ŠKODA

ŠKODA BUSINESS RANGE

Effective: November 2016

Model shown is not UK specification.

Octavia Estate SE Technology

Model shown is not UK specification.

Octavia Hatch SE Technology

Here it is. The ŠKODA Business range.

At ŠKODA, we understand that choosing your next company car (or cars) is an important decision. Whether you'll be driving one away or simply managing the budget. Which is why we've introduced our ŠKODA Business range.

It boasts the specification you (or your employees) expect, with features like Bluetooth®, sat-nav and cruise control as standard. Many models offer the benefit-in-kind tax your budget demands. And they're more affordable than you might think at the same P11D as the equivalent standard SE trim, giving you a whole life cost advantage.

Have a look through this brochure and see for yourself. It's one decision you'll be glad you made.

◇ Standard EU Test figures are for comparative purposes and may not reflect real driving results. Please see page 12 for further details. ◇◇ Please see page 34 for further details on VED, OTR, BiK and P11D. *Not available on GreenLine A temporary steel spare wheel is available as an option for cars with 16" wheels.

Class leading luggage space. The hatch boasts **590 litres*** of space, all easily accessible through the large hatch boot opening. This phenomenal space becomes cavernous with the rear seats folded down, expanding to **1,580 litres***. The estate offers **610 litres*** of space with seats up and **1,740 litres*** with seats down.

Amundsen touchscreen satellite navigation system with 6.5" touchscreen, DAB digital radio, MP3 player, AUX-IN, integrated Wi-Fi, USB and 2 SD card slots.

Driving mode selection. The Driving mode selection allows the driver to adapt the car's behaviour to their preference or needs. Four driving modes are available, normal, sport, eco and individual (allowing the driver to configure their own settings).

Device connectivity. All Octavias come with an SD card slot, USB, AUX-IN socket and Bluetooth® to allow multiple ways of playing music or audio through your car's speakers. Optional Wireless phone charging with Bluetooth®+ (pictured left) offers wireless charging to Qi enabled handsets**.

16" Ilias alloys

16" Velorum alloys (GreenLine only)

Ice scraper. All Octavias come with an ice scraper in the lockable fuel filler cap.

* Volume is 20 litres less when a spare wheel is fitted. Models shown are not UK specification. ** For more information about SmartLink, SmartGate and phone compatibility please visit skoda.co.uk/models/new-octavia-hatch/technology

3 spoke leather Supersport MFSW with DSG paddles with controls for radio and telephone Not available on GreenLine	○	£170.83	£205.00
Bluetooth®+ with Phone box Voice control and wireless aerial connection to boost signal and prolong battery life. Not available on GreenLine	○	£166.67	£200.00
Canton sound system Includes digital equaliser and 10 speakers including subwoofer in boot	○	£416.67	£500.00
Columbus satellite navigation system Includes SmartLink, Colour Maxi DOT trip computer and integrated Wi-Fi	○	£875.00	£1,050.00
Premium WLAN with integrated high-speed LTE internet† Includes SIM card slot and rSAP profile compatibility to provide high-speed LTE internet. Only available in combination with Columbus satellite navigation system	○	£291.67	£350.00
Colour Maxi DOT computer	○	£70.83	£85.00
Wireless phone charging with Bluetooth®+ Not available on 1.6 TDI GreenLine III	○	£250.00	£300.00
SmartLink†† Delivers an elegant connection between car and smartphone using MirrorLink™, Apple CarPlay and Android Auto interfaces. Please check software and device compatibility. For more information about SmartLink please visit skoda.co.uk/octaviatechnology	○	£125.00	£150.00
SmartGate†† Uses Wi-Fi connection to send selected vehicle data to a connected device. Special mobile apps are available which allow you to analyse driving data and performance to find out more about your driving style. Examples of data available include vehicle speed, engine revs and g-meter. The SmartGate applications are available free of charge from app stores. Please check software and device compatibility in the app store. For more information about SmartGate please visit skoda.co.uk/octaviatechnology	○	£83.33	£100.00

MFSW = Multi-function steering wheel

** Not available with Canton sound system.
• Temporary steel wheels and space saver spare wheels are restricted to 50mph, please note that this replaces the standard tyre repair kit

† High-speed LTE internet is activated by inserting a SIM card into the slot in the glovebox, or connecting a smartphone via the rSAP profile. Passengers can then connect to the Superb's Wi-Fi hotspot and browse the internet wirelessly on their individual devices. An external data source is required to enable the Wi-Fi hotspot services. Only available for mobile phone or SIM card contracts which include a data option with the use of LTE, if LTE usage is required. Usage will only be available within the coverage of the mobile phone network;

there may be additional costs for the use of these services (charges and billing correspond to the mobile phone or SIM card contract). Due to potentially high data volumes, a contract including an unlimited or high usage data plan is strongly recommended.

