Edition 3

## VOLVO XC90

# YOUR OWN XC90 IS IN REACH

The new Volvo XC90 is the summit of everything we've learned about luxury car making in Volvo's 88-year history. It possesses contemporary Scandinavian design and craftsmanship, both inside and out. It drives like a car, yet its refined strength gives you the capability to go anywhere in style. Close the doors of your first-class cabin, breathe its carefully filtered, clean air and the stresses of the city fade into the background. The exterior design tells the world you have arrived, while the interior design communicates a sense of opulent luxury, calm and well-being. Speak commands, touch the screen - you're in complete control.

This uniquely intuitive Volvo driving experience - plus Volvo's legendary safety - means you will always reach your destination unruffled and calm. And if you demand the latest in power and efficiency, our T8 Twin Engine technology gives you both.

<sup>1)</sup> P11D value for BIK purposes is the retail price plus delivery charge. BIK % shown for the 2016/17 tax year.

All 'On The Road' prices quoted in this price list include Volvo standard national delivery charge, inclusive of number plates and VAT at £550 and vehicle tax as of 1st April 2016 (as set by the government). This charge does not include any provision for fuel. The 'On The Road' price also includes a £55 vehicle first registration fee (as set by the government – excludes Channel Islands and Isle of Man). Recommended retail prices quoted do not include these additions.

# VOLVO XC90 STANDARD FEATURES

Wheelarch Extension Kit (only required on Momentum variants without a Styling Kit)	<b>200</b>		

<sup>1)</sup> Not available with Passion Red or Bursting Blue exterior colours

All prices include labour (where applicable) and VAT. Fully fitted accessory price; fitted post-registration at dealer.

# VOLVO XC90 FEATURE EXPLANATION

---

## **CITY SAFETY WITH FRONT COLLISION WARNING AND AUTOBRAKE**

Included as standard in your new XC90 is City Safety, which senses potential collisions, even when it is dark, and can activate the brakes automatically should you not react in time. City Safety provides three levels of intervention; warning, brake support and autonomous braking and uses a complex array of instruments and sensors to constantly monitor surrounding conditions.

---

## **PEDESTRIAN, CYCLIST AND ANIMAL DETECTION**

The groundbreaking Pedestrian, Cyclist and Animal Detection technology detects and automatically brakes the vehicle in the event of a pedestrian, cyclist or large animal (such as a deer) stepping/swerving out in front of the car. The advance sensor system scans the area ahead and will prompt you to act with a flashing warning light on the windscreen, along with an audible alarm. If you do not react to the warning, and a collision is imminent, the car immediately brakes with full braking force.

---

## **REAR COLLISION MITIGATION**

Rearward facing radar detects if a rear impact is imminent, and safety belts are tightened in advance in order to protect the occupants. Lights also start flashing to warn the driver behind and brakes are activated to help reduce the impact.

---

## **DRIVER ALERT CONTROL WITH LANE KEEPING AID**

Cameras constantly monitor the XC90's position on the carriageway, warning the driver by audible sound and/or taking action by automatically correcting the steering - if roadside markings are crossed without obvious reason such as the use of the turn indicator. And if the Driver Alert Control determines a deterioration in driving behaviour, a warning sound and display message encourages the driver to take a break.

---

## **ROAD SIGN INFORMATION**

The new XC90 can also help you stay informed by displaying road sign information within your instrument display. This function also has the ability to warn the driver should the vehicle exceed the current road speed limit.

---

## **ACTIVE HIGH BEAM**

This feature enables the car itself to switch between low and high beam when oncoming traffic approaches.

---

## **PILOT ASSIST**

Fitted as standard is Volvo's next generation of autonomous driving. The Adaptive Cruise Control feature maintains the desired set vehicle speed but utilises radar to monitor the vehicle in front and automatically slows down or speeds up as necessary. In an evolution of this, Pilot Assist also takes care of the steering (up to 80mph) by continually monitoring the area in front of the vehicle, making the necessary steering, accelerator and brake inputs as required to keep to the desired speed, distance and within the lane markings.

---

## **PARK ASSIST PILOT**

This function takes over the steering of the car leaving the driver to follow the instructions provided in the instrument cluster with regards to acceleration, braking and selection of gears. In addition to automatic parallel parking, parking at 90° to road is also supported.

