**A CAR THAT TRULY EARNS ITS NAME.**

Imagine a car that blurs the line between beauty and functionality. Where style and space are in perfect harmony. Where there's room for everything except compromise. Welcome to the new ŠKODA Superb.

Sculpted by a new, more emotional, design language, the Superb takes its place at the top of the ŠKODA range. As well as being incredibly stylish, it's also the most spacious and comfortable ŠKODA yet – perfect for family and business alike. And being a ŠKODA, this car showcases our finest Simply Clever thinking, and is the most technologically sophisticated model we have ever produced.

# EXTERIOR DESIGN

The ŠKODA designers responsible for the new Superb were set a clear task: to create a ŠKODA revolutionary in terms of both technological sophistication and design. The result of their efforts is the new Superb; taking ŠKODA's design language to a completely new level.

The sleek contours of the door mirrors with integrated indicators give the new Superb a sporty look, whilst maintaining total functionality.

Further enhance the feeling of space within the new Superb Estate with the Panoramic sunroof, optional on SE, SE L Executive, SportLine and Laurin & Klement.

Three types of headlights and two styles of taillights are available for the new Superb, each unique in technology and style. The higher-end options celebrate the renowned Bohemian glass-cutting skills.

Precise and horizontal lines highlight the athletic build of the new Superb. The LED technology combined with the crystalline design elements in the distinctive C-shaped rear lights further adds to the feeling of poised elegance.

The perfectly balanced proportions, sporty silhouette and striking headlights result in an extraordinary dynamic profile filled with emotional appeal.

The imposing lines of the bonnet are complemented by the stunning contours of the headlights and equally crisp front fog lights - their design paying homage to the tradition of Czech glass making.

Crystalline elements also appear in the design of the taillights. The reverse light and the LED part of the fog lights, are hidden behind decorative 'gems', making the Superb's lighting signature even more distinctive.

TRAVEL IN SPACE.

# INTERIOR DESIGN

# COMFORT

Loaded with thoughtful features, the new Superb delivers exceptional comfort, whether it's staying relaxed during long journeys or being entertained whilst on the move.

The 3 spoke multifunction steering wheel wrapped in leather and adorned with chrome elements puts sheer driving pleasure at your fingertips. For even more comfort on models with automatic transmission, it's possible to upgrade to a steering wheel with DSG paddles.

Models shown are not UK specification.

With Tri-zone climate control you can set different temperatures for the driver, front and rear passengers. It's also fitted with a humidity sensor, which reduces windscreen misting. Tri-zone climate control is optional on SE and SE L Executive and SportLine, and standard on Laurin & Klement

Cars equipped with KESSY (Keyless entry, start and exit system) feature a Start/Stop button on the steering column for keyless starting and switching off the engine. KESSY is optional on SE and SE L Executive, and standard on SportLine and Laurin & Klement.

Make your space more comfortable with soft, harmonious ambient lighting. These lights run along the inside of the car, setting the perfect mood for any journey. Ambient lighting is available as part of the LED package plus, optional on SE L Executive and standard on SportLine and Laurin & Klement.

The electrically adjustable front driver's seat with built in memory, optional on SE and standard on SE L Executive, SportLine and Laurin & Klement, can store three different seating and door mirror positions. An electrically adjustable front passenger seat is also available as an option on SE and SE L Executive, and is standard on Laurin & Klement.

Boarding spots are integrated into the door mirrors and are designed to illuminate the area below the door. This handy feature, standard from SE, means you can always see where you are stepping, even in the dark.

Folding door mirrors, standard from SE, retract automatically when you lock the car, which is especially useful when parking in busy areas.

# INTERIOR STORAGE

There's a place for everything, even in your car. The new Superb features a multitude of compartments, pockets and holders, keeping your elegant interior tidy and your belongings safe.

The Superb features ingenious compartments with two original umbrellas fitted inside both front doors as standard from SE.

The glovebox can also be cooled during a journey whilst the air conditioning is on.

A spacious storage compartment is housed in the front armrest, within which you can store items safely, or keep them cool. Two cup holders can also be found in the centre console.

Each front door includes a 1.5 litre bottle holder within the spacious compartment.

Models shown are not UK specification.

# SAFETY

Safety is a priority and with 7 airbags as standard, you may certainly rely on the new Superb's passive safety systems. Should you wish, you can also add two more rear side airbags with Crew protection assist.

The front and rear side airbags are designed to protect the pelvis and chest of the driver and other passengers in the event of a side collision. Rear side airbags are available as an option along with Crew protection assist.

While the driver airbag is enclosed in the steering wheel, the passenger airbag is located in the dashboard. If needed, this can be deactivated whilst using a child seat in the front.

The knee airbag, located under the steering wheel column, is designed to protect the driver's knees and shins.