†† For more information about SmartLink, SmartGate and phone compatibility please visit www.skoda.co.uk/superbtechnology

□ Where law permits.

Power transmission

Clutch Hydraulically-activated single-plate dry clutch with diaphragm spring, asbestos-free coating.

Manual transmission Fully synchronised five or six speed manual transmission.

7 spd DSG transmission - two coaxial dry multiple-disc clutch, electro-hydraulically operated.

Please note: With all manual gear boxes the clutch needs to be depressed to start the engine.

Number of gears

5 Speed Manual 1.6 TDI 110PS

7 speed DSG 1.6 TDI 110PS

6 Speed Manual 2.0 TDI 150PS

6 Speed Manual 1.6 TDI 110PS GreenLine III

Chassis

Front axle MacPherson suspension with lower triangular links and torsion stabiliser.

Rear axle

2 wheel drive: Compound link crank-axle.

Suspension Telescopic shock absorbers with coil springs, in the rear outside the springs.

Braking system Hydraulic dual circuit brake system with diagonal interconnection, vacuum assisted dual rate brake booster.

Front brakes Disc brakes, with hollow discs, internal cooling and single-piston floating calliper.

Rear brakes Disc brakes with full discs and single-piston floating callipers.

Handbrake Mechanical handbrake operating on rear wheels.

Steering Direct rack and pinion steering with electromechanical power steering.

Turning circle of wheels (m) 10.4

Tank

Fuel tank content (litres) 50

Fuel Diesel CZ 49. No biodiesel.

Body type Five-door, five-seat, double-space steel bodywork, fully galvanized body.

Drag coefficient

	Hatch	Estate
1.6 TDI 110PS	0.288	0.301
1.6 TDI 110PS GreenLine III	0.277	0.270
2.0 TDI 150PS	0.297	0.304

We measure the maximum power output figures of our engines in PS or Pferdestärke (horse strength in German), which is the metric equivalent of bhp. To convert from metric to imperial horsepower, divide the PS figure by 1.0139.

AdBlue®: Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue® which must be kept topped up and may require refilling between services.

AdBlue® is a non-toxic, non-flammable, biodegradable urea and water-based liquid additive that processes the gases in a car exhaust system to remove harmful nitrogen oxide (NOx) emissions. Please contact your local ŠKODA retailer for more information.

Depending on your chosen wheel size, different efficiency figures for CO₂ emissions and fuel consumption will apply (based on EU directive no. 715/2007 effective from 01/09/14).

CO₂ values for standard alloy wheels are listed above and can also be found from page 4, listed with the pricing.

Please note that any change to alloy wheels could result in different efficiency figures, and as a result, the VED band that your Octavia falls into may increase, along with BiK tax. These tables are reference guides to assist you in finding the correct CO₂, fuel consumption, BiK and VED values based on wheel sizes and chosen engine. Please see page 34 for further details on VED and OTR.

See page 34 for further details

Official fuel consumption for the Octavia range in mpg (litres/100km)[◊]:

urban	58.9 (4.1)	-	72.4 (3.9);
extra urban	78.5 (3.6)	-	88.3 (3.2);
combined	70.6 (4.0)	-	80.7 (3.5).
CO₂ range	106	-	90g/km

[◊] Standard EU Test figures are for comparative purposes and may not reflect real driving results. Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the ŠKODA website at skoda.co.uk and at dft.gov.uk/vca

Model shown is not UK specification

Calculating your tax liability

To find out how much tax you will pay, simply take the P11D value, then multiply this figure by the BiK percentage. Then simply multiply this figure by 20% or 40% depending on the level of income tax that you pay.

Please note if your employer provides you with free fuel, this is treated as an additional taxable benefit.

For more information on company car taxation please visit the HM revenue and customs website hmc.gov.uk

BiK calculation example - Octavia Hatch SE Technology 1.6 TDI 110PS

P11D value	£20,295.00
Company Car BiK tax based on CO ₂ emission level	19%
Taxable BiK (for 2016/2017 tax year): 19% of £20,295.00	£3,856.05

Annual company car tax (2016/17)

20% Income Tax: 20% of £3,856.05	£771.21
40% Income Tax: 40% of £3,856.05	£1,542.42

Monthly company car tax (2016/17)

20% Income Tax: £771.21 divide by 12 months	£64.27
40% Income Tax: £1,542.42 divide by 12 months	£128.54

◇ Standard EU test figures are for comparative purposes and may not reflect real driving results. Please see page 23 for further details.

◇◇ Please see page 34 for further details on VED, OTR, BiK and P11D.

† May contain some artificial leather.

