Driving Assistance package (code N23Z)

Blind Spot Assist

Visible warning in exterior mirrors if vehicle is detected in the blind spot. Audible warning if indicating to move out of lane when a vehicle is detected in the blind spot

Distance Pilot DISTRONIC

Helps the driver automatically maintain a safe distance from the vehicle ahead and relieves strain on long journeys or when following vehicles in a traffic. When necessary, the radar-based system brakes the vehicle and, if possible, returns to preset speed

Lane Keeping Assist

Vibrates the steering wheel when detecting unintentional drifting out of lane

PRE-SAFE® anticipatory safety system

If the system detects a critical driving situation, preventive occupant protection measures are initiated, including reversible seat belt tensioning, adjustment of passenger seat positions (if Memory package is fitted), and closure of windows

Genuine Accessories

We've developed a range of Accessories you can add to help personalise and enhance your V-Class. Your local Mercedes-Benz Retailer can advise on fitting costs of Accessories, where applicable. Further information on our full range of Genuine Accessories can be found on the Mercedes-Benz UK website.

01 | Shallow boot tub

The boot tub is suitable for transporting shopping. The tub shape with its slightly raised edge is precision-tailored to the load area. Made from impact-resistant, non-slip polypropylene. Structured surface holds separately available stowage crate in place.

RRP £72.00 (incl. VAT)

02 | Stowage crate

A secure hold for items which are prone to tip over or slide around, e.g. shopping bags. Adjustable partitioning elements allow the crate to be divided into max. four sections. Optimum functionality only in conjunction with shallow boot tub.

RRP £87.50 (incl. VAT)

03 | Deep boot tub

Keeps the load compartment clean and protects it from scratches. Made from lightweight, robust plastic.

RRP £134.40 (incl. VAT)

04 | Head restraint modular system

Carefree travel with Mercedes-Benz Style & Travel Equipment. The head restraint elements are simple to fit and remove. The modular system centres around a base support which can be combined with a coat hanger, universal hook, folding table and tablet mount.

Base support: RRP £23.40 (incl. VAT)

Coat hanger: RRP £67.60 (incl. VAT)

Folding table: RRP £107.40 (incl. VAT)

Universal hook: RRP £28.08 (incl. VAT)

05 | Apple iPad® Docking Station

iPad® Docking Station for rear compartment. The easy-to-use, ergonomic, crashproof Docking Station introduces the iPad® and all of its familiar functions to your Mercedes-Benz. All connections, e.g. for your headphones or charging cable, remain accessible. The mount is fitted to the head restraint and can be tilted and rotated through 90°. Available for iPad® 2, iPad® 3 and iPad® 4.

08 | Rear mounted bicycle rack on tailgate

High-quality anodised aluminium rack, fits quickly and securely to the tailgate. For up to 4 bicycles (or 2 ebikes) of virtually any type or size. Even with bicycle rack fitted, tailgate can still be opened. No repeater lights, so no power supply required at rear. Maximum payload 70 kg. Lockable. Not in conjunction with rear door or AMG spoiler lip.

RRP £876.00 (incl. VAT)

09 | Alustyle bicycle rack

Extremely lightweight bicycle rack, designed to allow you to attach a bicycle to the basic carrier bars for roof rails. Bicycles can either be attached to the rack once it has been fitted to the roof or, conveniently, before it is fitted. The support frame can also be folded down when not in use to reduce drag when travelling without cycles.

RRP £121.00 (incl. VAT)

● Standard ¹ Figures according to Directive 80/1269/EEC in the currently applicable version ² Figures according to Directive 92/21/EC (kerb weight with fuel tank 90% full, driver, 68 kg, and luggage, 7 kg) for standard-specification vehicles

³ All figures are based on a standard specification with the smallest tyre size ⁴ The choice of wheels and transmission may affect CO₂ emissions and corresponding Road Fund Licence

⁵ The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK.

* CO₂ figures have been converted into NEDC-equivalent values for use with the current VED and BIK tax legislation.

Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at <http://www.mercedes-benz.co.uk/WLTP>

 All measurements in millimetres. The dimensions shown are mean values and apply to standard-specification, unladen vehicles

Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate for each taxation band will apply. The table below shows the bands (A–M) created by the DVLA and the corresponding Road Fund Licence. CO₂ emissions are listed in the technical data on pages 51, 53 and 54, and the relevant Excise Duty is reflected in the on-the-road prices on page 8.

Services and insurance

Mercedes-Benz ServiceCare

We believe that servicing costs should be as flexible and affordable as possible for your V-Class, which is why we offer ServiceCare, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With ServiceCare we guarantee the price of parts and labour for up to four services and safeguard against any further inflation. It also covers the cost of any additional items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

To receive a personalised ServiceCare plan recommendation visit the ServiceCare Calculator at servicecarerates.mercedes-benz.co.uk

Warranty and breakdown cover

Mercedes-Benz Finance

Why should you finance with Mercedes-Benz?

At Mercedes-Benz we believe a great driving experience should be matched by an equally great ownership experience. That is why we put just as much thought, time and effort into designing our finance options, our service plans and our insurance cover as we do into our vehicles.

We are not in the business of simply providing a loan to fund the purchase of your dream vehicle. We look on it as a journey that we take with you, from the moment you choose your new Mercedes-Benz, to helping you in choosing your next one.

If you would like to find out more about any of our current offers, simply call into your local Mercedes-Benz Retailer where one of our Business Managers will be more than happy to talk you through anything you need to know.

Helping you find the right solution.

You should find our finance packages are more convenient than a traditional personal loan because:

- Funds are immediately available – no waiting for cheques or loans to clear.
- There is no security required – either against your home or other assets.
- We have clear and transparent rates – the APR we quote is the APR you get.
- We have friendly Business Managers – experts in vehicle finance who can talk you through all of your plans in detail.

One of our most popular finance products is Mercedes-Benz Agility (our Personal Contract Purchase product). We also offer Contract Hire, Operating Lease and Hire Purchase solutions. If you would like to find out more about these speak to your Retailer or visit www.mercedes-benz.co.uk/fandi.

Mercedes-Benz Agility (our PCP product).

At the start of an Agility agreement, you put down a deposit and decide the term of your agreement and your annual mileage. You will be advised of the Guaranteed Future Value, which offers you the reassurance of knowing exactly what you will need to pay to own the vehicle outright in the future (this is known as the Optional Purchase Payment).

Throughout your agreement you simply pay your agreed monthly payments and when the agreement comes to an end you either purchase, hand back or part-exchange your vehicle.

Agility features:

- Fixed regular payments mean you can easily budget.
- Payments are based only on a proportion of the vehicle's value, keeping your monthly payments lower.
- Our Guaranteed Future Value avoids the risk of unplanned depreciation of your vehicle.
- You defer your ownership decision until the end of the agreement.

At the end of your agreement you have three options to choose from.

Option 1: Purchase your Mercedes-Benz.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to simply enjoy your vehicle.

Option 2: Hand back your Mercedes-Benz.

If you decide to return your vehicle to us, it must be in line with our Vehicle Return Standards,^{*} as vehicle condition, excess mileage and other charges may be payable.

Option 3: Part-Exchange for a new vehicle.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to part-exchange for a new vehicle.

¹Please note the 'Purchase Activation Fee' of £10 will be debited from your account *To find out more information about our Vehicle Return Standards please visit <http://mercedes-benz.co.uk/vrs>
