

PORSCHE

# Tequipment Boxster

Accessories for the Boxster model range

**To dream, you don't need to close your eyes.**

Thinking laterally and breaking boundaries. Never standing still and never making do. Continually striving to improve every last detail and always highly motivated. These are characteristics that distinguish not only you, but also the Porsche development team in Weissach. Whether it's the designer or the engineer, each member of the team is committed to getting the best out of absolutely everything. The results are cars beyond compare.

Nevertheless, all Porsche models leave scope for further personalisation. Thanks to the model-specific products available from Porsche Tequipment, you can refine your car to your unique taste after you have taken delivery. All Porsche Tequipment products are designed with the complete vehicle in mind and by the same Porsche engineers and designers who also develop the vehicles themselves.

As with the cars we create, all our after-market accessories undergo rigorous testing during their development. From design through to approval, we thoroughly scrutinise important properties, from safety to performance and from fitness for purpose to durability. After all, they are more than just accessories, they are part of a harmonious overall concept – your Porsche.

The same applies to one of the highlights in our range: the 20-inch Sport-Techno wheels painted in GT Silver Metallic. The sizes of the wheels and tyres have been maximised so that they finish flush with the body of the car and give it an even more imposing appearance. As a mark of refinement, the spokes and rim have a highly polished surface finish. The wheel centres with

full-colour Porsche Crest are available with a GT Silver Metallic paint finish.

Whether you wish to enhance its performance, refine its style or add comfort features, it is never too late to give your Porsche an extra personal touch.

Whichever Tequipment products you ask your Porsche Centre to fit, your Porsche

will always be the masterpiece that the developers in Weissach envisaged it to be.

For peace of mind, you can rest assured that your original warranty will not be affected.

For more information about Porsche Tequipment, please contact your Porsche Centre or visit [www.porsche.com](http://www.porsche.com).

**Exterior** 6

Express your sporty inner attitude and accentuate the toned physique of your Boxster with wheels and sports tailpipes from Porsche Tequipment.

**Interior** 20

Inner values matter. Whether your emphasis is on performance, style or classic appeal, we can turn your ideas into reality and your Boxster will always be 100% Porsche.

**Audio and communication** 32

A Porsche without intelligent communication systems? Unimaginable.

**Transport and car care** 40

Your Porsche can carry much more than the motorsport enthusiast inside it. We offer a range of transport accessories and cater for your car-care needs.

**Panorama** 48

A brief insight into the world of Porsche.

For fuel consumption, CO<sub>2</sub> emissions and efficiency class, please refer to page 51.

## Contents

**How fascinating:  
the more you change it,  
the more it becomes like you.**

A Porsche is often a decision for life. Two-thirds of all Porsche cars ever built are still being driven today. That's not by chance, it's because they are cherished and well cared for by their drivers.

Even a relationship as solid as this one can welcome change once in a while. A few tasteful refinements can freshen your car's appearance and make it even more emotive and expressive.

The Porsche Tequipment range of accessories helps you to make your Boxster even more unmistakable and charismatic. Are you thinking about some new wheels or do you like the look of our sports tailpipes? These are products that will reinforce the sporty presence of your car.

## Exterior

**You get more than add-ons to your car's standard equipment.  
You get more Porsche.**

**[1] Model designation on doors in black**

With light-coloured exterior paintwork, a black model designation on the doors creates a striking contrast and heightens your sense of anticipation as you step inside.

Available as 'Boxster' and 'Boxster S' logo.

**[2] Model designation on doors in silver**

With dark exterior paintwork, a silver-coloured model designation on the doors reinforces the unique character of your Boxster.

Available as 'Boxster' and 'Boxster S' logo.

**[3] Sports exhaust system (not shown)**

The typical Porsche sound is powerful, resonant and sporty. Better still, it can be further enhanced thanks to the sports exhaust system featuring a modified main silencer and a specially designed sports tailpipe. The system is activated by a separate switch integrated into the right half of the front control panel.

Some models may require additional components. (Please see fitting and conversion instructions.)

**[4] Sports suspension (not shown)**

Sometimes enhanced performance can be inspired by a closer relationship – with the road, for example. The body of your

Boxster will be 20 mm lower with the sports suspension.