Please note CO₂ emissions can change if a different size alloy is ordered. This may potentially lead to a change in the VED and BiK amount payable. A change in VED may increase the Recommended On The Road (ROTR) price. Please refer to page 23 for more details.

Note: Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue®.

A temporary spare wheel can be ordered as an option. Not available on GreenLine.

Exceptionally spacious interior. The Estate has an enormous **660 litres*** of usable space in the boot which extends to **1,950 litres*** of space with the seats down. In comparison, the Hatch boasts **625 litres*** which extends to **1,760 litres*** with the seats down. Passengers also benefit from enormous amounts of leg room.

3-spoke multi-function leather steering wheel enables the driver to have full control of the radio and telephone functions without taking your eyes off the road

Amundsen satellite navigation system with 8.0" touchscreen, DAB digital radio, MP3 player, AUX-IN, integrated Wi-Fi, USB and 2 SD card slots. SmartLink† delivers an elegant connection between car and smartphone using MirrorLink™, Apple CarPlay and Android Auto interfaces.

Virtual pedal. Now it is possible to open the boot simply by sweeping your foot underneath the rear bumper, thanks to the new optional Virtual Pedal. This feature enables contact-free access and is available with electrically-operated boot and KESSY (Keyless entry, start and exit system).

17" Stratos alloys

† For more information about SmartLink, SmartGate and phone compatibility please visit www.skoda.co.uk/superbtechnology

* Volume is 41 litres less when a spare wheel is fitted.

Options	SE Technology	Basic ex VAT	RRP inc VAT
Interior (continued)			
Partition net screen	○	£125.00	£150.00
Retractable parcel shelf <i>Automatically retracts when the boot opens</i>	○	£100.00	£120.00
Safety and Security			
Hill-hold control <i>Standard with DSG transmission</i>	○	£83.33	£100.00
ISOFIX on front passenger seat	○	£37.50	£45.00
Crew protection assist and rear side airbags <i>Senses when an impact is imminent and closes windows and sunroof to protect the passengers from objects entering the car as well as tightening the seatbelts ensuring occupants are in the safest possible position</i>	○	£362.50	£435.00
Comfort and Convenience			
Tri-zone climate control <i>Allows three autonomous thermal comfort zones to be set: driver, front passenger and rear passenger. Temperature range available is 16 - 29.5 °C and the rear temperature setting can be deactivated in the infotainment system when not in use. Not available on GreenLine</i>	○	£250.00	£300.00
Heated windscreen washer nozzles	○	£41.67	£50.00
Heated windscreen <i>Designed to quickly defrost or demist the windscreen. A thin metal-coated layer is used throughout the glass area and heats whilst the engine is running. This also reflects heat when warm outside to help keep the interior cool. Only available in combination with heated seats</i>	○	£250.00	£300.00
KESSY - Keyless entry and start system <i>Allows the car to be locked, unlocked and started with a button as long as the sensors detect the key is with the driver.</i>	○	£333.33	£400.00
Integrated tow bar <i>The tow bar can be easily released from the boot and folded away after use. Includes preparation of the following vehicle systems for optimised operation whilst towing: alternator, battery, fan and cooling system. Not available on GreenLine</i>	○	£637.50	£765.00
Smoker's package <i>Front ashtray and lighter</i>	○	£25.00	£30.00
Hatch only			
Electrically operated boot <i>Enables the boot to open and close at the touch of a button; via the key, central panel or boot handle. The top position of the boot lid can also be adjusted to suit individual preferences. Only available in combination with LED package rear</i>	○	£333.33	£400.00
Virtual Pedal <i>Enables touch-free boot opening via a motion sensor under the rear bumper. If the system identifies the authorised key and detects the 'kick' motion, the boot will open. Includes electrically operated boot functionality. Only available in combination with KESSY and LED package rear. Only available in combination with LED package rear</i>	○	£458.33	£550.00
Estate only			
Electrically operated boot <i>Enables the boot to open and close at the touch of a button; via the key, central panel or boot handle. The top position of the boot lid can also be adjusted to suit individual preferences. Includes retractable parcel shelf. Only available in combination with LED package rear</i>	○	£433.33	£520.00
Virtual Pedal <i>Enables touch-free boot opening via a motion sensor under the rear bumper. If the system identifies the authorised key and detects the 'kick' motion, the boot will open. Includes electrically operated boot functionality and sliding boot cover. Only available in combination with KESSY and LED package rear. Only available in combination with LED package rear</i>	○	£500.00	£600.00
Driver Assistance			
Rear-view parking camera <i>Only available in combination with LED package rear</i>	○	£291.67	£350.00
Park assist <i>Parks the car in parallel or bay spaces. Includes front and rear parking sensors</i>	○	£491.67	£590.00
Lane assist and Blind spot detection <i>Lane assist is a camera-based function which is designed to keep the vehicle within its lane and, if necessary, alert the driver of an unwanted lane change. Blind spot detection uses a radar to prevent the driver from failing to notice a car in the blind spot behind or beside the car and, if necessary, provide a warning signal to the driver in the outer corner of the wing mirrors. Only available in combination with electrically adjustable front seats</i>	○	£708.33	£850.00
Light assist with high beam control <i>Assesses the light conditions and traffic situation and automatically switches on and off the high beams</i>	○	£208.33	£250.00
Smart light assist <i>Uses the multifunction camera to detect when to switch between low and high beams automatically and prevents other drivers from being blinded by the vehicles lights. Also adds further decorative illuminated LED strips to the headlights for a more distinctive look. Includes Lane assist and Blind spot detection. Only available in combination with Bi-Xenon headlights</i>	○	£791.67	£950.00
Travel assist with traffic sign recognition and display <i>Uses the multifunction camera to recognise and display traffic signs on the Maxi DOT and navigation displays</i>	○	£70.83	£85.00

