Flexible solutions

Options to help you get more from your Caddy

7 ways your Van Centre can help you

PLUS Tips for picking your ideal vehicle ● How our warranty works for you ● BlueMotion Technology explained

Whatever you're after, we've got a Caddy Maxi for you

CAN A PEOPLE CARRIER be all things to all people? The Caddy Maxi Life and Caddy Maxi window van definitely can. They offer huge passenger space, yet they're short in length. They have a range of powerful, punchy engines, yet they're amongst the most efficient vehicles in their class.

They're flexible, too. The Caddy Maxi Life seats up to seven people and its removable seats let you juggle the luggage space to fit. With features such as Climatic air-conditioning and ergonomically designed seats, it's comfortable for both driver and passenger.

The Caddy Maxi window van seats up to five in comfort, with a removable rear bench and up to 4.10m³ of luggage space. There are plenty of options to choose from too, so, whichever Caddy you choose, it has all bases covered.

Caddy Maxi

Delivering the goods. It's what we've always done...

Today's much-loved, award-winning Volkswagen vans are only the latest step in a 60-year journey that started with one clever idea

In 1947, Dutch importer Ben Pon spotted workers at Volkswagen's Wolfsburg factory using a stripped-down Beetle to move parts around. Inspired, he sketched the platform for a versatile commercial vehicle that could be adapted to a multitude of uses. From this sketch, the Transporter was born, and the van world has never looked back.

Brilliant then, even better now

Since 1950, millions of Transporters have been built and have proved to be reliable workhorses for delivery drivers and tradesmen all over the world. There's more to owning a Volkswagen than just work, though – Volkswagen vans have always stood out from the pack, which has helped them build a loyal following, from the original 'Splittie' to today's sleek, modern models.

Reliability that endures

Today, Volkswagen's commercial vehicles are more popular than ever, with a diverse range of panel vans, kombis, chassis cabs, passenger carriers, camper vans and even pick-ups. Each is as versatile, spacious and reliable as Volkswagens have always been, but now they're more comfortable, easier to drive and more fuel-efficient than ever before. They're all backed up by a Van Centre network that's ready to solve any problem you may have, too.

Getting the job done efficiently and reliably has been at Volkswagen's heart for the last 60 years, and that's why you can trust us to deliver a van that works for you.

Transporter

The Transporter has been the mainstay of our van range since 1950. It still embodies the original's attributes of space, versatility and reliability, but is now more efficient than ever.

California

The definitive Volkswagen camper van is a true home from home, with four sleeping berths, a fully fitted kitchen and an electric pop-up roof.

Caddy

The compact Caddy has city-friendly dimensions and a car-like feel, but it can still carry big loads or plenty of passengers. Wide rear doors make loading simple, too.

Crafter

The Crafter is the van to have for seriously big tasks. It's available as a van, a chassis cab that you can customise in lots of ways or a window van, and has a payload of up to three tonnes.

Amarok

The Amarok joined the range in 2011. Its off-road and load-shifting credentials earned it the 'International Pick-up of the Year' award, and press praised its comfort and ease of driving.

Caravelle

For the ultimate level of executive comfort, only a Caravelle will fit the bill. It's an outstanding, flexible passenger carrier that can carry people and their luggage efficiently and easily.

Trust your Van Centre network

OWNING A VAN is about more than just the vehicle – it's about support, too. That means helpful advice, affordable finance, and maintenance and servicing to keep your van running more efficiently for longer.

That's where our network of over 100 Van Centres and Authorised Repairers comes in. All our staff are fully trained to solve any problem you may have.

• Find out how your local Van Centre can help right now – see pages 22-23.

To find your nearest Van Centre or order a brochure, visit www.volkswagen-vans.co.uk or call 0800 717131

Volkswagen round-up

Accolades and awards ● BlueMotion Technology across the range ● New trims for Caddy and Transporter

Volkswagen vans shine under awards spotlight

Volkswagen Commercial Vehicles has won a host of awards in recent months, including the title of 'Manufacturer of the Year' for 2012 from *Van Fleet World*.

The magazine also awarded the Transporter its 'Best Medium Van' prize, while the Caddy was 'Best Small Van'.

The Transporter was named 'Medium Panel Van' and 'Fleet Van of the Year' for 2012 by *Fleet Van*, while the top-of-the-range Transporter Sportline was *What Van?* magazine's 'Editor's Choice'.

The Caddy 4MOTION® was *What Van?*'s '4x4 of the Year', while the Amarok won 'Pick-up of the Year' from *What Van?* and 'Best Pick-up' at the British Insurance Vehicle Security Awards. The Amarok is also *4x4 Magazine's* 'Pick-up of the Year'.

To cap it all, Volkswagen Commercial Vehicles topped the *Fleet News* FN50 Reliability Survey as the 'Most Reliable Van Manufacturer', with the Caddy, Transporter and Crafter all in the top six.

These awards recognise and prove that our promise to you is truly alive and well. That promise is to bring you products that are more versatile, reliable, efficient and better value for money than ever.

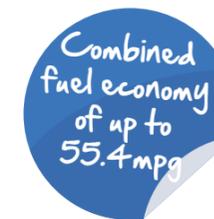

Caravelle Edition 25 is a hit

The limited-edition Caravelle Edition 25 – packed with a wealth of the most exclusive options – was hugely popular when orders opened in January. Make sure you don't miss the next special edition – follow our Twitter feed at [Volkswagen_CV](#)

BlueMotion Technology is here

BlueMotion Technology offers increased fuel efficiency and reduced carbon emissions, and it's available on most models in our range. To find out how BlueMotion Technology can help cut your fuel bills, turn to pages 18-19 or ask your Van Centre for details.

