

The Renault Traffic Jolie harnesses the twin turbo capabilities of Renault's ENERGY dCi 145hp engine and offers start/stop technology alongside a new regenerative braking system (Energy Smart Management), both of which contribute to greater fuel efficiency.

The vehicle benefits from metallic paint, 17" alloy wheels, 90 litres of storage, a smart two-tone dash incorporating air vents with piano black surrounds and a full colour instrument cluster with big digital speedo display. There's also an MPV-style elevated driving position.

Android and iOS users can gain fast access to their smartphone's music, calls and apps via Renault's R&GO system, all displayed on a colour touch screen.

Driving aids include hill start assist and ABS with EBD, ESC and Grip Xtend. Other features include DAB radio, AUX port, Bluetooth™, rear wiper, cruise control, air conditioning, sat nav, parking sensors & tailgate with rear wiper.

The side conversion comprises of two burner hob & sink unit with glass lid, 25l fridge, fresh & waste water tanks, Eberspacher heater system, 100W Solar panel, portable toilet, leisure battery & mains hook up, elevating roof colour coded (optional roof bed for two adults), crash tested rear seat/bed system on rails (seats 3).

For compatible devices, please refer to <https://www.renault.co.uk/services/multimedia/bluetooth-compatibility.html>. Compatibility: An Android phone running Android 5.0 (Lollipop), an iPhone no earlier than iPhone 5 & iOS 7.1. Connecting a smartphone to access Android Auto™ and Apple CarPlay™ should only be done when the vehicle is safely parked. Drivers should only use the system when it is safe to do so and in compliance with the requirements of The Highway Code. Drivers should be aware of the potential of hands-free technology to distract a driver's attention from the road, preventing them from having full control of the vehicle

Although every effort has been made to ensure that the information contained within this brochure is as accurate and up to date as possible, Renault U.K. reserves the right to modify its models without notice, including their characteristics, specifications, equipment and accessories. Brochures inevitably become out of date or inaccurate in some respects, in that such characteristics, specifications equipment, or accessories may be changed after the publication date given below and can differ from the descriptions given or the photos displayed. It is therefore necessary to check with your Renault Dealer before purchasing any product that the characteristics, specifications, equipment or accessories of the vehicle on order are as advertised. The colours that appear in this document may differ slightly from the actual paint and upholstery colours.

Renault recommends 

 Prodigious