Not compatible with Porsche Active Suspension Management (PASM).

**[5] Sports tailpipes**

Specially designed twin tailpipe in chrome-plated stainless steel. Gives a sporty look to the rear of your Boxster.

**Performance and everyday practicality.  
What goes for your car goes for your wheels, too.**

Can you imagine your Boxster equipped with one of the wheel and tyre sets from Porsche Tequipment? We can. They bring added individuality combined with a high

level of agility, as well as safety. In other words, they offer even greater driving pleasure. Keeping your feet on the ground need never be boring.

**[1] 20-inch SportTechno wheels  
with summer tyres**

Set of one-piece alloy wheels optimised for low weight thanks to flow-forming technology. The 20-inch SportTechno

wheels are characterised by their imposing design and size. Clearly defined lines mean that they are extremely easy to care for.

**[1] 20-inch Carrera S wheels with summer tyres**

The design of the 20-inch Carrera S wheels is both dynamic and powerful – just like your Porsche.

**[2] 20-inch Carrera S wheels in satin platinum with summer tyres**

Your Porsche delivers excellent dynamic performance, and so do these wheels. The 20-inch Carrera S wheels with summer tyres and a paint finish in satin platinum

emphasise the sporty character of your car and give it even more individuality. Includes wheel centres with full-colour Porsche Crest.

**[3] 20-inch Carrera S wheels painted in black (high-gloss) with summer tyres**

Wheels with a high-gloss black painted finish create an imposing look. In combination with the summer tyres, the 20-inch Carrera S wheels appear even more powerful. Includes wheel centres with full-colour Porsche Crest.

**[4] 20-inch Carrera Classic wheels with summer tyres**

Elegant, highly polished 10-spoke wheels with a two-tone finish. The intricate spokes provide a clear view of the Porsche brake system.

**[5] 19-inch Boxster S wheels with winter tyres**

The dual five-spoke design of these wheels will accentuate the sporty appearance of your Boxster, while the winter tyres offer improved traction in cold and wet conditions.

**[6] 18-inch Boxster wheels with winter tyres**

These one-piece alloy wheels are not only the ideal match for your Porsche, they provide excellent cold-weather traction in conjunction with the winter tyres.

	Product	Boxster	Boxster S	Wheel dimensions (offset (ET) in mm)	Tyre specifications
	<b>20-inch SportTechno wheels with summer tyres<sup>1,3</sup></b>	<input type="radio"/>	<input type="radio"/>	Front: 8.5J x 20 ET 57 Rear: 10J x 20 ET 50	Front: 235/35 ZR 20 (88Y) Rear: 265/35 ZR 20 (95Y)
	<b>20-inch Carrera S wheels with summer tyres<sup>1,3</sup></b>	<input type="radio"/>	<input type="radio"/>	Front: 8J x 20 ET 57 Rear: 9.5J x 20 ET 45	Front: 235/35 ZR 20 (88Y) Rear: 265/35 ZR 20 (95Y)
	<b>20-inch Carrera S wheels in satin platinum with summer tyres<sup>1,3</sup></b>	<input type="radio"/>	<input type="radio"/>	Front: 8J x 20 ET 57 Rear: 9.5J x 20 ET 45	Front: 235/35 ZR 20 (88Y) Rear: 265/35 ZR 20 (95Y)

	Product	Boxster	Boxster S	Wheel dimensions (offset (ET) in mm)	Tyre specifications
	<b>20-inch Carrera S wheels painted in black (high-gloss) with summer tyres<sup>1,3</sup></b>	<input type="radio"/>	<input type="radio"/>	Front: 8J x 20 ET 57 Rear: 9.5J x 20 ET 45	Front: 235/35 ZR 20 (88Y) Rear: 265/35 ZR 20 (95Y)
	<b>20-inch Carrera Classic wheels with summer tyres<sup>1,3</sup></b>	<input type="radio"/>	<input type="radio"/>	Front: 8J x 20 ET 57 Rear: 9.5J x 20 ET 45	Front: 235/35 ZR 20 (88Y) Rear: 265/35 ZR 20 (95Y)

For footnotes, please refer to page 17.