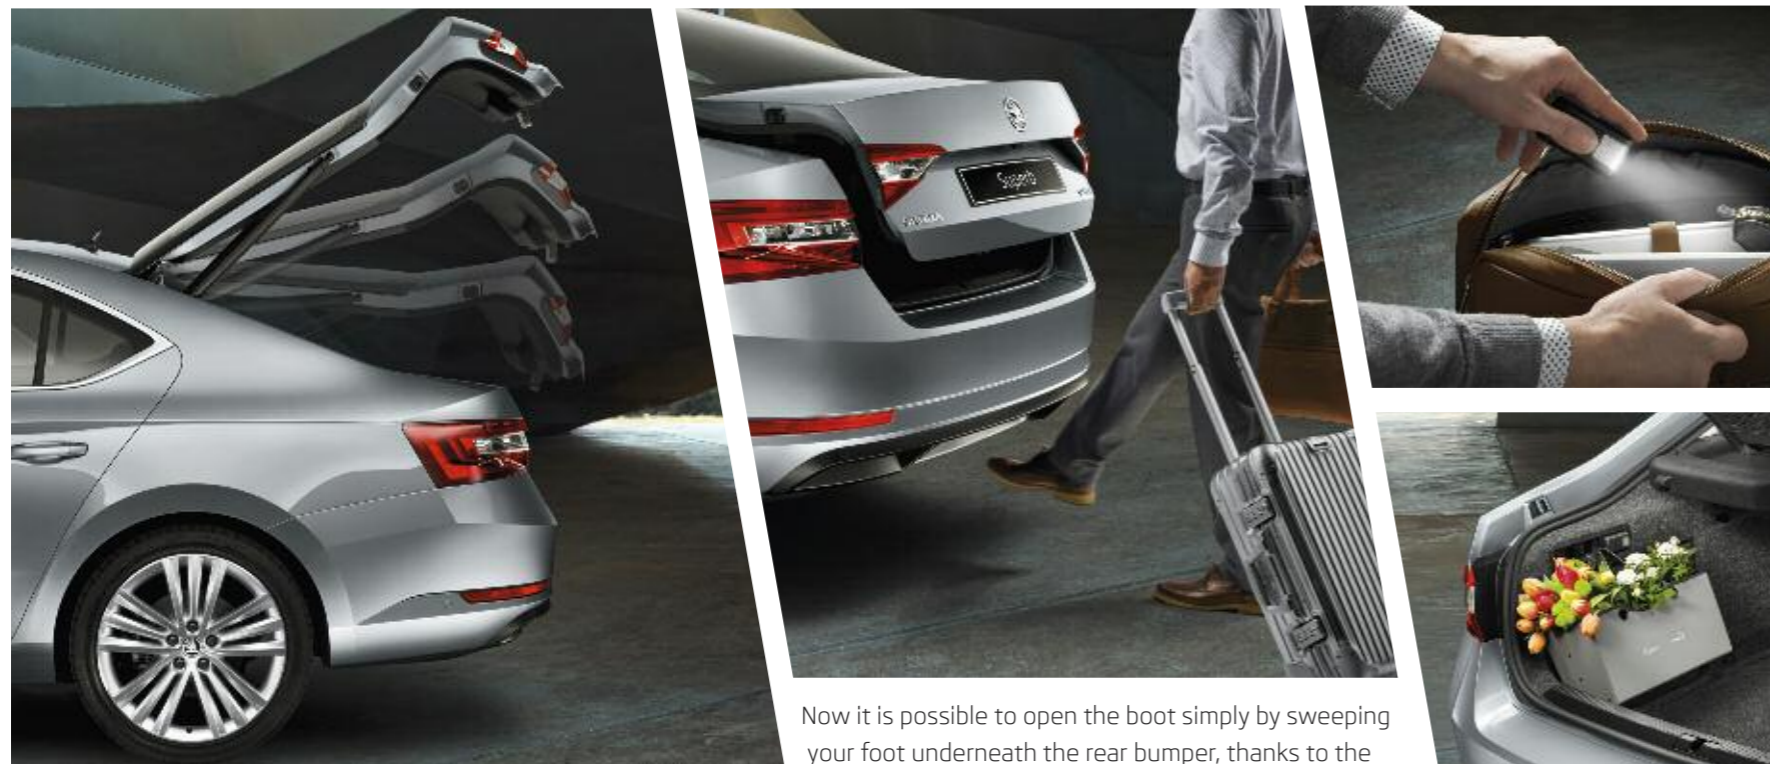

Models shown are not UK specification.

# LUGGAGE COMPARTMENT

The new Superb is at the top of its class for boot space; the Estate offers a capacity of 660 litres, stretched to 1,950 litres with the rear seats folded down. For added practicality we have also added Simply Clever solutions that make handling luggage even easier.

A practical removable LED flashlight can be found on the left side of the luggage compartment. It recharges automatically while the engine is running.