Finance that makes buying your vehicle easy

Getting your hands on a new van or passenger carrier from Volkswagen Commercial Vehicles could be even more affordable – and easier – than you think.

We've got a great range of finance deals that allow us to tailor a solution to the needs of your business and your pocket. That might be a lower initial deposit, or regular, fixed monthly payments that include pre-planned costs

for servicing and maintenance. It all helps you know exactly how much your vehicle will cost now and over the long term.

We have special finance offers, too, which offer you even more value for money, and they're regularly updated. You can find all the latest deals at [www.volkswagen-vans.co.uk](#), or pop into your local Van Centre to find out how we can help you.

Get connected with us online

We've got lots of ways to stay up to date with all that's going on in the world of Volkswagen Commercial Vehicles.

Sign up to Van Mail for the latest news and finance offers, or follow us on Twitter and like us on Facebook for a great mix of news, tips and exclusive competitions.

Our YouTube channel is packed with useful and fun videos, too. To stay connected, just add the links below to your browser's favourites.

New trims offer outstanding value

Now there's even more choice for Caddy and Transporter buyers, thanks to the introduction of new trims that offer a great pack of features at one easy price.

That makes buying a van with a high level of specification really simple and delivers you great value for money.

On Transporter panel vans and kombis, and Caddy panel vans,

Trendline and Highline trims bring extra features to the already well-appointed standard model. On the Transporter, you can also go for the ultra-high-level Sportline trim to really mark out your van and your business from the pack.

If you need to add even more features, there's an extensive list of factory-fit options and Add On accessories.

Get even more with Add Ons

Add Ons is Volkswagen Commercial Vehicles' range of accessories, with lots of work, technology and leisure products that can be fitted by your Van Centre at any time. See page 39 for more details.

Driving

Get from A to B easily and in comfort

Parking is easy

The Caddy Maxi is about the same length as a family saloon, making it easy to park. If you add front and rear parking sensors or Parallel Park Assist, getting into tight spots is even easier.

☎️ 📱 Want to book a test drive? Contact your nearest Van Centre, visit www.volkswagen-vans.co.uk or call us on 0800 717131

ON THE ROAD

Driving tech explained

Direct-shift gearbox (DSG)

Our six- or seven-speed, direct-shift gearbox (DSG) is great for city driving. It can be used either as a fully automatic gearbox or as a quick-shift manual – just nudge the gear lever forwards or backwards to change gear up or down.

4MOTION

4MOTION® is an all-wheel-drive system that helps maintain optimum grip in all conditions. If one wheel loses traction, 4MOTION® reacts in milliseconds and sends power to the wheels with the most grip.

Driving people the easy way

The Caddy is brilliant for carrying passengers in comfort – and options such as DSG and 4MOTION® make driving easy

At roughly the same length as a family saloon, and with a choice of powerful, efficient engines, the Caddy is perfect for carrying up to seven people in comfort, while keeping fuel bills low.

Flexible driving

With a range of turbo-diesel engines and a choice of BlueMotion Technology models, you can pick the right model for your needs (see pages 16-19 to learn more). All engines comply with Euro V emissions standards and are quieter and more fuel-efficient than ever before. These TDI engines provide strong pulling power, even at low revs, while greater efficiency means lower fuel costs.

You can have an easy-to-change five- or six-speed manual gearbox, or our optional six- or seven-speed, direct-shift gearbox (DSG). Its fully automatic gear changes make it great for city driving.

Safety as standard

Every Caddy comes with features that enhance driver safety. Most are fitted as standard. Volkswagen's ESP (Electronic Stability Programme) works with ABS (Anti-lock Braking System), EDL (Electronic Differential

Lock) and TCS (Traction Control System) to help improve safety. Automatic hazard lights alert other drivers during emergency braking, while an immobiliser and remote central locking keep everything secure.

Off-road ability

Need more traction? Consider the Caddy's optional 4MOTION® all-wheel-drive system. It automatically sends power to the wheels that need traction most, so you can relax, knowing that 4MOTION® is always ready to help you out of tricky situations.

Comfortable and convenient

Your Caddy's cab is designed to be the perfect fit. It's comfortable and comes with all the equipment you'll need to make your life easier. It's a great way to travel.

We've built the Caddy Maxi's cab around you. It's comfortable to be in when you're on the road, and an ideal mobile office that helps you keep your business working. The Caddy gives you the tools and features you need to make that possible.

A cab that fits like a glove

Whether you're nipping around town or dashing up the motorway, you'll always feel comfy in the Caddy's cab. The driver's seat adjusts for height, rake and reach, and the speed-sensitive steering means you never have to work hard at the wheel. A super-clear dash and controls that fall easily to hand mean you can spend your time fully focused on the road ahead.

Stay connected

We know how important it is that you stay in touch. That's why we offer optional Bluetooth phone connectivity, allowing you to speak when on the move. With a selection of high-quality audio and satellite-navigation systems to choose from, you can also keep yourself entertained and on the right road.