**Note on the use of winter tyres**

Summer tyres provide optimum performance at ambient temperatures above +7 °C. Below this point, the tyre compound begins to harden and braking distances

are increased. We therefore recommend that you fit winter tyres during the colder months of the year so that you can drive your Boxster safe in the knowledge that it will continue to meet our high standards

for driving safety even at low temperatures. All winter tyres approved by Porsche are identified by an 'N' designation on the sidewall. These tyres are beneficial because they have been optimised to

produce less noise, rolling resistance is reduced for improved fuel economy, and, importantly, braking distances are shorter at low temperatures (below +3 °C).

**[1] Snow chains**

Specially designed for Porsche models and featuring ultra-fine links for minimal adhesion of ice and snow. Set of two for rear axle.

Not compatible with wheel spacers.

- Compatible
- Not compatible

<sup>1</sup> If your vehicle documents do not contain details of the correct wheel and tyre combination, please request a technical approval certificate from your Porsche Centre. All tyres are designed exclusively for Porsche as indicated by the special Porsche designation (N0, N1, etc.) on the sidewall. Tyres that do not carry this designation are not recommended for use on your Porsche.

- <sup>2</sup> Winter tyres up to max. 240 km/h (149 mph).
- <sup>3</sup> Not compatible with 5 mm wheel spacers.
- <sup>4</sup> Compatible with snow chains if no spacers fitted.
- <sup>5</sup> Not compatible with snow chains – for winter tyres only.
- <sup>6</sup> Optional: use of 5 mm spacers on front and rear axles to widen track.

Product	Boxster	Boxster S	Wheel dimensions (offset (ET) in mm)	Tyre specifications
 <p><b>19-inch Boxster S wheels with winter tyres<sup>1, 2, 3, 5</sup></b></p>	○	○	Front: 8J x 19 ET 57 Rear: 9,5J x 19 ET 45	Front: 235/40 R 19 92V M+S Rear: 265/40 R 19 98V M+S

**How tyres influence braking performance:**

Example:  
Braking distance in % (measured with the use of tyres conforming to the Porsche specification).  
Braking distances optimised by the use of Porsche winter tyres. Absolute values may vary.

**[1] Wheel centres**

Set of four wheel centre caps with full-colour Porsche Crest. The perfect finishing touch for any Boxster wheels.

**[2] Anti-theft wheel protection**

Set of four steel bolts with highly secure locking system (Thatcham).

**[3] Crested valve caps**

Silver-coloured valve caps with embossed Porsche Crest.

**[4] Wheel spacers**

Wheel spacers create a wider track for enhanced stability and presence on the road. When fitted, your Boxster will look even sportier, as the wheels run virtually flush with the body of the car. Package

comprises a set of four spacers (5 mm) including extended standard and anti-theft wheel bolts in black with highly secure Thatcham-approved locking system.

Only in conjunction with 18-inch wheel sets.

**[5] Wheel bolts in black including anti-theft protection**

Set of 20 wheel bolts in black, four of which are anti-theft wheel bolts. Two versions available: for vehicles with and vehicles without 5 mm spacers.

**Something deep inside convinced you that this car was for you.**

Tradition and innovation, performance and practicality, style and functionality: the Boxster manages to reconcile all of these seemingly contradictory notions. It is a Porsche, after all. We don't focus solely on the exterior when we design our sports cars, so why should you?

## Interior

**You have highly developed senses for a reason.**

**[1] Leather**

Leather is a traditional natural material – a true classic. Items made of leather are both timeless and hardwearing.

**[2] Mahogany<sup>1</sup>**

Mahogany is a dark, fine wood. Its fine grain gives it a very modern and elegant look.

<sup>1</sup> Since wood is a natural product, there may be variations in form and grain.

**[3] Carbon**

Carbon is a light but highly durable material which has its origins in motor-sport. Its look is the ideal complement to the car's race-bred engineering.

**[4] Brushed aluminium**

Brushed aluminium sets clear accents and gives the interior a sporty minimalist appearance.

**[5] Alcantara**

This high-quality material is easy to care for, washable and has excellent non-slip properties.

**[1] Mahogany interior package**

This package comprises inlays in mahogany on the gear lever or PDK<sup>1</sup> gear selector and decorative strips in mahogany on the dashboard.