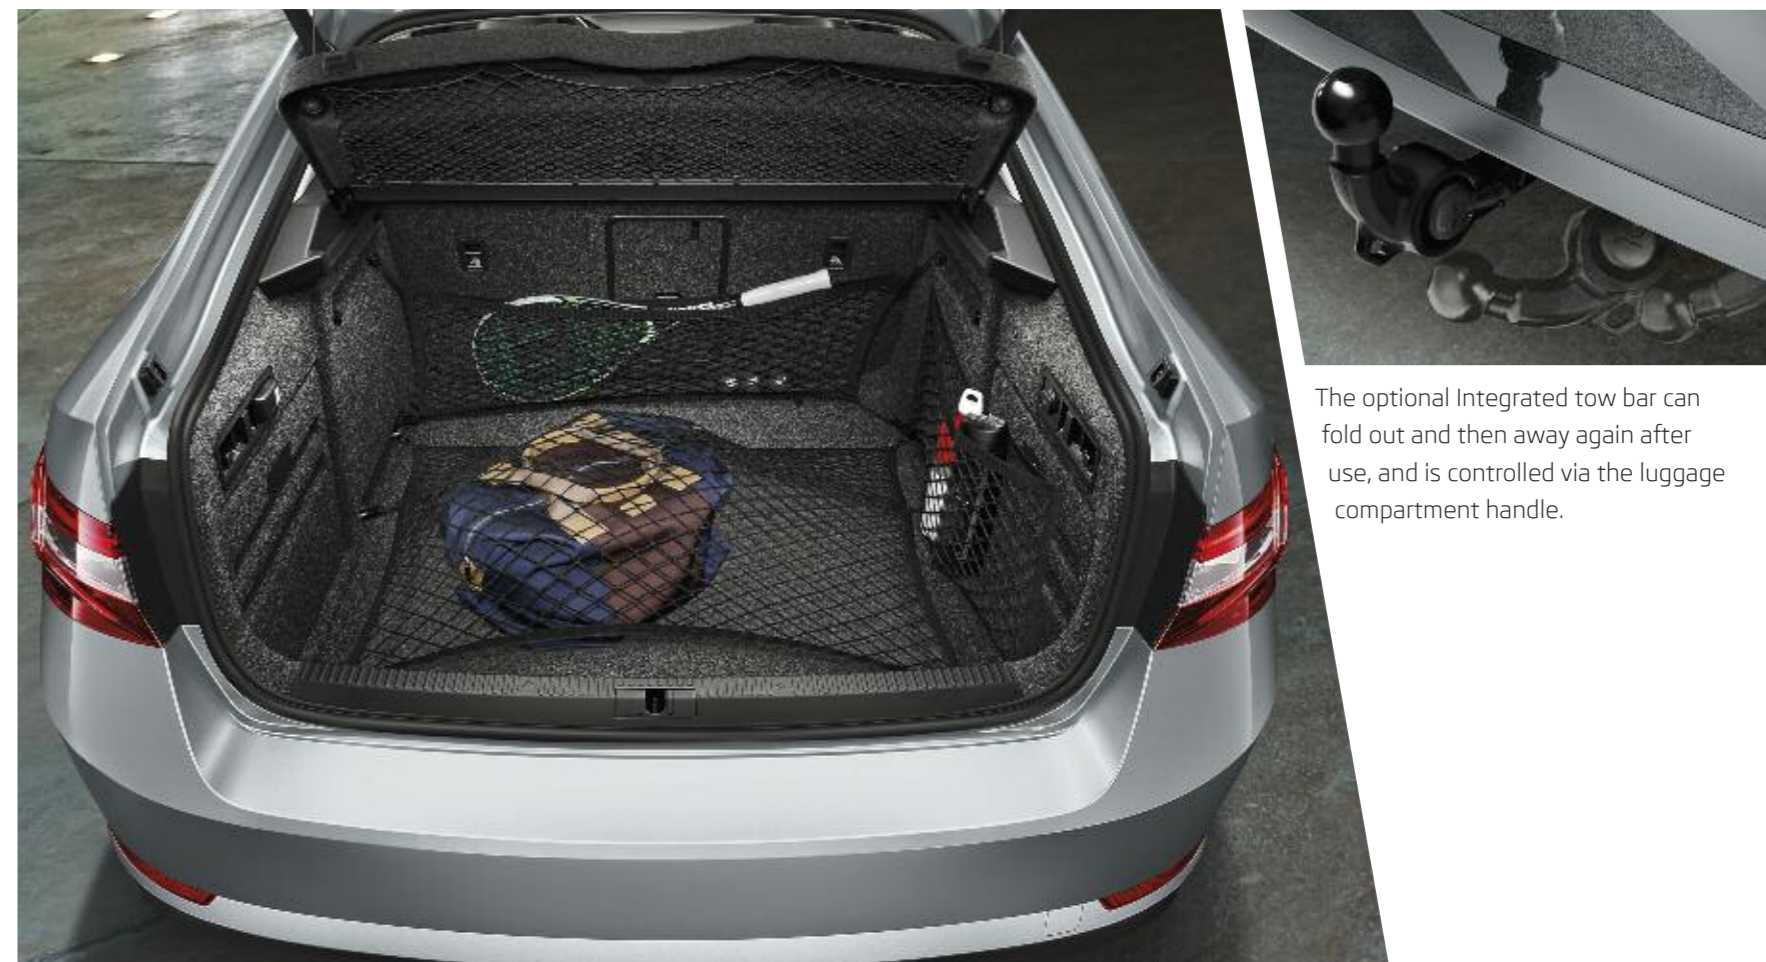

Now it is possible to open the boot simply by sweeping your foot underneath the rear bumper, thanks to the new Virtual Pedal. This feature enables contact-free access and is available with electrically-operated boot and KESSY (Keyless entry, start and exit system). Virtual pedal is optional on SE, SE L Executive and SportLine and standard on Laurin & Klement.

Foldable hooks, located on the sides of the luggage compartment, make it much easier to secure and transport items.

The electrically-operated boot can open and close automatically without you having to touch it. You can also adjust the height of the open position to suit your needs. Electrically-operated boot is optional on S, SE and SportLine and standard on SE L Executive and Laurin & Klement.

Models shown are not UK specification.

The Boot net programme, optional on SE and SportLine and standard on SE L Executive and Laurin & Klement, increases the flexibility of the luggage space while tightly securing objects. It includes one horizontal and two vertical nets.

The optional Integrated tow bar can fold out and then away again after use, and is controlled via the luggage compartment handle.

# INFOTAINMENT

You can communicate, work or entertain yourself with ease on board the new Superb. The new generation of radio and navigation systems brings a greater level of connectivity so you can enjoy the best functions of your mobile devices on-the-go. Rear passengers can connect their devices, too.

SmartGate† is an option that uses Wi-Fi connection to send selected vehicle data to a connected device. Special mobile apps are available which allow you to analyse driving data and performance to find out more about your driving style. Examples of data available include vehicle speed, engine revs and g-meter. The SmartGate applications are available free of charge from App stores.

Models shown are not UK specification.

The optional Wireless phone charging, Bluetooth®+ with Phone box amplifies your phone signal for better quality handsfree calls, whilst wirelessly charging Qi enabled handsets†.

SmartLink† delivers an elegant connection between car and smartphone using MirrorLink™, Apple CarPlay and Android Auto interfaces. Whether you want to select and listen to music on your smartphone or receive turn-by-turn directions via a navigation app, all of this is mirrored on the central display. SmartLink is standard from SE.

MirrorLink

Works with  
Apple CarPlay

android auto

The optional Media Command application enables you to control the infotainment in the car from your tablet or smartphone using WiFi, wherever you sit. It's available with the Columbus navigation system.

The Bolero radio, standard on SE, features a 8.0" colour touch-screen display with DAB, AM and FM tuners, USB/aux-in connection, Apple CarPlay and Android Auto connectivity, SD card slot and Bluetooth®.

The accessory tablet holder enables you to securely fit your device to the rear armrest or the front seat headrest, which will keep rear passengers entertained throughout any journey. For the first time, through the optional premium WLAN with SIM card slot, you can also turn your new Superb into a mobile Wi-Fi hotspot, which allows multiple devices to connect to the internet whilst on the move.

The Columbus navigation system, optional on SE and standard on SE L Executive, SportLine and Laurin & Klement, offers comfortable touch control on an 8.0" colour TFT display. It has two SD card slots, a DVD drive and includes integrated Wi-Fi as well as SmartLink†.

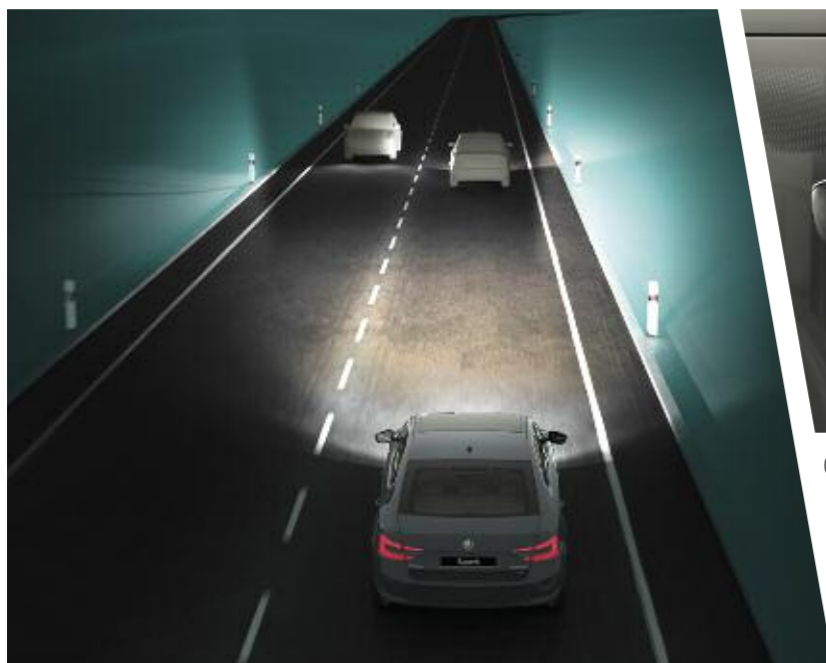

Enjoy great sound clarity, whether it's music or the spoken word, with the Canton sound system which includes twelve speakers, including a central speaker and subwoofer in the luggage compartment. The Canton sound system is optional on SE, SportLine and SE L Executive, and standard on Laurin & Klement.

