ŠKODA

ŠKODA RAPID

Effective: September 2015

Welcome to the ŠKODA Rapid

The ŠKODA Rapid was the first car to truly embody ŠKODA's new design language, characterised by clean lines and sharp angles. The stunning lines of the car allow light and darkness to interplay, creating a dynamism and timeless elegance.

At the same time, the Rapid remains very loyal to ŠKODA's core values, offering outstanding space, fantastic value for money and a car which has been designed at every stage with the driver and passengers in mind.

Read on to find out more about the Rapid's stunning exterior design, ample useable space and abundance of thoughtful features and equipment.

The ŠKODA Rapid
Timeless. Precise. Dynamic.

Rapid Exterior

The Rapid was the first model to embody ŠKODA's new design language, characterized by crisp lines that help to define the clean surfaces.

The new ŠKODA design DNA features crystalline lines, surfaces and angles which are inspired by traditional Bohemian crystal production – proudly remembering ŠKODA's strong Czech heritage. Like the Rapid, Bohemian crystal is recognised by its sharp and precise angles which emphasise light and shade.

The face of Rapid has been designed to give a strong, **broad road presence**. The dark fascia contrasts perfectly with the chrome grille surround, creating a modern, yet timeless look. The new grille has the traditional 19 fins found on all ŠKODAs, but it is now an integral part of the model's nose and is not lifted with the bonnet.

A honeycomb grille brings a **sporty edge** to the Rapid's look whilst the wide, angular lights visually widen the front giving a more dominating look.

Rapid's side profile is not typical of a **roomy hatchback**, but is more like a **sleek coupe**. The black B pillar visually lengthens the car, whilst the strong shoulder line of Rapid is defined and precise, giving the car a powerful dynamism and the appearance of being in motion, even when stationary.

ŠKODA's **badge** takes pride of place on the Rapid's bonnet. In chrome and black, it ties back in to the light and darkness created by Rapid's sharp lines and angles.

The rear of Rapid is where the marriage of **modern style and functionality** is most evident. The strong shoulder line meets the distinctive ŠKODA C-shaped rear light and crystalline angles dissect the large boot opening ensuring a strong appearance without being bulky.

A remarkable 550 litres of storage space (530 litres with a spare wheel) is made even more cavernous with the rear seats down, offering 1490 litres of space. Add a wide hatchback opening and optional bag hooks and removable side storage panels and this Rapid really is ready for anything you throw at (or in) it.

As well as offering comfort, this armrest opens to offer yet another **clever storage solution.** (Standard on SE L, optional on S, SE and Sport).

The **rear seat armrest** with an integrated **holder for two drinks** gives rear seat passengers the opportunity to enjoy the ride with refreshments. (Optional on SE, Sport and SE L).

On those odd occasions when even the Rapid's vast boot isn't enough space, **through load provision gives** you added flexibility. (Optional on SE, Sport and SE L).

The **Net Programme**, which consists of two vertical nets and one horizontal net on the floor, enables you to easily secure items so they do not shift while driving (Optional).

Glasses storage compartment, (standard on SE, Sport and SE L).

The Rapid's interior is ergonomically designed to ensure your driving experience is as comfortable as possible, with all controls within easy reach. In keeping with the exterior design, the interior is **precise** with **sharp** angles but also, **spacious and functional**. Everything that a ŠKODA customer has come to expect. With **phenomenal head room** and **outstanding rear knee space**, this car is perfect for both business trips and family time.

Model shown is not UK specification.

Reflecting the curve of the steering wheel, the **instrument panel** is clearly laid out and provides key driving data. The trip computer on S shows the time, gear change recommendation and fuel gauge. The Maxi Dot computer from SE also shows average fuel consumption and allows the car's electronic system settings to be adjusted.

Amundsen satellite navigation is available as an option on SE, Sport and SE L. Amundsen has integrated maps for Western Europe and a 5" touchscreens.