Electric windows and mirrors are a useful, convenient option

Bluetooth allows you to use a phone without taking your hands off the wheel. This option comes with a multi-function display

Clever, flexible seating

The Caddy Maxi Life can seat up to seven people in comfort. Thanks to its convenient flexible seating, you can choose to remove spare seats to give yourself even more luggage space. Handy if you need to carry more cargo than usual.

Ultra-clear dashboard

All controls are easy to spot and simple to use, so you can stay focused on the road.

Why not add...?

A multi-function steering wheel – it lets you use a range of systems without taking your hands off the wheel. See page 33.

Great sound

The Caddy Maxi Life has the six-speaker RCD 310 radio with an MP3-file compatible CD player, while the window van has the two-speaker RCD 210. Both include an aux-in socket.

Fresh air all the time

Standard dust and pollen filters help prevent allergies from affecting your driving. (Air-con is standard on the Caddy Maxi Life)

A clear view ahead

You get wipers with an intermittent setting and wash-wipe as standard.

Why not add...?

Optional automatic rain-sensing wipers.

A clear view behind

Tall door mirrors help you judge the height and position of your Caddy Maxi.

Why not add...?

Electric windows and mirrors make adjusting the passenger mirror easy (they're fitted as standard on the Caddy Maxi Life). See page 38.

Plenty of places to store your stuff

WORKING VEHICLES don't just carry the load in the rear – the cab carries all the clutter that fills your working day, too. That means invoices, drinks, laptops and more. You'll find plenty of cleverly designed storage areas in every Caddy – an open glove compartment, roomy door pockets and more storage places in the centre console and roof.

Your Van Centre can help you pick options that are right for you. Call 0800 717131 or visit www.volkswagen-vans.co.uk to find one near you

Seating

Flexible seating solutions to suit your needs

See the Caddy Maxi models for yourself. To find your nearest Van Centre, call 0800 717131 or visit www.volkswagen-vans.co.uk

Room with a view

Carrying people has never been so easy – with room for up to seven people and plenty of luggage space, the Caddy Maxi makes travelling simple

People carriers don't come much more versatile than the Caddy Maxi Life and the Caddy Maxi window van. Each offers different seating and storage solutions, so getting the right mix of seating and luggage space to suit your needs is easy.

Seats to suit every requirement

The Caddy Maxi Life provides comfortable seating for up to seven people, with a three-seat middle row and a spacious twin-seat bench in the rear.

There's plenty of legroom for all your passengers while sliding doors on each side make getting in and out easy. All the rear passenger seats can be split, folded or removed entirely to create enormous load bays that will swallow huge amounts of luggage.

Loads of luggage space

The roomy Caddy Maxi window van seats five with plenty of room to spare. Because it has only one row of passenger seats, all passengers have plenty of legroom while the extra-large luggage compartment means there's ample space for all sorts of cargo.

It's flexible, too. Just like the Caddy Maxi Life, all the rear passenger seats can be split, folded or removed, so whether you're carrying people, luggage or both, the Maxi window van will have a setup that works for you.

Both Caddy Maxis have plenty of load space for all your luggage-carrying needs

Not big enough for you?

The Transporter passenger carrier could be for you. Visit www.volkswagen-vans.co.uk, call 0800 717131 or ask your Van Centre for a brochure.

Comfortable and convenient

Comfortable seats and clever storage solutions make the Caddy Maxi a great way to travel.

Engines

Technology that helps to cut fuel bills and lower emissions

TDI TECHNOLOGY

Intelligent power to drive you on

The Caddy's turbo-diesel engines are at the forefront of technology, bringing you outstanding power with superb efficiency

Fuel is only ever likely to become more expensive, so our engines are designed to give you more power while using less fuel than ever before.

At the heart of the Caddy's impressive performance is a choice of flexible turbo-diesel (TDI) engines. Each delivers outstanding power with commendably low fuel consumption and CO₂ emissions.

Take the 102PS 1.6TDI engine, for example. It has 250Nm of pulling power, yet emissions are as low as 149g/km and it returns up to 49.6mpg (combined).

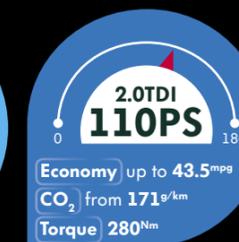

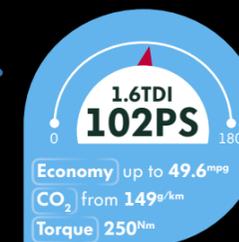

Need more? The Caddy's 140PS 2.0TDI engine boasts 320Nm of torque and brings combined fuel economy of up to 47.1mpg and emissions from just 158g/km.

Go even greener

If you want to take your fuel efficiency to a whole new level and cut emissions even further, you can always choose to add BlueMotion Technology to your engine package. These models have a range of fuel-saving technologies. To find out more, simply turn the page.

Engine specifications

See page 40 for full engine data

Add a sat-nav

A sat-nav system can plot shorter routes and prevent you making wrong turns – some can even help to navigate around traffic jams. It all cuts fuel consumption.

Driver training

Driver training can teach you to drive more safely and more economically. Ask the Freight Transport Association (www.fta.co.uk) for details on a course to suit you.

Top tips to help you save fuel

Cutting fuel use isn't just about engine technology – it's also about being clever. Follow our four tips to make your Caddy as economical as possible.

Use your Caddy's gearshift indicator

A gearshift indicator is fitted to all Caddys. It helps you change gear at the most efficient times, which cuts fuel use and lowers emissions.