† For more information about SmartLink, SmartGate and phone compatibility please visit [skoda.co.uk/superbtechnology](http://skoda.co.uk/superbtechnology)

# ASSISTANCE SYSTEMS

The new Superb puts a host of innovative assistant systems at your service, offering greater convenience and safety than ever before.

Now you can use high beam for longer without blinding incoming traffic. The optional Smart light assist can not only switch between the lighting functions but can also dim the high beam, using a multifunction camera located behind the rear-view mirror. Smart light assist works when activated at speeds over 37mph, with the light switch in the AUTO position.

Other assistance systems that use the multifunction camera include Lane assist, for keeping the car in the right lane, and Travel assist for traffic sign recognition and display. Lane assist is optional on SE, SE L Executive and SportLine and standard on Laurin & Klement, whilst Travel assist is optional on all trims excluding S.

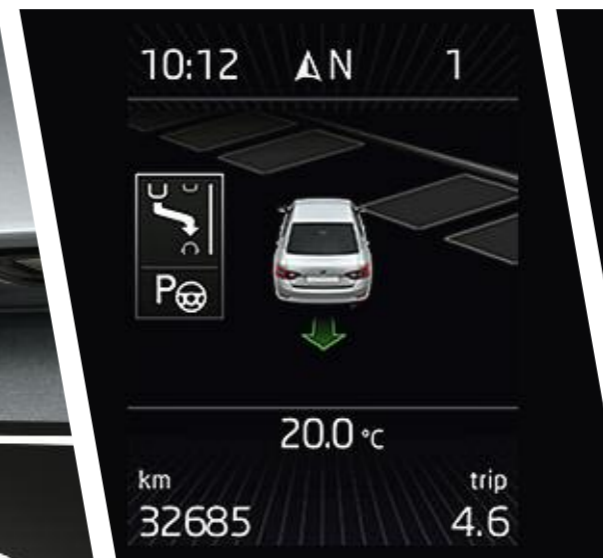

Front assist, which is standard across the range, monitors distance from the vehicle ahead and automatically slows down or warns the driver of a potential danger of collision or, if a collision is inevitable, minimises its consequences by braking. The system works when activated if the vehicle is moving forwards at a speed of more than 3mph.

Adaptive Cruise Control (ACC) is standard from SE and builds on the basic cruise control function by using the radar in the front bumper to maintain a safe distance from vehicles in front of you. The system works when activated if the vehicle is moving forwards at a speed of more than 15mph, and either second gear or higher is selected on manual transmissions or the selector lever is in the D/S position on DSG transmissions.

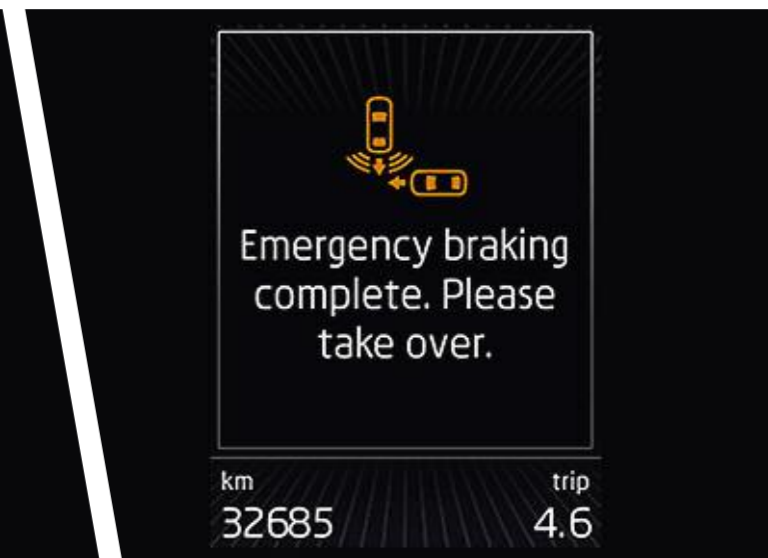

The standard Multi-collision brake system makes use of the Electronic Stability Control (ESC). If the driver's or front passenger's airbag is activated due to an impact, the system starts braking to prevent further uncontrolled movement of the vehicle and thus reduce the likelihood of further collisions.

Enjoy easier parking by equipping your car with the optional Rear-view parking camera, which is located on the handle of the boot. It monitors the space behind the car and indicates the driving lanes, based on the vehicle width.

Minimise the hassle of parking in tight spaces with Park assist. It automatically selects an appropriate parking place in a row of parallel or perpendicularly parked vehicles. When parallel parking, it only needs a space between 50-150cm longer than the car itself. Park assist is optional on SE, SE L Executive and SportLine and standard on Laurin & Klement.

Blind spot detection is optional on SE, SE L Executive and SportLine, and standard standard on Laurin & Klement, and works over speeds of 9mph using radar sensors in the rear bumper to monitor the blind areas behind and beside the car. Based on the distance and speed of the surrounding vehicles, it decides whether or not it should warn the driver, with optical or acoustic signals. The Rear traffic alert feature (shown above), using the same radar sensors, helps you reverse safely from a bay parking space with poor visibility. It can even engage the brakes automatically if it detects imminent danger, at speeds under 6mph.

Please note that all assistance systems are a driver's aid and do not replace human judgement. The driver must be in full control of the vehicle at all times and has full responsibility for the car. For detailed information regarding these systems, please consult the vehicle owner's manual.

Models shown are not UK specification.