The **7-speed DSG** (Direct Shift Gearbox), supplied with the 1.4 TSI 125PS and 1.4 TDI CR 90PS engine, combines the advantages of mechanical and conventional automatic transmissions.

When changing gear, the DSG is able to keep the engine at optimal revolutions, resulting in **fast and smooth gear change** and improved fuel efficiency.

Manual **air conditioning** is standard from SE, but should you wish you can upgrade to climate control air conditioning which will maintain the temperature you select by regulating the fan speed.

ŠKODA Simply Clever Features

At every stage of its production, the Rapid's designers have kept the driver and passengers in mind. The result of this thoughtfulness is "**Simply Clever**" features throughout the car. Just little things to help make your life easier.

This handy storage compartment under the front seat easily holds a **safety vest** so if you do need it, it is always close to hand (vests available to purchase through ŠKODA Genuine Accessories).

Ticket holder at A-pillar. Happily holds parking permits and tickets.

Reversible boot floor. This smart feature lets you easily choose between a carpet or rubber boot floor. Taking suitcases to the airport? Go for carpet. Transporting wet wellies and a muddy dog? Flip it to rubber! (Optional).

Every Rapid comes with an **ice scraper in the fuel filler cap** for those cold winter mornings.

Luggage holder hooks in boot. (Optional as part of the boot package).

ŠKODA Rapid Safety

The Rapid has been built with a proven array of safety features. Whilst you hopefully won't need them, you can feel comfortable knowing that should you find yourself in an extreme situation, you can rely on the Rapid.

Driver and passenger front, side and curtain airbags. Should an impact occur, large-volume airbags activate in conjunction with the front seat belt pretensioners. This will anchor you in the middle of the seat and cushion you to reduce injury.

ESC incl. ABS, MSR, ASR, EDS & HBA. Electronic Stability Control is designed to stabilise the dynamic handling response of the vehicle by counteracting any tendency towards oversteer or understeer.

Cornering front fog lights increase visibility at low speeds by illuminating the area the car is about to turn into (standard on SE L).

Families that fully occupy the car will certainly appreciate the option of equipping the car with a **third headrest in the rear**, designed for the passenger in the middle seat.

Personalisation with ŠKODA Genuine Accessories

Rear Boot Spoiler - Enhance the look of your Rapid with this specific rear boot spoiler to add a sporty feel to your Rapid. **£197**  

Door sill covers, black, effectively protect the door sills against mechanical damage from getting in and out of the car. **£73** 

The **Thermoelectric cooler** with a capacity of 15 litres enables you to primarily keep food fresh and refreshing. The cooler can keep items cool up to 20°C below the ambient outside temperature. Switching it to a thermobox gives you heating of 65°C. **£132**

17" Ray black alloy wheel **£200** each. 

The **net programme** reliably prevents the shifting of smaller items. **£37**

Removable boot organiser can be utilised for transporting light items, which can be removed quickly and easily. **£42**

The **dog guard**, fitted behind the rear seats, prevents luggage from shifting into the crew cabin. This maximises luggage compartment usage or enables a safe transportation of your pets. **£194** 

Head rest **coat hanger**. **£21**

Our **protection pack** will help you avoid mud splashes and debris around your car's wheels and sills, as well as in the boot and under foot. Keep your car as good as new with front and rear mudflaps, a rubber boot liner, textile floor mats & protective foil for the rear bumper. **£238.60** 

 Price includes fitting.

 Requires painting at additional cost.

Power transmission

Clutch Hydraulically-activated single-plate dry clutch with diaphragm spring, asbestos-free coating.

Manual transmission Five-speed manual transmission, fully synchronised with direct gearshift, six speed manual transmission.

7 spd DSG transmission - two coaxial dry multiple-disc clutch, electro-hydraulically operated.

Please note: With all manual gear boxes the clutch needs to be depressed to start the engine.