* Please note CO₂ emissions can change if a different size alloy is ordered. This may potentially lead to a change in the VED and BiK amount payable. A change in VED may increase the Recommended On The Road (ROTR) price. Please refer to page 23 for more details.

** Temporary steel wheels and space saver spare wheels are restricted to 50mph, please note that this replaces the standard tyre repair kit

Factory Fitted Optional Equipment Superb SE Technology (continued)

Options	SE Technology	Basic ex VAT	RRP inc VAT
Entertainment and Communication			
Columbus touchscreen satellite navigation system with integrated Wi-Fi HDD-based navigation with 8" colour TFT touchscreen, DVD drive and an internal integrated Wi-Fi	○	£729.17	£875.00
Media Command Allows wireless control of selected functions of the Columbus satellite navigation system using a mobile device via a wireless Wi-Fi technology. It is possible to access the following functions: media, navigation, radio and audio settings. The Media Command application is available from app stores	○	£70.83	£85.00
CANTON sound system Tailor-made for the Superb, this sound system delivers a total output of 610W and features a 10 channel digital amplifier and 12 speakers: 6 front, 4 rear, 1 in the dashboard and a 200W subwoofer in the boot. Includes 12 pre-set sound profiles, vehicle noise cancellation and 3D surround sound. Delivers Dolby 5.1 surround sound when combined with Columbus satellite navigation system. Only available in combination with KESSY.	○	£500.00	£600.00
Wireless phone charging with Bluetooth®+	○	£41.67	£50.00
SmartGate Uses Wi-Fi connection to send selected vehicle data to a connected device. Special mobile apps are available which allow you to analyse driving data and performance to find out more about your driving style. Examples of data available include vehicle speed, engine revs and g-meter. The SmartGate applications are available free of charge from app stores*	○	£83.33	£100.00
TV Tuner Displays DVB, DAB and DMB-DTV broadcast formats whilst the vehicle is stationary. Only available in combination with Columbus satellite navigation system, Rear view camera and LED package rear	○	£708.33	£850.00
Colour Maxi DOT trip computer	○	£70.83	£85.00
Service and Warranty

Service Plan Your first two services	○	£232.50	£279.00

* For more information about SmartGate and phone compatibility please visit www.skoda.co.uk/superbtechnology

◊ For terms and conditions please see page 35

Calculating your tax liability

To find out how much tax you will pay, simply take the P11D value, then multiply this figure by the BiK percentage. Then simply multiply this figure by 20% or 40% depending on the level of income tax that you pay.

Please note if your employer provides you with free fuel, this is treated as an additional taxable benefit.

For more information on company car taxation please visit the HM revenue and customs website hmc.gov.uk

BiK calculation example - Superb Hatch SE Technology 1.6 TDI 120PS

P11D value	£22,725.00
Company Car BiK tax based on CO ₂ emission level	21%
Taxable BiK (for 2016/2017 tax year): 21% of £22,725.00	£4,772.25

Annual company car tax (2016/17)

20% Income Tax: 20% of £4,772.25	£954.45
40% Income Tax: 40% of £4,772.25	£1,908.90

Monthly company car tax (2016/17)

20% Income Tax: £954.45 divide by 12 months	£79.54
40% Income Tax: £1,908.90 divide by 12 months	£159.08

Model shown is not UK specification

Depending on your chosen wheel size, different efficiency figures for CO₂ emissions and fuel consumption will apply (based on EU directive no. 715/2007 effective from 01/09/14).

CO₂ values for standard alloy wheels are listed here and can also be found from on page 14, listed with the pricing.

Please note that any change to alloy wheels could result in different efficiency figures, and as a result, the VED band that your Superb falls into may increase, along with BiK tax. These tables are reference guides to assist you in finding the correct CO₂, fuel consumption, BiK and VED values based on wheel sizes and chosen engine. Please see page 34 for further details on VED and OTR.