---

## **VISUAL PARK ASSIST 360°**

During low speed manoeuvres, the Visual Park Assist 360° provides the driver with additional information relating to the car's surroundings. A birds-eye view of the car is provided via four hidden cameras, digitally stitched together to create a seamless image in the centre screen.

---

## **FOUR CORNER ELECTRONIC AIR SUSPENSION**

Featuring up to five different modes according to personal preferences, air suspension also ensures that the vehicle remains level irrespective of passenger and load configuration. At high speeds, the car automatically lowers the suspension for increased stability and reduced fuel consumption returning to a regular ride-height as speed reduces.

---

## **RUN-OFF ROAD PROTECTION**

Should your vehicle inadvertently leave the road, the front seat belts are automatically tightened whilst the front seat frames contain a collapsible section designed to reduce vertical forces by up to one third - thus reducing the likelihood of spinal injuries.

---

## **AUTOBRAKE AT JUNCTIONS**

Should your XC90 detect that you have turned in front of an oncoming vehicle (at a junction or intersection for example) the brakes will be automatically applied in order to mitigate the risk of a collision. In addition, at speeds above 18mph, and if a collision is unavoidable, the front seat belts are automatically tightened.

---

# VOLVO XC90 TAKE THE WHEEL

Our range of finance, service and insurance options will allow you to budget for your new Volvo around one key factor – your lifestyle.

## **FLEXIBLE FINANCE**

You might be surprised how easy and flexible financing the purchase of your new car can be. As part of Volvo, Volvo Car Financial Services has developed a series of funding plans that will provide you with maximum choice and flexibility when acquiring a Volvo.

## **SERVICE PROGRAMME**

When you have your car serviced at a Volvo dealer, we make a pledge to you. It's called Volvo Service Promise and it guarantees an unbeatable combination of quality, reassurance and expertise. First, your personal service advisor will deal with any of your questions and make sure you can get to where you need to go. Our expert technicians will then give your car a full health check including a free software upgrade. Finally, we'll provide you with 12 months' complimentary Volvo Roadside Assistance and a car wash. For full details please go to [volvocars.co.uk/servicepromise](http://volvocars.co.uk/servicepromise)

## **INSURANCE**

Volvo Car Insurance is rated 5 stars by Defaqto<sup>1</sup> and designed with you in mind, from the moment you get behind the wheel of your new car. It offers excellent value, a range of exclusive benefits and a UK-based 24-hour claims team. **Call now for your insurance quote<sup>2</sup> on 0330 102 7960.**

## **VOLVO ON CALL**

Subscribe to Volvo On Call and you'll never be completely on your own. It's a GPS-based communication system providing 24-hour access to both emergency and roadside assistance wherever you are. Comes complete with a mobile app that provides a car locator, remote dashboard and lock-your-car functionality. For full details visit [volvocars.co.uk](http://volvocars.co.uk)

## **ROADSIDE ASSISTANCE**

Every new car comes with 3 years' Volvo Assistance cover. You'll enjoy free breakdown and recovery assistance, anywhere in Europe, 24 hours a day. You can extend cover for 12 months for £99 or it is automatically extended if you have your car serviced at a Volvo dealer. For full details please go to [volvocars.co.uk/volvoassistance](http://volvocars.co.uk/volvoassistance)

## **WARRANTY**

Every new Volvo comes with comprehensive protection. Our warranty covers the first 3 years or 60,000 miles, whichever comes first. There's a 3-year unlimited mileage warranty on the paintwork, and either 8 or 12 years against rust perforation. The battery in the T8 Twin Engine is covered by a warranty for 8 years or 100,000 miles - whichever comes first. If a component fails due to a defect or material fault, your dealer will swiftly rectify the problem, free of charge.

<sup>1</sup> Defaqto is an independent researcher of financial products. <sup>2</sup> All benefits are subject to qualifying status, terms and conditions, cover level and underwriting criteria. Volvo Car Insurance is provided by Original Insurance Services Ltd, registered in England and Wales No. 05686831 at Batchworth House, Church Street, Rickmansworth, Hertfordshire, WD3 1JE and is authorised and regulated by the Financial Conduct Authority. It is underwritten by Allianz Insurance plc, registered in England No. 84638 at 57 Ladymead, Guildford, Surrey, GU1 1DB. Allianz Insurance plc is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority (Financial Services Register No. 121849).