Number of gears

| | |
|----------------|------------------|
| 5 speed manual | 1.2 TSI 90PS |
| | 1.4 TDI CR 90PS |
| | 1.6 TDI CR 115PS |
| 6 speed manual | 1.2 TSI 110PS |
| | 1.4 TSI 125PS |
| 7 speed DSG | 1.4 TDI CR 90PS |

Chassis

Front axle/rear axle MacPherson axle with the bottom triangular control arms and Independent multi-link suspension with one longitudinal and two cross arms and torsion stabiliser.

Suspension Coil springs, telescopic shock absorbers, rear springs located outside the shock absorbers (gas shock absorbers in rear).

Braking system Hydraulic dual circuit brake system with diagonal interconnection, vacuum assisted dual rate brake booster.

Front brakes Disc brakes, with hollow discs, internal cooling and single-piston floating calliper.

Rear brakes Disc brakes with full discs and single-piston floating callipers.

Handbrake Mechanical handbrake operating on rear wheels.

Steering Direct rack and pinion steering with electromechanical power steering.

Turning circle (m) 10.2

Tank

Fuel tank content (litres) 55 litres

Fuel Lead-free petrol with RON 95 or Lead-free petrol with RON 91[†]. Diesel (2.0 TDI CR 140PS) CZ 49.

Body type Five-door, five-seat, double-space steel bodywork, fully galvanized body.

Drag Coefficient (C_w)

| | |
|---------------------|-------|
| 1.2 TSI 90PS | 0.295 |
| 1.2 TSI 110PS | 0.297 |
| 1.4 TSI 125PS DSG | 0.294 |
| 1.4 TDI CR 90PS | 0.296 |
| 1.4 TDI CR 90PS DSG | 0.296 |
| 1.6 TDI CR 115PS | 0.298 |

Official fuel consumption for the Rapid range in mpg (litres/100km):

| | |
|--------------------|--------------------------|
| urban | 45.6 (6.2) - 67.3 (4.2); |
| extra urban | 67.3 (4.2) - 83.1 (3.4); |
| combined | 57.7 (4.9) - 78.5 (3.6). |

CO₂ Range 114 - 94g/km

[†]Using low-octane fuel may affect engine performance.

We measure the maximum power output figures of our engines in PS or Pferdestärke (horse strength in German), which is the metric equivalent of bhp. To convert from metric to imperial horsepower, divide the PS figure by 1.0139.

* Standard EU Test figures are for comparative purposes and may not reflect real driving results. Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the ŠKODA website at skoda.co.uk and at vca.gov.org

VED (Vehicle Excise Duty)

| Band | CO ₂ (g/km) | First 12 Months ¹ | Standard VED ² |

All measurements and weights are correct at time of going to print but may be subject to change and may vary according to passengers and load in vehicle.

*Kerb weight is the mass of the vehicle with body work in running order. **Payload includes driver (at 75kg) & equipment.

ŠKODA Solutions. Your journey, your choice.

ŠKODA Financial Services like to do things a little differently, that's why for many years we've specialised in providing simple and convenient funding options for ŠKODA drivers. It's what we know.

ŠKODA Solutions, the personal contract plan, is all about you; a flexible, competitive fixed-rate plan designed around you and your budget, putting you firmly in the Rapid driving seat.

Solutions is different because you defer a proportion of the car's value until the end of the agreement, giving you significantly lower monthly repayments than if you'd taken out a loan...ever heard of a bank being so imaginative?

Solutions is totally flexible. You get to choose the size of your deposit (from as little as one monthly payment), and a repayment period which suits you and at the end of the term you have 3 options to choose from.

- 1  Part-exchange the car for a new ŠKODA on a new Solutions contract.
- 2  Pay the optional final payment so that you own the car.*
- 3  Circumstances changed? Return the car to us (subject to terms and conditions).

DEPOSIT

As little as one repayment

BALANCE

A flexible repayment period (18-42 months)

OPTIONAL FINAL PAYMENT

3 choices at the end of the agreement

ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans.

Speak to your ŠKODA retailer for your personalised quotation today

Free Insurance for 3 years.