VED (Vehicle Excise Duty)

Band	CO ₂ (g/km)	First 12 Months ¹	Standard VED ²
A	Up to 100	£0	£0
B	101 - 110	£0	£20
C	111 - 120	£0	£30
D	121 - 130	£0	£110
E	131 - 140	£130	£130
F	141 - 150	£145	£145
G	151 - 165	£185	£185
H	166 - 175	£300	£210
I	176 - 185	£355	£230
J	186 - 200	£500	£270
K	201 - 225	£650	£295
L	226 - 255	£885	£500
M	Over 255	£1,120	£515

See page 34 for further details

Official fuel consumption for the Superb range in mpg (litres/100km)*:

urban	52.3 (5.4)	-	65.7 (4.3)
extra urban	67.3 (4.2)	-	85.6 (3.3)
combined	61.4 (4.6)	-	76.4 (3.7)

CO₂ range	121	-	96g/km
-----------------------------	-----	---	--------

^o Standard EU Test figures are for comparative purposes and may not reflect real driving results. Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the ŠKODA website at skoda.co.uk and at dft.gov.uk/vca

ROWI = Low rolling resistance tyre

Standard Equipment

EXTERIOR

- 17" Annapurna alloy wheels with anti-theft wheel bolts (225/50 R17 94W tyres)
- Aero windscreen wipers with intermittent function
- Black roof rails
- Black protective side mouldings
- Black sills and front and rear bumpers
- Electrically adjustable and heated door mirrors
- Halogen headlights
- Indicators integrated into door mirrors
- Integrated headlight washers
- Rear windscreen wiper
- Silver door mirrors
- Sunset glass (from B-pillar back)

COMFORT & CONVENIENCE

- 12V socket in centre console and luggage compartment
- 3 spoke leather multi-function steering wheel
- Chrome inner door handles
- Cloth upholstery
- Cupholder in centre console
- Double sided boot floor
- Dual-zone air conditioning with humidity sensor and control
- Dust and pollen filter
- Front and rear electric windows (with child safety switch)
- Front centre armrest with storage compartment
- Glovebox (illuminated and cooled)
- Heated rear windscreen
- Horizontal rails with sliding hooks in boot
- Illuminated luggage compartment
- Lashing eyelets in luggage compartment
- Leather handbrake and gear lever
- Net programme in luggage compartment
- Outdoor temperature gauge

SAFETY & SECURITY

- Reading lights in front and rear
- Rear armrest and cupholders (when middle seat folded down)
- Removable box in luggage compartment
- Removable LED lamp in luggage compartment
- Storage box on dash (closed)
- Umbrella under front passenger seat
- Vanity mirrors in sun visors
- Varioflex
- Washer fluid level indicator

TECHNOLOGY

- 3.5mm aux-in socket for MP3 players
- 8 loudspeakers
- Amundsen touchscreen satellite navigation system with DAB radio and voice control
- Cruise control
- Energy recovery
- Gear change recommendation (manual transmission only)
- Maxi-DOT trip computer
- Rear parking sensors
- Stop/start system

SAFETY & SECURITY

- 3 height adjustable rear headrests
- 3-point seatbelts on all seats
- Alarm with interior monitoring and tilt sensor
- Curtain airbags
- Daytime running lights
- Driver and front passenger seatbelt warning light
- Driver and passenger front and side airbags (with front passenger deactivation switch)
- Driver knee airbag
- Dual tone horn
- Electro-mechanical power steering
- Electronic engine immobiliser
- ESC incl ABS, EBV, MSR, ASR, EDS, HBA, DSR & ESBS
- Front fog lights
- Fuel supply cut-off (in event of accident)
- Height adjustable driver and front passenger seat
- Height adjustable front headrests
- ISOFIX child seat fittings on outer rear seats
- Light assistant (coming home, leaving

- home, tunnel light, daytime running lights)
- Rear fog light
- Remote central locking (with 2 keys) and SAFE (preventing unlocking from inside)
- Seatbelt height adjustment for front seats
- Tyre repair set
- Tyre pressure monitoring system

High quality interior. The inside of the Yeti Outdoor is just as striking as the outside, and there's also a usable amount of space for both passengers and luggage. The Yeti Outdoor has a generous 416 litres of usable boot space, which can be increased to 1,760 litres when the Varioflex system is utilised and the rear seats are removed entirely.

3 spoke leather multi-function steering wheel. The sporty 3 spoke leather multi-function steering wheel feels luxurious to the touch and also allows the driver complete control over radio and telephone functions.

Maxi-DOT trip computer. Maxi-DOT, with its larger display, details fuel consumption, average speed and distance until the fuel tank is empty, and also has the ability to display phone, audio and navigation data too.