### Standard Equipment

#### DESIGN

16" Orion alloy wheels with anti-theft wheel bolts (16" x 6.5) with 215/60 R16 tyres)  
 Body coloured door mirrors and door handles  
 Halogen headlights with daytime running lights  
 Front fog lights  
 LED rear lights  
 Radiator grille frame in black design  
 Black roof rails (Estate only)

#### COMFORT & CONVENIENCE

3 spoke leather multi-function steering wheel  
 Cloth upholstery  
 Electromechanical parking brake  
 Removable LED flashlight in boot  
 Small leather package  
 Aero front windscreen wipers with intermittent function

Rear window wiper (Estate only)  
 Glovebox (illuminated and cooled)  
 Front armrest with storage box  
 Overhead glasses storage compartment  
 Ticket holder on A pillar  
 12V sockets in centre console (front and rear)  
 Split and folding rear seats  
 Illuminated luggage compartment  
 Interior lights with control switches  
 Removable parcel shelf  
 Ice scraper in fuel filler cap  
 Manual air conditioning  
 Height adjustable driver and front passenger seats  
 Electric front and rear windows  
 Electrically adjustable and heated door mirrors with integrated indicators

#### SAFETY & SECURITY

ESC inc. ABS, EBV, MSR, ASR, EDS, HBA, DSR, RBS, CBC, multi-collision brake (MKB) & Autohold  
 XDS+  
 7 airbags - Front, front side, curtain, driver's knee (with front passenger deactivation switch)  
 Height adjustable front and rear head restraints  
 ISOFIX child seat fittings on outer rear seats  
 Tyre pressure monitoring system  
 Alarm with interior monitoring, tilt sensor and back up horn  
 Electronic engine immobiliser  
 Electromechanical power steering  
 Driver and front passenger seat belt warning light  
 Tyre repair kit (no spare wheel)  
 Remote central locking (with 2 keys) and SAFE (preventing unlocking from inside)

#### TECHNOLOGY

Bluetooth®  
 DAB digital radio  
 Front assist (including automatic braking function)  
 Maxi-DOT trip computer  
 Stop/Start engine system and energy recovery  
 Swing radio with 5" touchscreen, 2-DIN radio, MP3 player, AUX-IN, USB and SD card

#### SERVICING & WARRANTY

3 years / 60,000 mile warranty  
*Exclusions and terms and conditions apply. Please see page 39 for further details*  
 Flexible servicing

#### GreenLine has the following additional features:

17" Drakon alloy wheels with anti-theft wheel bolts  
 Super ROWI SEAL tyres (no tyre repair kit)  
 Cornering front fog lights  
 Sunset glass  
 GreenLine badge at rear  
 Rear spoiler

### Standard Equipment (over SE)

#### DESIGN

19" Vega alloy wheels with anti-theft wheel bolts  
Bi-Xenon headlights with AFS (adaptive front light system) and LED daytime running lights  
Headlight washers  
LED exterior light package (extended LED rear lights and LED registration plate illumination)  
Exterior gloss black sports styling including front grill, side strip, window surrounds and door mirrors  
Exterior SportLine badging  
Rear exhaust diffuser with 2 visible exhaust pipes  
Gloss black rear spoiler (Hatch only)  
Gloss black roof rails (Estate only)

#### COMFORT & CONVENIENCE

3 spoke leather supersport multifunctional steering wheel with silver stitching (including gear paddles for DSG models)  
Alcantara sports seats in black with silver diamond stitching  
Black roof headlining  
Carbon optic interior elements  
Electrically adjustable driver's seat with memory and lumbar support  
Electrically adjustable, heated and folding door mirrors with memory function  
LED interior light package (LED ambient lighting in 10 colours, front and rear reading lights, footwell lighting, door handle illumination and vanity mirror lighting)  
Sunset glass

#### TECHNOLOGY

Colour Maxi-DOT  
Columbus satellite navigation system with 8" touchscreen, DAB radio, AUX-IN, USB, 2 SD card slots, DVD drive and integrated Wi-Fi via tethering  
Drive mode selection including HMI Sport  
KESSEY  
Sport chassis including 2-level ESC  
SmartLink connectivity with Apple CarPlay and Android Auto

The SportLine's fusion of style and performance is epitomised by the 19" Vega alloy wheels.

The LED interior light package can illuminate the door trim and surrounding dashboard in a choice of 10 colours.

Exclusive to SportLine - the Performance Monitor helps provide driver information such as oil and coolant temperature and even G-force acceleration.

Please note CO<sub>2</sub> emissions can change if a different size alloy is ordered. This may potentially lead to a change in the VED and BiK amount payable. A change in VED may increase the Recommended On The Road (ROTR) price. Please refer to pages 35 and 36 for more details.

<sup>◇</sup> Standard EU test figures are for comparative purposes and may not reflect real driving results. Please see page 34 for further details.  
<sup>◇◇</sup> Please see page 35 and 36 for further details on VED, OTR, BiK and P11D.

Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue®. For further details please see page 34.  
A temporary spare wheel can be ordered as an option.

