Transverse roof bars – an excellent foundation for the safe transportation of large and bulky loads.

Roof box – a practical yet stylish way to increase your Traveller's luggage capacity.

Roof mounted ski carrier – a choice of ski carriers that hold up to six pairs of skis. Can also be used to secure snow boards (depending on model).

Load stopper – fits safely and easily on to the roof rack. An essential for ensuring bulky loads stay in place.

TRAVEL AND TOURING

Equip your PEUGEOT Traveller for your next adventure with accessories that you can fit quickly with no need for tools. From bike racks to roof bars, our touring add-ons increase the volume you can carry and ensure that you set out on your next trip in complete comfort.

SIMPLIFY YOUR JOURNEY

Whether it's extra room you may need or just practical places to put things, your PEUGEOT Traveller can adapt too. Our wide range of functional accessories include everything from tow bars, boot trays, boot mats and storage solutions to help transport your luggage more practically.

1 Towbar mounted 'hang on style' cycle carrier. This attaches securely to any tow ball. It is available in two, three and four cycle capacity configurations. This product must be used in conjunction with a rear lighting board (sold separately).