No-one likes to think about their ŠKODA being damaged in an accident. But if it was you'd no doubt want it repaired to ŠKODA standards, by a ŠKODA trained technician using only ŠKODA genuine parts. Would your motor insurance provider guarantee to do that? We didn't think so...

That's why we came up with Ensurance - ŠKODA's free accident and repair cover.

Ensurance works alongside your existing comprehensive motor insurance policy, no matter who you are insured with, to help get you back on the road as smoothly as possible. Better still, it's free for three years and is available on both new and older models.

Your free Ensurance cover includes:

- > Guaranteed use of a ŠKODA approved repairer, ŠKODA trained technicians and the use of genuine ŠKODA parts and paints
- > A dedicated Claims Manager who will look after your entire claim from start to finish
- > Help to recover any uninsured losses with our Legal Expenses Cover
- > An Online claims tracker so you can keep up to date with the status of any claim

To benefit from Ensurance you'll need to activate your free cover which takes less than a minute.

We hope you don't ever have to use your policy but it's nice to know it's there - just in case.

Remember to call us first, Ensurance will help deal with the rest...

Your car is **guaranteed** to be repaired by a ŠKODA Insurance approved repairer. Only **genuine ŠKODA parts will be used.**

For more information and to take out cover today visit skoda-ensurance.co.uk

*Subject to payment of the option to purchase fee. An offer of finance depends on certain conditions. Subject to status. Available to 18's and over in the UK only. ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"). Registered in England and Wales No. 2835230. Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Financial and consumer credit services are provided by VWFS UK. Volkswagen Financial Services (UK) Limited is authorised and regulated by the Financial Conduct Authority, registration number 311988.

Motor Insurance from ŠKODA Financial Services is sold and administered by Ageas Retail Limited, registered in England and Wales No. 1324965. Registered office: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA. Ageas Retail Limited is authorised and regulated by the Financial Conduct Authority (FCA), registration number 312468. Volkswagen Financial Services (UK) and Ageas Retail Limited are not part of the same corporate group.

Owning a ŠKODA

We make sure it's easy, fun, and stress-free.

ŠKODA customer service is officially award-winning. We have been voted Number 1 in four of the last five Auto Express Driver Power Surveys.

Network capability

You can enjoy our award-winning customer service through our network of around 160 Authorised Repairers.

As a ŠKODA customer, you will be looked after by your retailer from the moment you walk through the door and throughout the life of your ŠKODA. Your new Rapid will be serviced and maintained to the highest standards by specially trained ŠKODA technicians. And when you need a spare part, you'll be happy to know that most are held in stock, or can be ordered within 24 hours.

The ŠKODA Customer Promise is a commitment from our retailers to offer:

- > Care and consideration for you and your car
- > A flexible and convenient service
- > Expertise and attention to detail
- > A clear explanation of our work

Roadside Assistance

A three year, European-wide, unlimited mileage ŠKODA Assistance policy comes free of charge with every new ŠKODA.

There's a team of specially trained Technicians who carry the right diagnostic equipment and parts to get you back on the road as quickly as possible in the unfortunate event of a breakdown. They'll even help you if you fill up with the wrong fuel, lose your car keys, or get a puncture.

Warranty

When you buy your new ŠKODA through our authorised retailer network, it is automatically covered by a three year, 60,000 mile manufacturer's warranty.

There's no mileage limit on the warranty in the first two years and for additional peace of mind there's a 12 year body protection warranty.

You can even extend your warranty to four or five years, see the option page for prices and page 43 for further details.

| Warranty cover from new | | | |
|-------------------------|----------------------------------------------|----------------------------|--------------------------|
| First 2 years | First 3 years | 4-5 years | Up to 12 years |
| Unlimited mileage | 3 years or 60,000 miles, whichever is sooner | Optional Extended Warranty | Body Protection Warranty |

Further information

You can find lots of additional information about owning a ŠKODA on our website at skoda.co.uk. Our retailers are always happy to help with any questions, backed up our dedicated Customer Service Centre. We look forward to hearing from you soon.