This provides better sound quality during phone calls and helps to improve phone battery life</i>	-	○	○	○	○	£250.00	£300.00
Premium WLAN with integrated high-speed LTE internet† <i>Includes SIM card slot and rSAP profile compatibility to provide high-speed LTE internet. Only available in combination with Columbus satellite navigation system</i>	-	○	○	○	○	£291.67	£350.00
Media command <i>Allows wireless control of selected functions of the Columbus satellite navigation system using a mobile device via a wireless Wi-Fi technology. It is possible to access the following functions: media, navigation, radio and audio settings. The Media Command application is available free of charge from app stores. Please check software and device compatibility in the app store</i>	-	○	○	○	○	£70.83	£85.00
CANTON sound system <i>Tailor-made for the Superb, this sound system delivers a total output of 610W and features a 10 channel digital amplifier and 12 speakers: 6 front, 4 rear, 1 in the dashboard and a 200W subwoofer in the boot. Includes 12 pre-set sound profiles, vehicle noise cancellation and 3D surround sound. Delivers Dolby 5.1 surround sound when combined with Columbus satellite navigation system</i>	-	○	○	○	●	£500.00	£600.00
SmartGate <i>Uses Wi-Fi connection to send selected vehicle data to a connected device. Special mobile apps are available which allow you to analyse driving data and performance to find out more about your driving style. Examples of data available include vehicle speed, engine revs and g-meter. The SmartGate applications are available free of charge from app stores. Please check software and device compatibility in the app store. For more information about SmartGate please visit <a href="http://skoda.co.uk/superbtechnology">skoda.co.uk/superbtechnology</a></i>	-	○	○	○	○	£83.33	£100.00
TV Tuner <i>Displays DVB, DAB and DMB-DTV broadcast formats whilst the vehicle is stationary. Only available in combination with Columbus satellite navigation system, rear view parking camera, rear windscreen wiper and LED package rear</i>	-	○	○	○	○	£708.33	£850.00
Colour Maxi DOT trip computer	-	○	○	●	●	£70.83	£85.00
<b>Driver Assistance</b>							
Rear parking sensors	○	●	●	●	-	£291.67	£350.00
Front and rear parking sensors	-	○	○	○	●	£291.67	£350.00
Rear-view parking camera <i>only in combination with rear wiper and LED package rear</i>	-	○	-	-	-	£416.67	£500.00
	-	-	○	○	○	£291.67	£350.00
Park assist <i>Parks the car in parallel or bay spaces. Includes front and rear parking sensors</i>	-	○	○	○	●	£491.67	£590.00
Lane assist and Blind spot detection <i>Lane assist is a camera-based function which is designed to keep the vehicle within its lane and, if necessary, alert the driver of an unwanted lane change. Blind spot detection uses a radar to prevent the driver from failing to notice a car in the blind spot behind or beside the car and, if necessary, provide a warning signal to the driver in the outer corner of the wing mirrors. Only available in combination with electrically adjustable front seats</i>	-	○	○	○	●	£708.33	£850.00
Light assist with High beam control <i>Assesses the light conditions and traffic situation and automatically switches on and off the high beams. Only available in combination with electrically adjustable front seats</i>	-	○	○	○	-	£208.33	£250.00
Smart light assist <i>Uses the multifunction camera to detect when to switch between low and high beams automatically and prevents other drivers from being blinded by the vehicles lights. Also adds further decorative illuminated LED strips to the headlights for a more distinctive look. Includes Lane assist and Blind spot detection. Only available in combination with Bi-Xenon headlights and electrically adjustable front seats</i>	-	○	○	○	-	£791.67	£950.00
	-	-	-	-	○	£83.33	£100.00

## Factory Fitted Optional Equipment (continued)

Options	S	SE	SE L	SportLine	L&K	Basic ex VAT	RRP inc VAT
<b>Driver Assistance</b>							
Travel assist with Traffic sign recognition and display <i>Uses the multifunction camera to recognise and display traffic signs on the Maxi DOT and navigation displays. Only available in combination with a satellite navigation system and electrically adjustable front seats</i>	-	○	○	○	○	£70.83	£85.00
Cruise control with speed limiter	○	-	-	-	-	£166.67	£200.00
Tri-zone climate control <i>Allows three autonomous thermal comfort zones to be set: driver, front passenger and rear passenger. Temperature range available is 16 - 29.5 °C and the rear temperature setting can be deactivated in the infotainment system when not in use. Not available on GreenLine</i>	-	○	○	○	●	£250.00	£300.00
Heated windscreen washer nozzles	-	○	○	○	○	£41.67	£50.00
Heated windscreen <i>Designed to quickly defrost or demist the windscreen. A thin metal-coated layer is used throughout the glass area and heats whilst the engine is running. This also reflects heat when warm outside to help keep the interior cool. Only available in combination with heated seats</i>	-	○	○	○	●	£250.00	£300.00
KESSY - Keyless entry and start system <i>Allows the car to be locked, unlocked and started with a button as long as the sensors detect the key is with the driver.</i>	-	○	○	●	●	£333.33	£400.00
Integrated tow bar <i>The tow bar can be easily released from the boot and folded away after use. Includes preparation of the following vehicle systems for optimised operation whilst towing: alternator, battery, fan and cooling system. Not available on GreenLine</i>	○	○	○	○	○	£637.50	£765.00
<b>Hatch only</b>							
Electrically operated boot <i>Enables the boot to open and close at the touch of a button; via the key, central panel or boot handle. The top position of the boot lid can also be adjusted to suit individual preferences</i>	-	○	●	○	●	£333.33	£400.00
Virtual Pedal <i>Enables touch-free boot opening via a motion sensor under the rear bumper. If the system identifies the authorised key and detects the 'kick' motion, the boot will open. Includes electrically operated boot functionality. Only available in combination with KESSY. Not available on GreenLine</i>	-	○	-	○	●	£458.33	£550.00
	-	-	○	-	-	£125.00	£150.00
<b>Estate only</b>							
Electrically operated boot <i>Enables the boot to open and close at the touch of a button; via the key, central panel or boot handle. The top position of the boot lid can also be adjusted to suit individual preference. Includes retractable parcel shelf</i>	-	○	●	○	●	£433.33	£520.00
Virtual Pedal <i>Enables touch-free boot opening via a motion sensor under the rear bumper. If the system identifies the authorised key and detects the 'kick' motion, the boot will open. Includes electrically operated boot functionality and sliding parcel shelf. Only available in combination with KESSY. Not available on GreenLine</i>	-	○	-	○	●	£500.00	£600.00
	-	-	○	-	-	£125.00	£150.00
<b>Service and Warranty</b>							
Extended warranty <i>Total 4 years or 80,000 miles</i> ◊	○	○	○	○	○	£250.00	£300.00
Extended warranty <i>Total 5 years or 100,000 miles</i> ◊	○	○	○	○	○	£525.00	£630.00
Service plan <i>Your first two services</i>	○	○	○	○	○	£232.50	£279.00

† High-speed LTE internet is activated by inserting a SIM card into the slot in the glovebox, or connecting a smartphone via the rSAP profile. Passengers can then connect to the Superb's Wi-Fi hotspot and browse the internet wirelessly on their individual devices. An external data source is required to enable the Wi-Fi hotspot services. Only available for mobile phone or SIM card contracts which include a data option with the use of LTE, if LTE usage is required. Usage will only be available within the coverage of the mobile phone network; there may be additional costs for the use of these services (charges and billing correspond to the mobile phone or SIM card contract). Due to potentially high data volumes, a contract including an unlimited or high usage data plan is strongly recommended.

◊ Exclusions and terms and conditions apply. Please see page 39

## The ŠKODA Superb trims & wheels

Please note CO<sub>2</sub> emissions can change if a different size alloy is ordered. This may potentially lead to a change in the VED and BiK amount payable. A change in VED may increase the Recommended On The Road (ROTR) price. Please refer to pages 35 and 36 for more details.