Check your tyres

Up to 20% of a vehicle's fuel consumption is used in overcoming the tyres' rolling resistance. It's even more if your tyres are underinflated, so check them regularly.

Why torque matters

Torque is often more important than power when it comes to an engine's performance. If you carry luggage often, pick an engine with lots of torque. It will move a load from a standing start better than one with less torque, and keep it moving more easily. A torquey engine may even use less fuel, because you won't need to rev it as much to get the best out of it.

More miles, less impact

BlueMotion Technology lowers your running costs and your vehicle's carbon emissions, and it's available on almost all Caddy models

At Volkswagen, we're just as keen as you to cut carbon emissions. We're also just as aware that fuel costs are a big burden on drivers, so improving our vehicles' efficiency only helps to deliver even better value to you. That's why we've introduced BlueMotion Technology to all Caddy passenger carriers.

The power of technology

All Caddys that carry the BlueMotion Technology badge include a selection of our fuel-saving solutions – Hill Hold Assist, start/stop, energy recuperation and cruise control – as standard. Together, they create instant fuel savings and lower CO₂ emissions, bringing improved fuel

economy of up to 55.4mpg (combined). The benefit for you is money – and time – saved at the pumps.

Two engines, all the options

Two BlueMotion Technology engines are available for Caddys – a 1.6TDI that offers 102PS, and a 2.0TDI with 140PS. The 1.6TDI delivers up to 55.4mpg (combined), while the 2.0TDI manages up to an impressive 50.4mpg (combined).

You can still customise your Caddy BlueMotion Technology model like any other Caddy – just ask your local Van Centre for details.

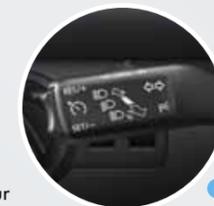

How BlueMotion Technology works to lower your fuel bills and CO₂ emissions

BlueMotion Technology is available on both the Caddy Maxi Life and Caddy Maxi window van models. It is made up of four clever elements. Together, they significantly reduce fuel consumption and CO₂ emissions, which keeps money in your pocket and creates fewer harmful emissions. Here you can learn more about these elements and what they do.

Cruise control

By keeping your vehicle at a constant speed, cruise control saves fuel that would normally be wasted when your speed fluctuates. It's especially useful for driving over long stretches, because it stops your speed creeping up unintentionally and reduces the driver's physical workload.

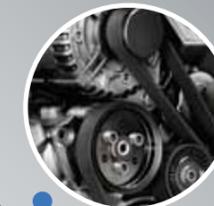

Hill Hold Assist

Hill Hold Assist helps you make a smooth, efficient getaway, every time. On steep inclines, the system holds the brakes at the optimum level to prevent you rolling back. This reduces the need for you to rev the engine unnecessarily.

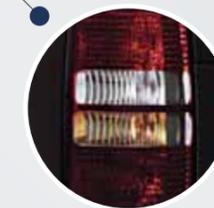

Start/stop

Start/stop allows you to save fuel at traffic lights. When you stop, put your vehicle in neutral, release the clutch and the engine automatically switches off, saving fuel and reducing emissions. When you're ready to go, depress the clutch and the engine starts up again.

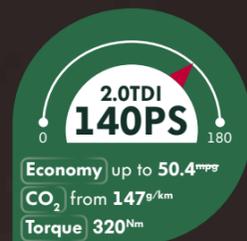

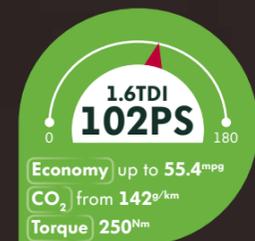

Energy recuperation

When braking, energy during deceleration is wasted. Our energy recuperation system uses some of that momentum to turn the alternator and charge the battery. If the battery is well-charged, the engine has to do less work turning the alternator to keep it topped up. This cuts fuel use and emissions.

BlueMotion Technology engine specifications

See page 40 for full engine data

Full support right from the start

We want to make sure that using your Caddy is as hassle-free and cost-efficient as possible, so every vehicle comes with a three-year warranty and a choice of finance, servicing and insurance options. It all helps to keep the big issues covered

A three-year warranty that lasts up to 100,000 miles

All Caddys get a three-year, 100,000-mile warranty – and so do any factory-fit options that you buy. The vehicle warranty is made up of:

- A two-year manufacturer's warranty with unlimited mileage
- A third-year Van Centre warranty, up to a maximum of 100,000 miles

Even if you exceed 100,000 miles during your first two years, the manufacturer's two-year warranty will still be valid.

Want cover for longer?

You can extend your vehicle warranty online or by phone. You can choose Comprehensive or Major Component cover and either one-off or monthly payments. Call **0845 641 9712** or visit www.volkswagencvwarranty.co.uk for details.

Service options designed to fit your business perfectly

It's only natural that you want to keep your vehicle running at its best. Getting it serviced at a Volkswagen Van Centre is a great way to ensure that's exactly what happens. However, when it comes to servicing, we know every business has different needs. That's why we've developed three different service options for you to choose from:

- Pay Monthly
- Pay Upfront
- Pay On-Demand

Whichever suits your business best, you can rest assured that when you book in your vehicle, it'll be looked at by Volkswagen-trained technicians and they'll use only Volkswagen quality parts. What's more, there's a two-year warranty on the parts and one on labour.

