

Mercedes-Benz Sprinter Offers

Business Users Only. Effective from April 2016.

Mercedes-Benz
Vans. Born to run.

Keeping you 100% Mercedes-Benz

At Mercedes-Benz we believe a great driving experience should be matched by an equally great ownership experience. And that's why we put just as much thought, time and effort into designing our finance options, our insurance cover and our comprehensive support packages as we do into our vans.

Over the next few pages you can read about the benefits of the services we offer – and see just how cost-effective and hassle-free they can make owning and running a Mercedes-Benz.

Of course if you'd like to find out more about any of our current offers, simply call into your local Dealer where one of our Finance Specialists will be more than happy to talk you through anything you need to know.

Who better to finance your van...