### Power transmission

**Clutch** Hydraulically-activated single-plate dry clutch with diaphragm spring, asbestos-free coating.

**Manual transmission** Fully synchronised with direct gearshift, six speed manual transmission.

**6 spd DSG transmission** - Two coaxial wet multiple-disc clutch, electro-hydraulically operated.

**7 spd DSG transmission** - Two coaxial dry multiple-disc clutch, electro-hydraulically operated.

**Please note:** With all manual gear boxes the clutch needs to be depressed to start the engine.

**Number of gears**  
6 speed manual. 1.4 TSI 125PS, 1.4 TSI 150PS ACT, 1.6 TDI 120PS, 2.0 TDI 150PS, 2.0 TDI 150PS 4x4, 2.0 TDI 190PS

6 speed DSG. 2.0 TSI 220PS, 2.0 TSI 280PS 4x4, 2.0 TDI 150PS, 2.0 TDI 190PS, 2.0 TDI 190PS 4x4

7 speed DSG. 1.4 TSI 150PS ACT, 1.6 TDI 120PS

### Chassis

**Front axle** MacPherson suspension with lower triangular links and torsion stabiliser.

**Rear axle**  
Multi-element axle, with one longitudinal and three transverse links, with torsion stabiliser.

**Suspension** Telescopic shock absorbers with coil springs, in the rear outside the springs.

**Braking system** Hydraulic dual-diagonal circuit braking system vacuum assisted with Dual Rate system.

**Front brakes** Disc brakes with inner cooling, with single/piston floating caliper.

**Rear brakes** Disc brakes.

**Handbrake** Electromechanical.

**Steering** Direct rack and pinion steering with electromechanical power steering.

**Turning circle of wheels (m)** 11,1

†Using low-octane fuel may affect engine performance. We measure the maximum power output figures of our engines in PS or Pferdestärke (horse strength in German), which is the metric equivalent of bhp. To convert from metric to imperial horsepower, divide the PS figure by 1.0139.

**AdBlue®:** Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue® which must be kept topped up and may require refilling between services. AdBlue® is a non-toxic, non-flammable, biodegradable urea and water-based liquid additive that processes the gases in a car exhaust system to remove harmful nitrogen oxide (NOx) emissions. Please contact your local ŠKODA retailer for more information.

	19" wheels	-	54.3 (5.2)	54.3 (5.2)	44.8 (6.3)	39.2 (7.2)
BiK %	Super ROWI tyres	-	20%	20%	-	-
	16" wheels	22%	-	-	-	-
	17" wheels	-	20%	20%	-	-
	18" wheels	-	21%	21%	26%	29%
	19" wheels	-	21%	21%	26%	29%

ROWI = Low rolling resistance tyre

Depending on your chosen wheel size, different efficiency figures for CO2 emissions and fuel consumption will apply (based on EU directive no. 715/2007 effective from 01/09/14).

CO2 values for standard alloy wheels are listed here and can also be found from page 18 onwards, listed with the pricing.

Please note that any change to alloy wheels could result in different efficiency figures, and as a result, the VED band that your Superb falls into may increase, along with BiK tax. These tables are reference guides to assist you in finding the correct CO2, fuel consumption, BiK and VED values based on wheel sizes and chosen engine. Please see page 36 for further details on VED and OTR.

## Official fuel consumption for the Superb range in mpg (litres/100km) ◊:

<b>urban</b>	31.4 (9.0)	-	65.7 (4.3);
<b>extra urban</b>	45.6 (6.2)	-	85.6 (3.3);
<b>combined</b>	39.2 (7.2)	-	76.4 (3.7).
<b>CO2 range</b>	164	-	96g/km

◊ Standard EU Test figures are for comparative purposes and may not reflect real driving results. Fuel consumption and CO2 figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the ŠKODA website at skoda.co.uk and at dft.gov.uk/vca

# Owning a ŠKODA

## We make sure it's easy, fun, and stress-free.

### Network capability

You can enjoy our award-winning customer service through our network of around 150 Authorised Repairers.

As a ŠKODA customer, you will be looked after by your retailer from the moment you walk through the door and throughout the life of your ŠKODA. Your new Superb will be serviced and maintained by specially trained ŠKODA technicians. And when you need a spare part, you'll be happy to know that most are held in stock, or can be ordered within 24 hours.

The ŠKODA Customer Promise is a commitment from our retailers to offer:

- > Care and consideration for you and your car
- > A flexible and convenient service
- > Expertise and attention to detail
- > A clear explanation of our work

### Roadside Assistance

A three year, European-wide, unlimited mileage ŠKODA Assistance policy comes free of charge with every new ŠKODA.\*

There's a team of specially trained Technicians who carry the right diagnostic equipment and parts to get you back on the road as quickly as possible in the unfortunate event of a breakdown.

\* Provided in partnership with the AA. Exclusions and terms and conditions apply. For details please speak to your local ŠKODA retailer.

\*\* Exclusions and terms and conditions apply. For details see page 39 or speak to your local ŠKODA retailer.

## Calculating your tax liability

To find out how much tax you will pay, simply take the P11D value, then multiply this figure by the BiK percentage. Then simply multiply this figure by 20% or 40% depending on the level of income tax that you pay.

Please note if your employer provides you with free fuel, this is treated as an additional taxable benefit.

For more information on company car taxation please visit the HM revenue and customs website [hmrc.gov.uk](http://hmrc.gov.uk)

### BiK calculation example - BiK calculation example - Superb Hatch S 1.6 TDI 120PS

P11D value	£21,175.00
Company Car BiK tax based on CO <sub>2</sub> emission level	21%
Taxable BiK (for 2016/2017 tax year): 21% of £21,175.00	£4,446.75

### Annual company car tax (2016/17)

20% Income Tax: 20% of £4,446.75	£889.35
40% income Tax: 40% of £4,446.75	£1,778.70

### Monthly company car tax (2016/17)

20% Income Tax: £889.35 divide by 12 months	£74.11
40% income Tax: £1,778.70 divide by 12 months	£148.23

### Warranty

When you buy your new ŠKODA through our authorised retailer network, it is automatically covered by a three year, 60,000 mile manufacturer's warranty.\*\*

There's no mileage limit on the warranty in the first two years and for additional peace of mind there's a 12 year body protection warranty.

You can even extend your warranty to four or five years, see the option page for prices and page 39 for further details.

Warranty cover from new			
First 2 years	First 3 years	4-5 years	Up to 12 years
Unlimited mileage	3 years or 60,000 miles, whichever is sooner	Optional Extended Warranty	Body Protection Warranty

### Further information

You can find lots of additional information about owning a ŠKODA on our website at [skoda.co.uk](http://skoda.co.uk). Our retailers are always happy to help with any questions, backed up by our dedicated Customer Service Centre. We look forward to hearing from you soon.