For more details

visit www.volkswagen-vans.co.uk, or call **0800 717131** to learn more.

Volkswagen Insurance keeps you covered*

Volkswagen Commercial Vehicle Insurance can provide you with cost-effective, comprehensive motor insurance. Look at some of the benefits:

- Seven-day free cover to allow you to drive your vehicle away knowing it's insured
- All repairs performed by approved repairers
- Volkswagen quality parts on all repairs
- Courtesy vehicle provided during repair following an accident
- Cover for breakage and damage to glass
- Tools-in-transit cover (up to £1,000)
- In-vehicle personal belongings cover (up to £500)
- Vehicle recovery
- 60-day European Union cover
- Legal expenses cover up to £100,000

We also offer a range of gap insurance products. These help you replace your vehicle or protect you from any financial shortfall if it is written off.

For more details

visit www.insurewithvwcv.co.uk, call **0800 316 7896** or pop into your Van Centre and ask for a Flexible Finance brochure.

* Terms and conditions apply

"If your van's not working, you're not working. That's why we're here to help"

Flexible Finance that makes things affordable

We can also make buying a new van more affordable in the first place. Speak to us about our selection of finance options, which include:

- Contract hire
- Finance lease
- Lease purchase
- Hire purchase

For more details

visit www.volkswagen-vans.co.uk/finance or pick up our Flexible Finance brochure at your nearest Van Centre.

Three years' Roadside Assistance

Sometimes, the unexpected happens. If it does, your new Caddy comes with an unlimited-mileage recovery and assistance package. It lasts the same three years as your warranty and operates 24 hours a day, 365 days a year.

Cover is available across the UK and most of Europe. Our fully trained technicians can diagnose most problems at the roadside and they use Volkswagen quality parts.

Learn more

Visit your Van Centre to get a Volkswagen Roadside Assistance handbook, visit www.volkswagen-vans.co.uk/aftersales/roadside-assistance or call **0800 77 71 72**

Van Centres – always there for you

Our dedicated Van Centre network is the backbone of everything we do, with more than 100 Van Centres and Authorised Repairers throughout the UK

Our Van Centre network offers a wide range of services, from MOTs to accessories, servicing to fully fitted parts. Not only that, but we use Volkswagen quality parts and you get dedicated staff who understand your vans intimately. So pop in for a coffee and a chat, and find out what your Van Centre can do for you.

Turn the page to learn more about our Van Centre network

7 ways your Van Centre can help you right now

Make full use of your nearest Van Centre – it's full of Volkswagen experts who know your vehicle better than anyone and who can help you to get the best out of it

Quality servicing you'd expect at a price you wouldn't

Unpredictability and moving goalposts are part of life for a modern business, making it difficult to predict how many miles your vehicle will do in a year, or how long you'll need to keep it. Our National Service Pricing is designed for customers who need the flexibility of being able to book their vehicle in for a service whenever it needs it. When you do, our technicians will do everything necessary to ensure that your vehicle is back on the road, working hard for your business, as soon as possible.

Always on hand to help

Picking a van that's perfect for your needs

We know that choosing your next van or passenger carrier is a big decision. You want a vehicle that works as hard as you do, both now and for the long-term – one that's versatile, cost-effective and reliable. We're here to help make your choice easier.

Our Van Centre experts can offer advice on every model in the range and help you pick the right vehicle and factory-fit options for your business. They can also advise you on the best finance packages to ensure that your payments make financial sense.

Express Visual Checks – peace of mind for free

Your Van Centre or Authorised Repairer can give your vehicle a free, 29-point Express Visual Check for complete peace of mind. You'll be given a comprehensive report, with the results clearly explained, and your technician will talk you through what work may need to be done in the future, so you can plan ahead and budget for it. If something needs urgent attention, you can get a precise quote before any work is done – and all the Volkswagen parts are covered by a two-year warranty.

Accessories designed to help you get more from your van

Perhaps you've bought a van and your needs have changed – maybe you need a towbar or a roof rack, or perhaps you want to give your van some extra style. That's where Add Ons comes in. Add Ons is an extensive range of Volkswagen-approved accessories, available to buy and be fitted at your local Van Centre. We've got everything from towbars to tailgate spoilers, load nets to leather seats and sat-nav systems to stunning alloy wheels.

Fast, hassle-free van rental for one-off jobs

Need another van for just a short while? We can hire you any vehicle from our fleet – Caddy, Transporter or Crafter – or passenger-carrier versions of the Transporter and Crafter if you need to move people.

For more information, call the Van Rental team on 01908 467450

Fully fitted parts for a fixed price – and not a penny more

The pricing of all our Volkswagen quality parts is straightforward and clear, so you know exactly how much you're paying. Even better, when they're fitted by trained technicians at a Van Centre or Authorised Repairer they come with two years' warranty and 12 months warranty on labour. If your van is over five years old, ask us about our Economy Parts range. This is a great-value way to help keep your vehicle 100% Volkswagen – it uses high-quality parts that come with a two-year warranty.

Taking the worry out of tyres

Why run around looking for a fitter who has your tyres in stock? Let us fit new tyres when your van is in for its service and it'll keep your van off the road for less time. We have a huge range of tyres for all Volkswagen vans, from economy to premium brands, including winter tyres.

What else can we do?

Loads! Just pop into any Van Centre and ask us. For example, we may be able to point you to a local signwriter, recharge your air-conditioning, or answer any queries about your vehicle. Whatever it may be, we're here for you.