Technical glossary

ABS: the anti-lock braking system prevents the wheels from locking during heavy or emergency braking, enabling the vehicle to remain steerable. When braking, wheel speed sensors measure the road wheel speed and should one or more wheels start to lock the system reduces brake pressure to that wheel.

Elements of the ABS System :-

• **Dual Rate Vacuum Brake Boosters:** increases brake effort under emergency braking conditions.

• **EBC:** Electronic brake control. The engine brake torque control regulates the power supply by intervening with the engine management system.

• **EBD** (aka EBV): Electronic Brake Distribution automatically distributes different pressures to the front and rear brakes to stop the rear wheels from locking up under heavy braking. It also compensates for loaded and unloaded vehicles therefore doing away with the need for a Load Sensing Valve on the rear axle.

CAN Bus: the CAN Bus is an electronic data bus which links the various different electronic control systems in the car. It ensures ideal co-ordination between systems and reduces the amount of wiring needed in the car.

Fuel cut-out: should one or more of the airbags inflate after an accident, this system automatically cuts out the fuel supply, thus preventing subsequent leakage of the diesel or petrol.

Trip Computer: the trip computer not only features an impressive range of data displays, operating it is simplicity itself. A multifunction touch key enables you to call up all relevant data on the easy-to-read display. Features include external temperature, time, current fuel consumption, average fuel consumption, miles driven and average speed.

DPF: Diesel particulate filter is part of the exhaust system responsible for cleaning the engine exhaust gases before they enter the atmosphere. The DPF catches soot particles emitted in the exhaust gas and it works in conjunction with the catalytic converter, which reduces the amount of harmful gases entering the atmosphere. The DPF must periodically be emptied of the soot particles, a process known as regeneration. This involves elevated exhaust system temperatures. A driving style is required during regeneration, where a constant vehicle speed above 37 mph must be maintained. This does not always suit customers who make frequent short journeys or experience stop/start driving or drive within inner-city or urban areas.

CR: the completely new range of diesel engines are built on a system of Common-Rail fuel injection. The diesel engines have a high-pressure common rail direct injection fuel system and four-valve technology. As a result, the new engines are much quieter, more refined in their operation and consume less fuel, compared to the Pump Duse engines and significantly reduce emissions.

ESC: Electronic stability control is designed to stabilise the dynamic handling response of the vehicle by counteracting any tendency towards oversteer or understeer. The ESC constantly compares the actual movement of the vehicle with predetermined values and according to the situation ESC reacts by braking each wheel individually (according to direction of slip) and automatically adjusting the engine’s output.

TPM: draws the driver’s attention to any pressure loss in any of the tyres. Early warning can prevent damage from occurring as a result of an under inflated tyre or a defect that radically changes the cars behaviour and driveability.

HHC: Hill hold control allows for a safe hill start by holding the brake for a small amount of time, reducing the risk of unintentional reversing or roll back.

Elements of ESC system:-

• **ASR:** Anti-slip regulation traction control ensures the Rapid’s stability when pulling away or accelerating. If the engine power or torque being transmitted to the drive wheels is too great, for example on a slippery road surface, engine torque is automatically reduced until optimum road holding returns, thus preventing wheelspin. A light indicates whether the ASR system is on. It can be manually switched off.

• **MSR:** the engine torque control system recognises when the wheels are subject to too much slippage and regulates the power supply by intervening in the engine management system. This prevents wheelspin when, for example, changing down on a smooth or wet road surface. MSR is a constituent part of the ASR system.

• **EDL:** the electronic differential lock continually compares the rpm of the drive wheels, and if it identifies a difference between them which could lead to an individual wheel spinning, for example if the two wheels are on different types of surface or accelerating on wet leaves, the system brakes the wheel affected until uniform rpm of all drive wheels is restored.

Warranty

Exclusions and limitations

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark plugs, batteries for key fobs and alarms, light bulbs and shock absorbers.

Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, ignition adjustment, headlight adjustment, steering geometry adjustments and wheel balancing are excluded.