17" Annapurna alloys

Amundsen touchscreen satellite navigation system with DAB radio and voice control. Features a 6.5" colour display with touch-screen, and provides 2D or 2.5D (birds eye) navigation. Map data is stored on SD card, and there is also a second SD card slot which can be used for music, or alternatively music can be streamed via Bluetooth®. The system also includes voice control and both aux-in and USB sockets.

Varioflex. The Varioflex system provides Yeti Outdoor with an extremely flexible and functional array of seat positions. There are over 20 different seating combinations.

For more information visit skoda.co.uk/business

Note: Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue®.

Note: A temporary space saver spare wheel can be ordered as an option with this model. Please note this cannot be combined with a variable boot floor and the tyre repair kit will be removed. A space saver includes a false floor. Temporary space saver spare wheels are restricted to 50mph. For further details please check page 28.

◇ Standard EU Test figures are for comparative purposes and may not reflect real driving results. Please see page 30 for further details.

◇◇ Please see page 34 for further details on VED, OTR, BiK and P11D.

Calculating your tax liability

To find out how much tax you will pay, simply take the P11D value, then multiply this figure by the BiK percentage. Then simply multiply this figure by 20% or 40% depending on the level of income tax that you pay.

Please note if your employer provides you with free fuel, this is treated as an additional taxable benefit.

For more information on company car taxation please visit the HM revenue and customs website hmrc.gov.uk

BiK calculation example - Yeti Outdoor SE Technology 2.0 TDI 110PS SCR

P11D value	£20,450.00
Company Car BiK tax based on CO ₂ emission level	23%
Taxable BiK (for 2016/2017 tax year): 23% of £20,450.00	£4,703.50

Annual company car tax (2016/17)

20% Income Tax: 20% of £4,703.50	£940.70
40% Income Tax: 40% of £4,703.50	£1,881.40

Monthly company car tax (2016/17)

20% Income Tax: £940.70 divide by 12 months	£78.39
40% Income Tax: £1,881.40 divide by 12 months	£156.78

Body type 5 door, two compartment, 5 seater

Drag coefficient

2.0 TDI 110PS 0.360

2.0 TDI 150PS 4x4 0.365

Official fuel consumption for the Yeti Outdoor SE Technology range in mpg (litres/100km)*:

urban 44.8 (6.3) - 53.3 (5.3);

extra urban 56.5 (5.0) - 68.9 (4.1);

combined 51.4 (5.5) - 62.8 (4.5).

CO₂ Range 144 - 118g/km

We measure the maximum power output figures of our engines in PS or Pferdestärke (horse strength in German), which is the metric equivalent of bhp. To convert from metric to imperial horsepower, divide the PS figure by 1.0139.

AdBlue®: Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue® which must be kept topped up and may require refilling between services.

AdBlue® is a non-toxic, non-flammable, biodegradable urea and water-based liquid additive that processes the gases in a car exhaust system to remove harmful nitrogen oxide (NOx) emissions. Please contact your local ŠKODA retailer for more information.

VED (Vehicle Excise Duty)

Band	CO ₂ (g/km)	First 12 Months ¹	Standard VED ²

Owning a ŠKODA

We make sure it's easy, fun, and stress-free.

Network capability

You can enjoy our award-winning customer service through our network of around 150 Authorised Repairers.

As a ŠKODA customer, you will be looked after by your retailer from the moment you walk through the door and throughout the life of your ŠKODA. Your new car will be serviced and maintained by specially trained ŠKODA technicians. And when you need a spare part, you'll be happy to know that most are held in stock, or can be ordered within 24 hours.

The ŠKODA Customer Promise is a commitment from our retailers to offer:

- > Care and consideration for you and your car
- > A flexible and convenient service
- > Expertise and attention to detail
- > A clear explanation of our work

Roadside Assistance

A three year, European-wide, unlimited mileage ŠKODA Assistance policy comes free of charge with every new ŠKODA.*

There's a team of specially trained Technicians who carry the right diagnostic equipment and parts to get you back on the road as quickly as possible in the unfortunate event of a breakdown.

Warranty

When you buy your new ŠKODA through our authorised retailer network, it is automatically covered by a three year, 60,000 mile manufacturer's warranty.**

There's no mileage limit on the warranty in the first two years and for additional peace of mind there's a 12 year body protection warranty.

You can even extend your warranty to four or five years, see the option page for prices and page 35 for further details.

Warranty cover from new			
First 2 years	First 3 years	4-5 years	Up to 12 years
Unlimited mileage	3 years or 60,000 miles, whichever is sooner	Optional Extended Warranty	Body Protection Warranty

Further information

You can find lots of additional information about owning a ŠKODA on our website at skoda.co.uk. Our retailers are always happy to help with any questions, backed up by our dedicated Customer Service Centre. We look forward to hearing from you soon.