To find your nearest Van Centre, visit www.volkswagen-vans.co.uk or call 0800 717131

Finance that makes buying a Volkswagen even more affordable

Thanks to our extensive range of finance packages, you may be surprised at how much you can afford. Make driving a Volkswagen a reality by speaking to us today.

Options

Get the best from your Caddy with our quality options

ways to get even more from your Caddy

Audio, phone and sat-nav

Go for an improved stereo with audio and sat-nav, such as our RNS 510, with voice or touch-screen control. It has an FM/AM radio with RDS (radio data system) for traffic updates, a single CD slot, 30GB hard drive, SD card slot and an aux-in socket. Maps for western Europe are included.

p28

Alloy wheels

Alloy wheels are great for adding an even more stylish look to your vehicle. Our 15" Kemora wheels come in a set of four with a tyre repair kit and 195/65 R15 tyres, and are available for most Caddy models. There are three other wheel designs to choose from, too.

p27

Safety and security

The Caddy Maxi has lots of safety features as standard, but you can add more, including extra airbags and alarm packs (standard on Caddy Maxi Life), parking sensors and fog lights with cornering function. We also offer Hill Hold Assist, too.

p36

Body and chassis

If you want to make it easier to get things in and out of your Caddy, you can opt for rear wing doors. There's also the option of adding privacy glass to the rear of the vehicle. If you want even greater versatility, you could specify a towbar or roof rails.

p30

Comfort

Customise your cab with a leather multi-function steering wheel, or add a cab comfort pack. You can also opt for cruise control, which can help you save fuel, or add Parallel Park Assist with distance control, which can help you fit into tight spots with ease.

p33

Options: Paint

You want your van – and your business – to make an impression. The most striking way to do that is to opt for a distinctive paint finish

		Caddy Maxi Life		Caddy Maxi window van	
		Basic (ex VAT)	Total RRP (inc VAT)	Basic (ex VAT)	Total RRP (inc VAT)
Standard A great range of colours, available at no extra cost		S	S	S	S
Metallic paints Mark out your van and your business from the competition with a smart metallic paint finish		£325.00	£390.00	£325.00	£390.00
Pearlescent paints Tiny flecks of material in the paint reflect light, giving your vehicle a unique look		£325.00	£390.00	£290.00	£348.00

Options: Alloy wheels and tyres

Complete your van's sleek, sharp look with a set of stylish alloy wheels

Keep your alloys in perfect condition

Brake dust is full of abrasive and corrosive metal and carbon particles, so clean your alloys every couple of weeks with a specialist brush and cleaning fluid, then coat them with a wax protector. You can buy these at your local Van Centre.

Add Ons

Accessories to help keep your vehicle 100% Volkswagen

If you want even more choice for alloy wheels check out our Add Ons accessories range. Ask your local Van Centre for a brochure, call 0800 717131 or download a copy at www.volkswagen-vans.co.uk

– not available S standard O available as a no-cost option

Options: Comfort and convenience

From cruise control to a multi-function steering wheel, there's a range of features to make driving more comfortable

	Caddy Maxi Life		Caddy Maxi window van	
	Basic (ex VAT)	Total RRP (inc VAT)	Basic (ex VAT)	Total RRP (inc VAT)
Cruise control Standard on BlueMotion Technology models	£191.67	£230.00	£190.00	£228.00
Height adjustment for front passenger seat, with storage compartment	£83.33	£100.00	£220.00	£264.00
Bi-xenon headlights Dynamic bend lighting, LED daytime running lights and cornering lights	£950.00	£1,140.00	£950.00	£1,140.00
Sun visors Including vanity mirrors	S	S	£20.00	£24.00
Parallel Park Assist Parallel-parking assistant with park-distance control	£491.67	£590.00	£495.00	£594.00
Smoking pack Ashtray and cigarette lighter in place of 12V socket	£16.67	£20.00	£15.00	£18.00
Leather steering wheel	£108.33	£130.00	–	–
Leather multi-function steering wheel Includes trip computer and multi-function display Not compatible with 4MOTION®	£291.67	£350.00	–	–
Leather multi-function steering wheel Includes trip computer and multi-function display Only with 4MOTION®	£175.00	£210.00	–	–
Leather multi-function steering wheel Includes trip computer and multi-function display Only with radio upgrade RCD 310, RCD 510 or satellite navigation	–	–	£295.00	£354.00
Visibility pack Rain sensor, automatic dimming rear-view mirror and 'coming home' function	£133.33	£160.00	£135.00	£162.00
Winter pack Headlight washers, heated washer jets and heated driver and front passenger seats	£450.00	£540.00	£450.00	£540.00

Go for cruise control

Cruise control can help reduce the fatigue and stress of sticking to speed limits on long journeys. It also helps reduce the amount of fuel you use by cutting out the acceleration and braking used to maintain a steady road speed.

Options: Heating and ventilation

Keep control of the temperature in your van with our heating and air-conditioning options

	Caddy Maxi Life		Caddy Maxi window van	
	Basic (ex VAT)	Total RRP (inc VAT)	Basic (ex VAT)	Total RRP (inc VAT)
Air-conditioning				
Climatic manual air-conditioning Not compatible with uprated alternator and battery	S	S	£800.00	£960.00
Heating				
Auxiliary vehicle heater Not compatible with uprated alternator and battery	£391.67	£470.00	£370.00	£444.00

Get an air-con recharge

You may be able to get your air-conditioning system recharged and pollen filter replaced at your nearest Van Centre to keep them working as they should. Ask your Van Centre for details.

