# ŠKODA RAPID

Effective: November 2016

## Welcome to the ŠKODA Rapid

The ŠKODA Rapid was one of the first cars to truly embody ŠKODA's new design language, characterised by clean lines and sharp angles. The lines of the car allow light and darkness to interplay, creating a dynamism and elegance.

At the same time, the Rapid remains very loyal to ŠKODA's core values, offering great space, fantastic value for money and a car which has been designed at every stage with the driver and passengers in mind.

Read on to find out more about the Rapid's exterior design, ample useable space and abundance of thoughtful features and equipment.

Model shown is not UK specification.

## Exterior

The ŠKODA design DNA features crystalline lines, surfaces and angles which are inspired by traditional Bohemian crystal production – proudly remembering ŠKODA's strong Czech heritage. Like the Rapid, Bohemian crystal is recognised by its sharp and precise angles which emphasise light and shade.

The face of Rapid has been designed to give a strong, **broad road presence**. The dark fascia contrasts perfectly with the chrome grille surround, creating a modern look. The new grille has the traditional 19 fins found on all ŠKODAs, but it is now an integral part of the bonnet.

A honeycomb grille brings a **sporty edge** to the Rapid's look whilst the wide, angular lights visually widen the front giving a more dominating perspective.

The Rapid's side profile is not typical of a **roomy hatchback**, due to the black B pillar, which visually helps to lengthen the car. The strong shoulder line is quite precise helping to define its presence.

ŠKODA's **badge** takes pride of place on the Rapid's bonnet. In chrome and black, it ties back in to the light and darkness created by Rapid's sharp lines and angles.

Model shown is not UK specification.

The rear of Rapid is where the marriage of **modern style and functionality** is most evident. The strong shoulder line meets the distinctive ŠKODA C-shaped rear lights and crystalline angles dissect the large boot opening ensuring a strong appearance without being bulky.

## Interior

A remarkable **550 litres of storage space** (530 litres with a spare wheel) is made even more cavernous **with the rear seats down, offering 1,490 litres of space**. Add a wide hatchback opening and optional bag hooks and removable side storage panels and this Rapid really is ready for anything you throw at (or in) it.

This handy storage compartment under the front seat easily holds a **safety vest** so if you do need it, it is always close to hand (vests available to purchase through ŠKODA Genuine Accessories).

**Ticket holder at A-pillar.** Happily holds parking permits and tickets.

**Reversible boot floor.** This optional smart feature lets you easily choose between a carpet or rubber boot floor. Taking suitcases to the airport? Go for carpet. Transporting wet wellies and a muddy dog? Flip it to rubber!

Optional **luggage holder** hooks in the boot as part of the boot package.

## Storage solutions

As well as offering comfort, this armrest opens to offer yet another **clever storage solution**. (Standard on SE L, optional on S, SE and Sport).

The **rear seat armrest** with an integrated **holder for two drinks** gives rear seat passengers the opportunity to enjoy the ride with refreshments. (Optional on SE, Sport and SE L).

On those odd occasions when even the Rapid's vast boot isn't enough space, **through load provision gives** you added flexibility. (Optional on SE, Sport and SE L).

The optional **net programme**, which consists of two vertical nets and one horizontal net on the floor, enables you to easily secure items so they do not shift while driving.

**Glasses storage compartment**, (standard on SE, Sport and SE L).

Model shown is not UK specification.

The Rapid's interior is ergonomically designed to ensure your driving experience is as comfortable as possible, with all controls within easy reach. In keeping with the exterior design, the interior is **precise** with **sharp** angles but also, **spacious and functional**. With **plenty of head room** and **rear knee space**, this car is perfect for both business trips and family time.

Reflecting the curve of the steering wheel, the **instrument panel** is clearly laid out and provides key driving data. The trip computer on S shows the time, gear change recommendation and fuel gauge. The Maxi Dot computer from SE also shows average fuel consumption and allows the car's electronic system settings to be adjusted.

**Amundsen satellite navigation** is available as an option on SE, Sport and SE L. Amundsen has integrated maps for Western Europe and a 6.5" touchscreen.

The **7-speed DSG** (Direct shift gearbox) combines the advantages of mechanical and conventional automatic transmissions.

When changing gear, the DSG is able to keep the engine at optimal revolutions, resulting in **fast and smooth gear change**.

Manual **air conditioning** is standard from SE but, should you wish, you can upgrade to climate control air conditioning that maintains the temperature you select by regulating the fan speed.

## Safety

The Rapid has been built with an array of safety features. Whilst you hopefully won't need them, you can have peace of mind knowing they are there.

**Driver and passenger front, side and curtain airbags.** Should an impact occur, large volume airbags activate in conjunction with the front seat belt pretensioners. This will help to anchor you in the middle of the seat and cushion you.

Image shows deployed side airbag. Interior shown is for illustration purposes only.

Image shows deployed driver and passenger airbags. Interior shown is for illustration purposes only.

**ESC incl. ABS, MSR, ASR, EDS & HBA.** Electronic Stability Control is designed to stabilise the dynamic handling response of the vehicle by counteracting any tendency towards oversteer or understeer.

**Cornering front fog lights** increase visibility at low speeds by illuminating the area the car is about to turn into (standard on SE L).

Interior shown is for illustration purposes only.

Families that fully occupy the car will certainly appreciate the option of equipping the car with a **third headrest in the rear**, designed for the passenger in the middle seat.

### OTR (Recommended On The Road)

Recommended 'On the Road' prices include delivery, 12 months Road Fund Licence, DVLA First registration Fee (at £55), and apply to the United Kingdom only.

### VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO<sub>2</sub>) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO<sub>2</sub> figures may differ on these vehicles if taken from current ŠKODA UK stock. The VED bands are shown in the table opposite.

<sup>1</sup> First year vehicle licence rates for petrol and diesel cars purchased on or after 1st April 2016. First year rate or 'showroom tax' applies to new car purchases only.

<sup>2</sup> Rate reverts to the Government's applicable Standard VED rate in subsequent years.

Edition:UK 1st April 2016. VAT is calculated at 20%. Please confirm figures with your ŠKODA Retailer.

Company car tax is based on your cars carbon dioxide emissions. The higher the car's emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes.

To help you work out your tax liability please refer to page 26.

### P11D (Expenses and Benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

### BiK (Benefit in Kind)

The BiK percentage value is based on the CO<sub>2</sub> emissions of the vehicle for the current tax year 2016/2017.

\*\* Exclusions and terms and conditions apply. For details see page 27 or speak to your local ŠKODA retailer.

## Calculating your tax liability

To find out how much tax you will pay, simply take the PT1D value, then multiply this figure by the BiK percentage. Then simply multiply this figure by 20% or 40% depending on the level of income tax that you pay.

Please note if your employer provides you with free fuel, this is treated as an additional taxable benefit.

For more information on company car taxation please visit the HM revenue and customs website [hmc.gov.uk](http://hmc.gov.uk)

### BiK calculation example - Rapid S 1.4 TDI 90PS

PT1D value	£16,915.00
Company Car BiK tax based on CO <sub>2</sub> emission level	20%
Taxable BiK (for 2016/2017 tax year): 20% of £16,915.00	£3,383.00

### Annual company car tax (2016/17)

20% Income Tax: 20% of £3,383.00	£676.60
40% income Tax: 40% of £3,383.00	£1,353.20

### Monthly company car tax (2016/17)

20% Income Tax: £676.60 divide by 12 months	£56.38
40% income Tax: £1,353.50 divide by 12 months	£112.77

### Warranty

When you buy your new ŠKODA through our authorised retailer network, it is automatically covered by a three year, 60,000 mile manufacturer's warranty.\*\*

There's no mileage limit on the warranty in the first two years and for additional peace of mind there's a 12 year body protection warranty.

You can even extend your warranty to four or five years, see the option page for prices and page 27 for further details.

## Warranty

### Exclusions and limitations

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark plugs, batteries for key fobs and alarms, light bulbs and shock absorbers.

Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, ignition adjustment, headlight adjustment, steering geometry adjustments and wheel balancing are excluded.

### Damage (including but not limited to the following) is excluded:

- > Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- > Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- > Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- > Damage caused by an accident.
- > Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- > Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, loss of personal effects or income are not recoverable under the terms of the warranty.

## Service intervals

When you order your Rapid, you can choose whether your car is on a fixed or a flexible service regime. Your retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: Service every 10,000 miles or one year (whichever comes first). This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum **and/or**
- > Mainly short journeys, drive mostly in towns or cities **and/or**
- > High vehicle loading/towing and frequent hill climbs **and/or**
- > Heavy accelerating and braking, using high revs

Flexible regime: Sensors in the engine detect when a service is needed. You will be informed of this by a service light which will show at any point between 9,000 and 20,000 miles, up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. The vehicle service regime does affect the entitlement service plan\*\* if you choose to purchase this.

# ŠKODA Solutions Personal Contract Plan. Your journey, your choice.

ŠKODA Financial Services like to do things a little differently, that's why for many years we've specialised in providing simple and convenient funding options for ŠKODA drivers. It's what we know.

ŠKODA's Solutions Personal Contract Plan is all about you; a flexible, fixed-rate plan designed around you and your budget, putting you firmly in the Rapid driving seat.

Solutions Personal Contract Plan is different because you defer a proportion of the car's value until the end of the agreement, giving you lower monthly repayments.

Solutions Personal Contract Plan is totally flexible. You get to choose the size of your deposit (from as little as one monthly payment), and a repayment period which suits you and at the end of the term you have 3 options to choose from.

## DEPOSIT

As little as one repayment

## BALANCE

A flexible repayment period (18-48 months)

## OPTIONAL FINAL PAYMENT

3 choices at the end of the agreement

**1**  Part-exchange the car for a new ŠKODA on a new Solutions Personal Contract Plan.

**2**  Pay the optional final payment so that you own the car.\*

**3**  Circumstances changed? Return the car to us (fees may be payable).

**ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA retailer for your personalised quotation today**

## Free Insurance for 3 years.

No one likes to think about their ŠKODA being damaged in an accident. But if it was you'd no doubt want it repaired to ŠKODA standards, by a ŠKODA trained technician using only ŠKODA genuine parts. That's why we came up with Insurance - ŠKODA's free accident and repair cover.

Insurance works alongside your existing comprehensive motor insurance policy, no matter who you are insured with, to help get you back on the road as smoothly as possible. Better still, it's free for three years and is available on both new and older models.

### Your free Insurance cover includes:

- > Guaranteed use of a ŠKODA approved repairer, ŠKODA trained technicians and the use of genuine ŠKODA parts and paints
- > A dedicated Claims Manager who will look after your entire claim from start to finish
- > Help to recover any uninsured losses with our Legal Expenses Cover
- > An online claims tracker so you can keep up to date with the status of any claim

**To benefit from Insurance you'll need to activate your free cover which takes less than a minute.**

**We hope you don't ever have to use your policy but it's nice to know it's there - just in case.**

**Remember to call us first, Insurance will help deal with the rest**

Your car is **guaranteed** to be repaired by a ŠKODA approved repairer. Only **genuine ŠKODA parts will be used.**