Damage (including but not limited to the following) is excluded:

- Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer’s guidelines.
- Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- Damage caused by an accident.
- Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, loss of personal effects or income are not recoverable under the terms of the warranty.

Calculating your tax liability

| <p>To find out how much tax you will pay, simply take the P11D value, then multiply this figure by the BiK percentage. Then simply multiply this figure by 20% or 40% depending on the level of income tax that you pay.</p> <p>Please note if your employer provides you with free fuel, this is treated as an additional taxable benefit.</p> <p>For more information on company car taxation please visit the HM revenue and customs website hmrc.gov.uk</p> | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|
| BiK calculation example - Rapid S 1.2 TSI 90PS | |
| P11D value | £14,345.00 |
| Company Car BiK tax based on CO2 emission level | 16% |
| Taxable BiK (for 2015/2016 tax year): 16% of £14,345.00 | £2,295.20 |
| Annual company car tax (2015/16) | |
| 20% Income Tax: 20% of £2,295.20 | £459.04 |
| 40% income Tax: 40% of £2,295.20 | £918.08 |
| Monthly company car tax (2015/16) | |
| 20% Income Tax: £459.04 divide by 12 months | £38.25 |
| 40% income Tax: £918.08 divide by 12 months | £76.51 |

ŠKODA Ensurance

Ensurance from ŠKODA Insurance is sold and administered by Lawshield UK Limited, registered in England number: 3360532 (registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire, WA1 1RL) and underwritten by UK General Insurance Limited on behalf of Ageas Insurance Limited, registered in England number: 354568 (registered office: Ageas House, Tollgate, Eastleigh, Hampshire, SO53 3YA).

For details of our full range of insurance products visit insurewithskoda.co.uk. For a quote call us free on 0800 316 8025. Lines are open Monday to Friday 8am – 9pm and 9am – 5pm on Saturday.

Motor Insurance from ŠKODA Financial Services is sold and administered by Ageas Retail Limited, registered in England and Wales No. 1324965.Registered office: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA. Ageas Retail Limited is authorised and regulated by the Financial Conduct Authority (FCA), registration number 312468. Volkswagen Financial Services (UK) and Ageas Retail Limited are not part of the same corporate group.

| | | | |
|-------------|-------------------|-------------------------|---------------------------|
| Band | CO2 (g/km) | First 12 Months' | Standard VED ² |
| A | Up to 100 | £0 | £0 |
| B | 101 – 110 | £0 | £20 |
| C | 111 – 120 | £0 | £30 |
| D | 121 – 130 | £0 | £110 |
| E | 131 –140 | £130 | £130 |
| F | 141 – 150 | £145 | £145 |
| G | 151 – 165 | £180 | £180 |
| H | 166 – 175 | £295 | £205 |
| I | 176 – 185 | £350 | £225 |
| J | 186 – 200 | £490 | £265 |
| K | 201 – 225 | £640 | £290 |
| L | 226 – 255 | £870 | £490 |
| M | Over 255 | £1,100 | £505 |

OTR (Recommended On The Road) Recommended 'On the Road' prices include delivery, 12 months Road Fund Licence, DVLA First registration Fee (at £55), and apply to the United Kingdom only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO2) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO2 figures may differ on these vehicles if taken from current ŠKODA UK stock. The VED bands are shown in the table opposite.

¹ First year vehicle licence rates for petrol and diesel cars purchased on or after 1st April 2015. First year rate or 'showroom tax' applies to new car purchases only.

² Rate reverts to the Government's applicable Standard VED rate in subsequent years.

Edition:UK 1st April 2015. VAT is calculated at 20%. Please confirm figures with your ŠKODA Retailer.

Company car tax is based on your cars carbon dioxide emissions. The higher the car's emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes.

To help you work out your tax liability please refer to page 43.

P11D (Expenses and Benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind) The BiK percentage value is based on the CO2 emissions of the vehicle for the current tax year 2015/2016.

An offer of finance depends on certain conditions. Subject to status. Indemnities may be required. Available to people over 18 in the UK only. Skoda Financial Services.
