

## EXPLORE NEW HORIZONS.

We spend more than enough time in places where we'd rather not be. Open-plan offices, waiting rooms, departure lounges. Enough of that. It's time to break out. But how? Of course, with a 5 star hotel that is exactly where you want it – Start each day anew. The **ABT XNH** is just that: A high-end dual use camper for those who want to expand their horizons. For all those for whom maximum comfort is the ultimate form of freedom – in everyday life and leisure.

Fuel consumption combined in I/100 km: 8.0;  $CO_2$  emissions combined in g/km: 210 (WLTP values).\*

\*The specified fuel consumption and emission values have been determined according to the legally prescribed measurement procedures (WLTP). Additional equipment and accessories (add-on components, tyre format, etc.) can be used for relevant vehicle parameters, e.g. weight, rolling resistance and aerodynamics change and, in addition to weather and traffic conditions as well as individual driving characteristics, affect the fuel consumption, power consumption, CO<sub>2</sub> emissions and performance values of a vehicle. Further information on the official fuel consumption and the official specific CO<sub>2</sub> emissions of new passenger cars can be found in the "Guide on the fuel consumption, CO<sub>2</sub> emissions and energy consumption of new passenger cars", which is available at all sales points and at DAT Deutsche Automobil Treuhand GmbH, Hellmuth-Hirth-Str. 1, D-73760 Ostfildern or at www.dat.de/co<sub>2</sub>.