Call: 03330 037 504

Email: fleetcustomerservices@skoda.co.uk

Open 8.30am - 5.30pm

Customer services

Talk to us on 03330 037 504

No matter what the query, our dedicated call centre is always ready to listen. No matter how big or small the request, speak to one of our customer care advisors to see if they can help. The call centre is open from 8.30am-5.30pm. If you're calling out of hours, then a message can be left and we'll contact you.

Peace of mind with a ŠKODA warranty

In the first two years of owning your car, you'll get the peace of mind of a two year unlimited mileage warranty*. In addition, you'll also get a further warranty on new vehicles supplied through the appointed dealer network until the vehicle has completed 60,000 miles or the end of the third year, whichever is sooner.

Your car also benefits from a 3 year paint warranty and 12 year body protection warranty.

A network that's here to help

With 17 years in the top 10 of JD Power's customer satisfaction survey, our network of approximately 150 authorised repairers know how to treat a customer. You can be sure that as a ŠKODA customer, your retailer will look after you from the moment you walk through the door, throughout the life of your ŠKODA. Your car will be serviced and maintained by specially trained ŠKODA technicians. And when you need a spare part you'll be happy to know that most are held in stock, or can be ordered within 24 hours. So if top class customer satisfaction is what you're after, the ŠKODA network will be there for you.

Motability

People in receipt of the Higher Mobility Component of the Disability Living Allowance receive special help from ŠKODA. Preferential prices on low cost Contract Hire are available through your local approved Motability retailer. For full details, contact your retailer.

If your ŠKODA's in trouble, rely on ŠKODA Assistance

Completely free of charge, every new ŠKODA is covered by ŠKODA Assistance. This cover lasts for 3 years, with no mileage limit. So if you ever break down, you can use the freephone number to call out someone who really knows about ŠKODA cars to help. This service is even available in Europe, so you don't need additional breakdown cover when you're driving on the continent.

Financing your ŠKODA

We all know that times are hard, so ŠKODA Financial Services specialises in providing funding solutions for ŠKODA drivers. Regardless of whether you're a private or business user, you can choose from a range of funding options.

Finance products available are:

- Solutions Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all ŠKODA Financial Services products you can choose a fixed-cost maintenance plan designed to help you budget accurately. No matter what finance product you choose, your local ŠKODA retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs. ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Registered in England number 2835230.

An offer of finance depends on certain conditions. Finance subject to status. Available to 18s and over. Terms and conditions apply. ŠKODA Financial Services. * Exclusions and terms and conditions apply. For details see Warranty section on this page or speak to your local ŠKODA retailer.

◊ We recommend that you seek independent tax advice. ◊Subject to terms and conditions, including mileage and condition of vehicle. An offer of finance depends on certain conditions. Finance subject to status. Available to 18's and over in the UK only. Terms and conditions apply. ŠKODA Financial Services. ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited. Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Registered in England number 2835230.

Motor Insurance from ŠKODA Financial Services is sold and administered by Ageas Retail Limited, registered in England and Wales No. 1324965. Registered office: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA. Ageas Retail Limited is authorised and regulated by the Financial Conduct Authority (FCA), registration number 312468. Volkswagen Financial Services (UK) and Ageas Retail Limited are not part of the same corporate group.

** The entitlement plan includes one oil service and one oil and inspection service. Monthly payments are spread over 18 months. All cars must be set to time and distance servicing. Terms and conditions apply. Offer is available to retail customers only from participating ŠKODA Retailers. Offers may be varied or withdrawn at any time. Freepost ŠKODA Financial Services.

Warranty

Exclusions and limitations

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark plugs, batteries for key fobs and alarms, light bulbs and shock absorbers.

Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, ignition adjustment, headlight adjustment, steering geometry adjustments and wheel balancing are excluded.

Damage (including but not limited to the following) is excluded:

- > Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- > Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- > Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- > Damage caused by an accident.
- > Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- > Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, loss of personal effects or income are not recoverable under the terms of the warranty.

Service Intervals

When you order your ŠKODA, you can choose whether your car is on a fixed or a flexible service regime. Your retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: Service every 10,000 miles or one year (whichever comes first). This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum **and/or**
- > Mainly short journeys, drive mostly in towns or cities **and/or**
- > High vehicle loading/towing and frequent hill climbs **and/or**
- > Heavy accelerating and braking, using high revs

Flexible regime: Sensors in the engine detect when a service is needed. You will be informed of this by a service light which will show at any point between 9,000 and 20,000 miles, up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. The vehicle service regime does affect the entitlement service plan** if you choose to purchase this.