Options: Seating, trim and upholstery

Improve the comfort and practicality of your Caddy with heated seats and a selection of upholstery finishes

	Caddy Maxi Life		Caddy Maxi window van	
	Basic (ex VAT)	Total RRP (inc VAT)	Basic (ex VAT)	Total RRP (inc VAT)
Seat options				
Heated driver and front passenger seats	£208.33	£250.00	£205.00	£246.00
Height adjustment for front passenger seat, with storage compartment	£83.33	£100.00	-	-
Lumbar support – both front seats Only in combination with driver and passenger airbags with curtain head airbags or leatherette upholstery	-	-	£110.00	110.00
Lumbar support – left front seats Only in combination with driver and passenger airbags with curtain head airbags or leatherette upholstery	-	-	£55.00	£55.00
Lumbar support – right front seats Only in combination with driver and passenger airbags with curtain head airbags or leatherette upholstery	-	-	£55.00	£55.00
Upholstery				
Timo cloth upholstery Chestnut (RF)	-	-	S	S
Milan cloth upholstery Anthracite (NY)	S	S	-	-
Milan chestnut upholstery Chestnut (XY)	O	O	-	-
Leatherette upholstery Classic Grey (RF)	£25.00	£30.00	£20.00	£24.00

Pick the right upholstery

Fabric upholstery is terrifically hard-wearing, while leatherette upholstery is great for cleaning quickly and easily.

Add Ons
Accessories to help keep your vehicle 100% Volkswagen

If you want even more seating and trim options – including leather seats – check out our Add Ons accessories range. Ask your Van Centre for a brochure, call 0800 717131 or download a copy for yourself at www.volkswagen-vans.co.uk.

Options: Safety and security

Parking sensors, airbag packs and sophisticated alarms that enhance the safety of you, your van and its contents

	Caddy Maxi Life		Caddy Maxi window van	
	Basic (ex VAT)	Total RRP (inc VAT)	Basic (ex VAT)	Total RRP (inc VAT)

Perimeter alarm with back-up horn	–	–	£145.00	£174.00
Interior alarm (cab only) and tow-away protection	S	S	£175.00	£210.00

	Caddy Maxi Life		Caddy Maxi window van	
	Basic (ex VAT)	Total RRP (inc VAT)	Basic (ex VAT)	Total RRP (inc VAT)
Lights				
Front fog lights	S	S	£115.00	£138.00
Front fog lights with cornering function	£83.33	£100.00	£190.00	£228.00
Parking aids				
Parking sensors – rear only	£250.00	£300.00	£235.00	£282.00
Other safety and security options				
Hill Hold Assist	£83.33	£100.00	£80.00	£96.00

Useful security tips

- 1. Get an alarm**
Alarm noise may be enough to scare a thief and prevent a costly break-in.
- 2. Lock your doors**
Even if you're only away from your van for a minute, locked doors deter thieves looking for an easy target.
- 3. Keep it tidy**
Seemingly trivial items can still be bait to thieves. Stow gadgets out of sight or take them with you. Thieves know to look in the glove box, too.
- 4. Load out of sight**
Try and load your van in a secure location. Thieves can linger in public areas for an easy swipe and run.
- 5. Park for visibility**
Use well-lit areas. Avoid parking near vehicles or foliage that a thief could use for cover. Parking right up against walls can stop a thief getting in through your van's doors.

Options: Electrical

Choose these electrical features to give your Caddy passenger carrier a functional and practical edge

	Caddy Maxi Life		Caddy Maxi window van	
	Basic (ex VAT)	Total RRP (inc VAT)	Basic (ex VAT)	Total RRP (inc VAT)
Alternators and batteries				
Battery upgrade 380A 72Ah battery Not compatible with BlueMotion Technology models	£33.33	£40.00	-	-
12V socket in luggage compartment	-	-	£18.00	£21.60
Up-rated alternator/battery 380A 72Ah battery and 140A alternator. Not compatible with Climatic air-conditioning	-	-	£100.00	£120.00
Electric windows and door mirrors				
Electric windows and electrically heated and adjustable mirrors	S	S	£290.00	£348.00
Trip computer and multi-function display	£83.33	£100.00	£200.00	£240.00

Choose your electrics

Some factory-fit options, such as heaters or air-conditioning, need an up-rated battery or alternator. Your Van Centre can advise you on the best solution for you.

Want more? Pick an Add On...

The Caddy comes with a wide range of factory-fit options, but you may want something extra. That's where Add Ons come in

Add Ons is the new name for our extensive range of Volkswagen-approved accessories, available to buy and be fitted at your Van Centre. Whether you want to add extra style to your van, get more out of your cargo bay, convert a work van for weekend leisure or add extra audio, phone and sat-nav to your cab, we've got lots of Add Ons for you.

Help keep it 100% Volkswagen

There are big advantages to buying your accessories from Volkswagen. Add Ons have all been designed with Volkswagen in mind, so they're a perfect match for fit and style, and they've been developed and manufactured to be as rugged, reliable and long-lasting as your vehicle.