Call: 03330 037 504

Email: [customerservices@skoda.co.uk](mailto:customerservices@skoda.co.uk)

Open 8.30am - 5.30pm

## Customer services

### Talk to us on 03330 037 504

No matter what the query, our dedicated call centre is always ready to listen. No matter how big or small the request, speak to one of our customer care advisors to see if they can help. The call centre is open from 8.30am-5.30pm. If you're calling out of hours, then a message can be left and we'll contact you.

### Peace of mind with a ŠKODA warranty

In the first two years of owning your car, you'll get the peace of mind of a two year unlimited mileage warranty\*. In addition, you'll also get a further warranty on new vehicles supplied through the appointed dealer network until the vehicle has completed 60,000 miles or the end of the third year, whichever is sooner.

Your Superb also benefits from a 3 year paint warranty and 12 year body protection warranty.

### A network that's here to help

With 17 years in the top 10 of JD Power's customer satisfaction survey, our network of approximately 150 authorised repairers know how to treat a customer. You can be sure that as a ŠKODA customer, your retailer will look after you from the moment you walk through the door, throughout the life of your ŠKODA. Your Superb will be serviced and maintained by specially trained ŠKODA technicians. And when you need a spare part you'll be happy to know that most are held in stock, or can be ordered within 24 hours. So if top class customer satisfaction is what you're after, the ŠKODA network will be there for you.

### Motability

People in receipt of the Higher Mobility Component of the Disability Living Allowance receive special help from ŠKODA. Preferential prices on low cost Contract Hire are available through your local approved Motability retailer. For full details, contact your retailer.

### If your ŠKODA's in trouble, rely on ŠKODA Assistance

Completely free of charge, every new ŠKODA is covered by ŠKODA Assistance. This cover lasts for 3 years, with no mileage limit. So if you ever break down, you can use the freephone number to call out someone who really knows about ŠKODA cars to help. This service is even available in Europe, so you don't need additional breakdown cover when you're driving on the continent.

### Financing your ŠKODA

We all know that times are hard, so ŠKODA Financial Services specialises in providing funding solutions for ŠKODA drivers. Regardless of whether you're a private or business user, you can choose from a range of funding options.

### Finance products available are:

- Solutions Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all ŠKODA Financial Services products you can choose a fixed-cost maintenance plan designed to help you budget accurately. Volkswagen Financial Services (UK) and Ageas Retail Limited are not part of the same corporate group.

\*\* The entitlement plan includes one oil service and one oil and inspection service. Monthly payments are spread over 18 months. All cars must be set to time and distance servicing. Terms and conditions apply. Offer is available to retail customers only from participating ŠKODA Retailers. Offers may be varied or withdrawn at any time. Freepost ŠKODA Financial Services.

## Warranty

### Exclusions and limitations

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark plugs, batteries for key fobs and alarms, light bulbs and shock absorbers.

Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, ignition adjustment, headlight adjustment, steering geometry adjustments and wheel balancing are excluded.

### Damage (including but not limited to the following) is excluded:

- > Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- > Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- > Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- > Damage caused by an accident.
- > Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- > Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, loss of personal effects or income are not recoverable under the terms of the warranty.

## Service intervals

When you order your Superb, you can choose whether your car is on a fixed or a flexible service regime. Your retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: Service every 10,000 miles or one year (whichever comes first). This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum **and/or**
- > Mainly short journeys, drive mostly in towns or cities **and/or**
- > High vehicle loading/towing and frequent hill climbs **and/or**
- > Heavy accelerating and braking, using high revs

Flexible regime: Sensors in the engine detect when a service is needed. You will be informed of this by a service light which will show at any point between 9,000 and 20,000 miles, up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. The vehicle service regime does affect the entitlement service plan\*\* if you choose to purchase this.

# ŠKODA Solutions Personal Contract Plan. Your journey, your choice.

ŠKODA Financial Services like to do things a little differently, that's why for many years we've specialised in providing simple and convenient funding options for ŠKODA drivers. It's what we know.

ŠKODA's Solutions Personal Contract Plan is all about you; a flexible, fixed-rate plan designed around you and your budget, putting you firmly in the Superb driving seat.

Solutions Personal Contract Plan is different because you defer a proportion of the car's value until the end of the agreement, giving you lower monthly repayments.

Solutions Personal Contract Plan is totally flexible. You get to choose the size of your deposit (from as little as one monthly payment), and a repayment period which suits you and at the end of the term you have 3 options to choose from.

## DEPOSIT

As little as one repayment

## BALANCE

A flexible repayment period (18-48 months)

## OPTIONAL FINAL PAYMENT

3 choices at the end of the agreement

**1**  Part-exchange the car for a new ŠKODA on a new Solutions Personal Contract Plan.

**2**  Pay the optional final payment so that you own the car.\*

**3**  Circumstances changed? Return the car to us (fees may be payable).

**ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA retailer for your personalised quotation today**

\*See notes on page 39 for more details.

## Free Insurance for 3 years.

No one likes to think about their ŠKODA being damaged in an accident. But if it was you'd no doubt want it repaired to ŠKODA standards, by a ŠKODA trained technician using only ŠKODA genuine parts. That's why we came up with Insurance - ŠKODA's free accident and repair cover.

Insurance works alongside your existing comprehensive motor insurance policy, no matter who you are insured with, to help get you back on the road as smoothly as possible. Better still, it's free for three years and is available on both new and older models.

### Your free Insurance cover includes:

- > Guaranteed use of a ŠKODA approved repairer, ŠKODA trained technicians and the use of genuine ŠKODA parts and paints
- > A dedicated Claims Manager who will look after your entire claim from start to finish
- > Help to recover any uninsured losses with our Legal Expenses Cover
- > An online claims tracker so you can keep up to date with the status of any claim

**To benefit from Insurance you'll need to activate your free cover which takes less than a minute.**

**We hope you don't ever have to use your policy but it's nice to know it's there - just in case.**

**Remember to call us first, Insurance will help deal with the rest**

Your car is **guaranteed** to be repaired by a ŠKODA approved repairer. Only **genuine ŠKODA parts will be used.**

**For more information and to take out cover today visit [skoda-insurance.co.uk](http://skoda-insurance.co.uk)**

## ŠKODA Insurance<sup>o</sup>. Have a safe trip.

We want you to start enjoying your new car from day one and thanks to ŠKODA five day insurance you can.