* Provided in partnership with the AA. Exclusions and terms and conditions apply. For details please speak to your local ŠKODA retailer.

** Exclusions and terms and conditions apply. For details see page 35 or speak to your local ŠKODA retailer.

Band	CO ₂ (g/km)	First 12 Months ¹	Standard VED ²
A	Up to 100	£0	£0
B	101 – 110	£0	£20
C	111 – 120	£0	£30
D	121 – 130	£0	£110
E	131 –140	£130	£130
F	141 – 150	£145	£145
G	151 – 165	£185	£185
H	166 – 175	£300	£210
I	176 – 185	£355	£230
J	186 – 200	£500	£270
K	201 – 225	£650	£295
L	226 – 255	£885	£500
M	Over 255	£1,120	£515

OTR (Recommended On The Road)
Recommended 'On the Road' prices include delivery, 12 months Road Fund Licence, DVLA First registration Fee (at £55), and apply to the United Kingdom only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current ŠKODA UK stock. The VED bands are shown in the table opposite.

¹ First year vehicle licence rates for petrol and diesel cars purchased on or after 1st April 2016. First year rate or 'showroom tax' applies to new car purchases only.

² Rate reverts to the Government's applicable Standard VED rate in subsequent years.

Edition:UK 1st April 2016. VAT is calculated at 20%. Please confirm figures with your ŠKODA Retailer.

Company car tax is based on your cars carbon dioxide emissions. The higher the car's emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes.

To help you work out your tax liability please refer to page 13 Octavia, page 20 Superb and page 27 Yeti Outdoor.

P11D (Expenses and Benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)
The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2016/2017.

ŠKODA Financial Services Contract hire. Because we know your business is unique.

Now that you've chosen your ŠKODA, you will want to know the best possible way to finance it – and exactly how much it will cost you to look after it.

So who better to finance your vehicle than those who built it?

Whether you manage a fleet or run your own business, all our finance plans are designed to allow you the peace of mind to concentrate on what's really important – keeping your company moving forwards.

If you want to run a ŠKODA without worrying about its future value or the hassle of eventually selling it, a contract hire agreement could be for you.

We'll agree a plan of fixed monthly rentals lasting for one year to four years that fits with you and your business needs. At the end of the contract you simply hand the car back, subject to mileage and vehicle condition, and start a new agreement on a brand new ŠKODA.

You can also budget ahead adding servicing, maintenance and tyre costs to your agreement. It may even be possible for your business to recover the VAT on these elements^o.

What happens at the end of my agreement?

At the end of your agreement you just pay any outstanding fees and hand the vehicle back to ŠKODA Financial Services^o.

> How does it work?

Cost of your vehicle

ŠKODA Financial Services also offers hire purchase, finance lease and Solutions personal contract plan. Speak to a member of the team for more information.

For more information about contract hire and for a personalised quote please visit your ŠKODA Retailer or contact ŠKODA Business Direct on 0800 915 6897.

^oSee notes on page 35 for more details.

Free Insurance for 3 years.

No-one likes to think about their ŠKODA being damaged in an accident. But if it was you'd no doubt want it repaired to ŠKODA standards, by a ŠKODA trained technician using only ŠKODA genuine parts. That's why we came up with Insurance - ŠKODA's free accident and repair cover.

Insurance works alongside your existing comprehensive motor insurance policy, no matter who you are insured with, to help get you back on the road as smoothly as possible. Better still, it's free for three years and is available on both new and older models.

Your free Insurance cover includes:

- > Guaranteed use of a ŠKODA approved repairer, ŠKODA trained technicians and the use of genuine ŠKODA parts and paints
- > A dedicated Claims Manager who will help look after your claim
- > Help to recover any uninsured losses with our Legal Expenses Cover
- > An Online claims tracker so you can keep up to date with the status of any claim

To benefit from Insurance you'll need to activate your free cover which takes less than a minute.

We hope you don't ever have to use your policy but it's nice to know it's there - just in case.

Remember to call us first, Insurance will help deal with the rest

Your car is **guaranteed** to be repaired by a ŠKODA approved repairer. Only **genuine ŠKODA parts will be used**.

For more information and to take out cover today visit skoda-ensurance.co.uk

ŠKODA Insurance^o. Have a safe trip.

We want you to start enjoying your new car from day one and thanks to ŠKODA five day insurance you can. To activate simply call 0330 303 6920, provide us with a few details, and we'll send a cover note to your retailer. They will then tax your car and you can drive it away. Telephone lines are open Monday to Friday 8am – 8pm and Saturday 9am – 4pm. For details of our full range of insurance products visit insurewithskoda.co.uk.

But remember, our annual cover could make that peace of mind last the whole year. For details of our full range of insurance products please visit insurewithskoda.co.uk or for a quote call us free on 0330 303 6921.
