¹ In most circumstances, for commercial use, a tachograph will be required when towing equipment is fitted.

² Only one front towing eye on CR30 and CR35 models.

³ An adapter is available from Van Centres to allow connection to twin 7-pin sockets.

⁴ Changes final drive ratio on CR35 models. Please contact your local Van Centre for more details. Final Drive Ratio pack not needed on CR50 models.

⁵ Wheel chocks. Prevents the vehicle from rolling away on inclines or when changing a wheel. One chock is stored at the back of the load compartment on the driver's side, the other is supplied separately.

Where additional equipment is required by chosen options, additional equipment will be charged at the prices shown.