<sup>1</sup> 7-speed Porsche Doppelkupplung (PDK).

**[2] Heated multifunction steering wheel in mahogany**

The grain on the mahogany multifunction steering wheel is as unique as a fingerprint. Thanks to the integrated buttons, you have control over a number of audio and, where applicable, navigation and telephone functions at your fingertips.

**[3] Centre console trim in mahogany**

Give your Boxster an added personal touch with the centre console trim in mahogany. Charismatic and unique, just like you.

**[4] Carbon interior package**

This package comprises inlays in carbon on the gear lever or PDK<sup>1</sup> gear selector and decorative strips in carbon on the dashboard.

<sup>1</sup> 7-speed Porsche Doppelkupplung (PDK).

**[5] Heated multifunction steering wheel in carbon**

The multifunction steering wheel in carbon brings you closer to the racetrack. Thanks to the integrated buttons, you have control over a number of audio and, where applicable, navigation and telephone functions at your fingertips.

**[6] Centre console trim in carbon**

This trim is more than just a sporty detail, it adds a touch of motorsport.

**[1] Brushed aluminium interior package**

This package comprises inlays in brushed aluminium on the gear lever or PDK<sup>1</sup> gear selector and decorative strips in brushed aluminium on the dashboard.

<sup>1</sup> 7-speed Porsche Doppelkupplung (PDK).

**[2] Centre console trim in brushed aluminium**

Every detail should be exactly as you imagined. This trim in brushed aluminium enhances the sporty feel of the interior.

**[3] PDK gear selector in aluminium**

Specially designed PDK gear selector in aluminium. The PDK gear selector inlays feature leather trim in the interior colour.

**[4] PDK gear selector in Alcantara, gear lever in Alcantara (not shown)**

This gear lever/PDK gear selector highlights the close association of Porsche with motorsport. Finished in black Alcantara.

**More than an accessory.  
A little piece of Weissach.**

**[1] SportDesign steering wheel**

This steering wheel in leather adds a distinctly sporty accent and is yours to personalise thanks to our selection of leather colours. Two versions are available: one for the manual gearbox and one for PDK. The PDK version is equipped with gearshift paddles. The right-hand paddle shifts up, the left-hand paddle shifts down.

**[2] Storage compartment lid with Porsche Crest**

The lid of the centre console storage compartment is finished in leather to match the interior trim and embossed with the Porsche Crest.

**[3] Floor mats with nubuck edging**

Made-to-measure floor mats with nubuck edging and 'PORSCHE' logo, which have a waterproof underside and are non-slip. They are secured by a special fastener system.

**[4] Rubber floor mats**

Two attractive tailored floor mats. Non-slip and waterproof.

**[5] Key pouch in leather (not shown)**

In smooth-finish leather with decorative stitching and embossed Porsche Crest. Includes the tether for the vehicle key.

**Door sill guards**

A real eye-catcher. Whether you choose door sill guards in carbon or stainless steel, they provide a stylish and dramatic finishing touch. If you select illuminated

door sill guards, the white illuminated model logo is a further highlight.

**[1] Door sill guards in carbon<sup>1</sup>**

A sporty and striking effect created by carbon fibre – an extremely lightweight high-tech material. With model logo.

**[2] Door sill guards in carbon, illuminated<sup>1</sup>**

Door sill guards in carbon with white illuminated model logo place equal emphasis on sportiness and extravagance.

**[3] Door sill guards in stainless steel<sup>1</sup>**

A brilliant highlight revealed the moment you open the door: door sill guards in stainless steel with model logo.

**[4] Door sill guards in stainless steel, illuminated<sup>1</sup>**

Why not lead by shining example? These door sill guards with white illuminated model logo are the way to do it.

**[5] Pedals and footrest in aluminium**

At your feet and under your control: the pedals with footrest all made from lightweight and hard-wearing yet visually appealing solid aluminium.

For further product information and part numbers, please refer to the Tequipment Boxster price list.

<sup>1</sup> Available with 'Boxster' or 'Boxster S' logo.

**Passion for the sports car.**

**Communication technologies included.**

The Boxster is the Porsche amongst roadsters. It symbolises independence and freedom, embodies tradition and innovation, combines style and functionality and unifies performance with everyday practicality. It's what you expect from any Porsche and that's why it inspires pure passion for the sports car.

You feel it in the interior, too. From the very first second. Everything is where you would expect it to be. That includes intelligent communication technologies, which are designed to guide this superb athlete to its destination as safely and as directly as possible. Hood up or hood down, a sporty drive is assured.

## Audio and communication

### [1] PCM with navigation module and CD/DVD autochanger

The central information and communication system with a high-resolution 7-inch WVGA TFT colour touchscreen is easy to operate. The radio is equipped with an RDS twin-

tuner. The six-disc CD/DVD autochanger plays CDs and audio DVDs and is MP3-compatible. Audio playback of video DVDs is also supported. The GPS navigation module has a hard drive containing map data for most European countries. Other

features include dynamic route calculation, a 3D map display and automatic route recording.

Only for vehicles with Sound Package Plus or BOSE® Surround Sound System.

### [2] Electronic logbook<sup>1</sup>

The optional electronic logbook enables the automatic recording of mileage, route distance, date and time, starting point and destination as part of every journey. Once you have downloaded the logbooks from the PCM via Bluetooth® or the USB inter-

face, the data can be evaluated on your home PC using the software supplied.

<sup>1</sup> Only in conjunction with PCM with navigation module.

**[1] Telephone module<sup>1</sup>**

The optional quadband GSM telephone module offers convenience and excellent reception. By inserting a SIM card directly into the PCM's integral SIM card reader, calls can be made using either the hands-

free facility or the optionally available cordless handset. Alternatively, the Bluetooth® capability of a mobile phone can be used to make calls through the SIM Access Profile (SAP)<sup>2</sup>.

**[2] Cordless handset for telephone module<sup>1</sup>**

Handset display and separate keypad for making telephone calls discreetly.

**[3] Voice control system<sup>1</sup> (not shown)**

Almost all of the PCM functions can be activated by voice control. The system recognises commands or figure sequences irrespective of the speaker. It gives audible feedback and guides you through the functions. Without needing to 'train' the

system, phonebook entries can be retrieved, a radio station selected or the navigation destination entered directly by speaking whole words rather than dictating just one letter at a time.

<sup>1</sup> Only in conjunction with PCM with navigation module.

<sup>2</sup> For information on compatible mobile phones, please contact your Porsche Centre or visit [www.porsche.com](http://www.porsche.com).

**[1] Mobile phone preparation**

An optional hands-free facility is available to enable a Bluetooth® connection for those mobile phones that only support the Handsfree Profile (HFP). With HFP, the PCM acts merely as a hands-free system. It is possible to control basic functions of the mobile phone using PCM or the

optional multifunction steering wheel. The GSM connection is established through the aerial of the mobile phone.

Only in conjunction with PCM with navigation module.

For information on compatible mobile phones, please contact your Porsche Centre or visit [www.porsche.com](http://www.porsche.com).

**[2] Porsche Vehicle Tracking System (PVTS)**

Enables remote location of a stolen vehicle within 27 European countries as well as Russia and South Africa – regardless of where you live. Locating is not a continuous process, but occurs only in the event of

an alarm. A silent alarm is automatically triggered if the car is stolen or tampered with, or after notification from the vehicle owner. PVTS has been thoroughly tested in all of these countries to ensure that the service fully meets strict Porsche requirements.

Your Porsche Centre will be happy to provide you with further information.

Only for vehicles with optional factory-fitted preparation for Porsche Vehicle Tracking System (PVTS).

A separate contract with the service provider recommended by your Porsche Centre is required, which is subject to additional charges.

**You didn't entertain the idea of compromise when you chose your car.**

**So why start now?**

The Boxster is the sports car amongst roadsters and offers unadulterated driving pleasure. Thanks to the child seats from Porsche Tequipment, passengers below the age of 12 need never miss out.

After an exciting drive, your Porsche deserves a rest and some care and attention. Porsche Tequipment has everything you need to tend to your Boxster.

**Transport and car care**

**A phrase you won't be hearing quite so often:  
'Are we nearly there yet?'**

Do you still remember the first time you sat inside a Boxster? Perhaps it was on the passenger seat, or maybe it was behind the steering wheel. The feeling was indescribable. The mid-mounted engine behind you, the open sky above you and sheer excitement in front of you. Fortunately, even the youngest Porsche enthusiasts can share your enjoyment thanks to Porsche child seats.

**[1] Porsche child seats**

Porsche child seats meet strict safety standards. Specially designed, tested and approved for Porsche cars, they provide protection and comfort to passengers up to 12 years of age. The fabrics are breathable, hypoallergenic and easy to clean with a removable and washable cover in black and grey with a contrasting red trim. The Porsche child seats can be fixed

conveniently and safely on the passenger seat using a preparation kit or the three-point belt system. For increased safety, the Porsche Baby and Porsche Junior Seat ISOFIX have an independent five-point belt system.

**[2] Child seat preparation for passenger seat (not shown)**

Includes ISOFIX mounting points between the backrest and squab on the passenger seat, as well as key-operated deactivation system for the passenger airbag. The passenger airbag must be deactivated if carrying a child up to 27 kg.

**Model:** Porsche Baby Seat ISOFIX  
**Group:** G 0+  
**Weight:** up to 13 kg  
**Age:** up to approx. 15 months

**Model:** Porsche Junior Plus Seat<sup>1</sup>  
**Group:** G 2–G 3  
**Weight:** 15 to 36 kg  
**Age:** approx. 4 to 12 years

**Model:** Porsche Junior Seat ISOFIX  
**Group:** G 1  
**Weight:** 9 to 18 kg  
**Age:** approx. 9 months to 4 years

The use of a child seat on the passenger seat is permitted only in conjunction with child seat preparation. Child seats must not be used with the sports bucket seats.

<sup>1</sup> Also available as Porsche Junior Plus Seat ISOFIT. ISOFIX/ISOFIT is a secure and user-friendly child seat mounting system that rigidly attaches the child seat to the vehicle.

**You should never have to do without.  
Neither should your Porsche.**

There are many things that are difficult to live without. Your Boxster is one, and so are the accessories and car-care products from Porsche Tequipment. All 100% Porsche for extra peace of mind.

**[1] Indoor car cover**

Tailored indoor cover made from breathable, antistatic and dirt-resistant fabric. With full-colour Porsche Crest and logo.

**[2] Outdoor car cover**

Tailored outdoor cover in silver-coloured fabric with Porsche Crest and logo. Water-repellent, it provides excellent protection against a range of weather conditions including strong sunlight. With anti-theft protection.

**[3] Cargo liners front and rear (rear not shown)**

These made-to-measure waterproof and washable plastic containers are ideal for carrying a variety of items, such as shopping or sports equipment, inside the vehicle.

Both cargo liners carry a 'PORSCHE' logo and the rear liner features the Boxster silhouette.

**[1] Car-care case Cabriolet**

Aluminium case containing high-quality car-care products specially approved for your Porsche. Includes shampoo, wax, glass cleaner, leather cleaner and

conditioner, convertible top conditioner and a selection of other accessories. All products are available separately.

**[2] Porsche Charge-o-mat II**

Battery charger with charge maintenance and monitoring function. An adapter is available for vehicles without cigarette lighter.

**[3] Ice scraper**

Practical accessory featuring an aluminium telescopic handle enabling easy removal of ice and snow from your Porsche. Integral rubber lip for removing water.

**[4] Microfibre cleaning cloths**

Pack of three microfibre cloths enabling the PCM touchscreen and other delicate interior surfaces to be cleaned safely and efficiently.

**[5] Refill bottle**

Refill bottle and wheel cleaner for the wheel cleaning kit.

**[6] Wheel cleaning kit**

Cleaning fluid and brush set for alloy wheels. Cleaning fluid also available separately as a refill.

## Panorama

### Porsche Centres

Your Porsche Centre can assist you with every aspect of purchasing and owning your Porsche. You will also find a wide range of products and services, including genuine Porsche parts and accessories.

### Porsche Approved

So that our vehicles remain reliable and retain their value, we guarantee that all our Porsche Approved cars meet the most stringent Porsche quality standards, anywhere in the world. Every car is backed by the Porsche Approved warranty.