Keep your Add Ons covered

Most Add Ons include a two-year warranty. However, if you order and fit them when you buy a new van, we may be able to extend to three years to match your vehicle's warranty. Pop into your Van Centre and ask our staff about how much Add Ons can add to your life.

To get a brochure, pop into a Van Centre. To find your nearest one, call 0800 717131 or visit www.volkswagen-vans.co.uk

Top five Caddy Add Ons

Tailgate bicycle holder
Designed to work with a tailgate, this bicycle holder is quick and easy to install and can hold up to three bikes. An Anti-Theft Protection feature helps keep them safe.

Front and rear carpet mats
These classy mats – complete with Caddy logo – are perfect for adding even more style to your cab and protecting the floor of your van.

Kenwood Multimedia system*
Our top-of-the-range radio and sat-nav system is a great piece of kit for navigation, Bluetooth® phone calls, music and DVDs.
* Some features work only when your vehicle is stationary

Polished stainless steel side rails
These rails not only look good, they also protect your van's sills from damage. They're available for the Caddy and the Caddy Maxi.

16" Sima alloy wheel
Add extra style with these 6J x 16 alloys, which are exclusive to the Add Ons range.

Roof load limit: 100kg.
Trailer nose weight: 80kg.
† Unladen weight and payload includes approximately 90% fuel load and 75kg for driver.
Payload = gross vehicle weight – unladen weight.
Weights are for vehicles with standard specification. The addition of factory options or Volkswagen Van Centre fitted accessories may affect unladen weight and payload.

Fuel consumption: Caddy Maxi Life

¹ With 50% payload and 80-litre fuel tank 90% full

Standard features: Caddy Maxi window van

Caddy Maxi window van

EXTERIOR

15" steel wheels with 195/65 R15 and black centre caps
16" steel wheels with 205/55 R16 and black centre caps (140PS only)
60-litre fuel tank
Glazed tailgate with heated rear window and wash/wipe
Grey bumpers
Roof rack preparation
Side sliding doors on left and right with fixed windows
Spare wheel – full-size steel

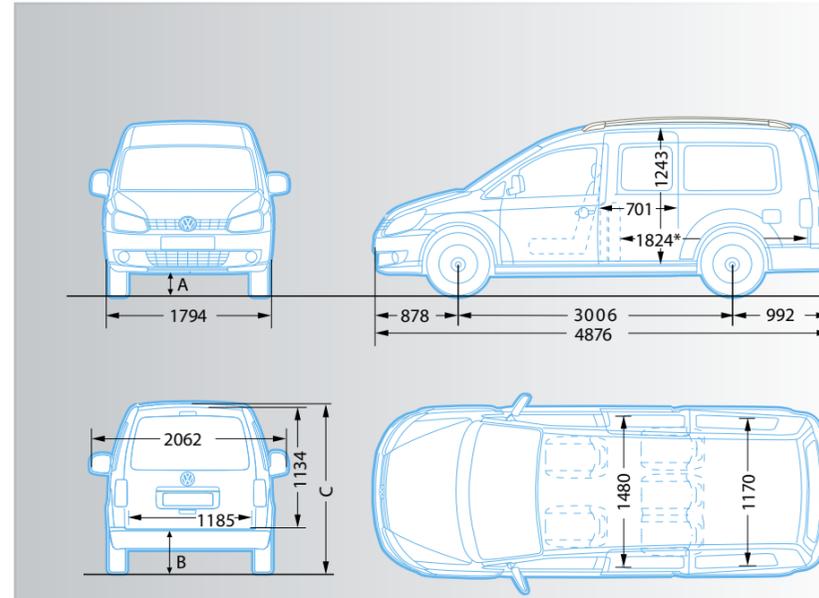

INTERIOR

12V socket in dashboard
3-seater split/folding and removable bench in 1st passenger row with ISOFIX mountings in outer seats
4 drinks holders and storage compartment in centre console
Automatic hazard lights activation under emergency braking
Carpet floor covering
Digital clock
Dimmable dashboard illumination
Driver's seat with height, reach and rake adjustment and passenger seat with reach and rake adjustment
Hardboard roof trim and side panels in rear passenger compartment
Interior light in headliner
Load lashing rings (6)
Manually controlled heating system with dust and pollen filter and air recirculation
Open glove compartment
RCD 210 radio/single MP3 compatible CD player with 2 speakers and AUX-IN socket
Servotronic speed-related power-assisted steering
'Timo' cloth upholstery

SAFETY AND SECURITY

Automatic hazard lights activation under emergency braking
Driver and front passenger airbags with front passenger airbag deactivation switch
Electronic Stability Programme (ESP) – incorporating Anti-lock Brake System (ABS), Electronic Differential Lock (EDL), Traction Control System (TCS) and engine drag torque control (MSR)
Halogen headlights with range control and daytime running lights
Height and reach-adjustable steering column
Jack and tool kit
Remote central locking with deadlocks, internal locking switch and 2 remote keys
Thatcham (Cat. 2) immobiliser
Windscreen wiper with variable intermittent delay and wash/wipe system

Vehicle Excise Duty (VED)

Passenger vehicles' Vehicle Excise Duty (VED) is based on the amount of CO₂ the vehicle emits in g/km. The Driver and Vehicle Licensing Agency (DVLA) has created 13 categories as detailed below. From 1 April 2010, a 'First Year Rate' of VED has applied. The chart below shows the VED bands and the charges levied:

VED band	CO ₂ emissions (g/km)	First-year rate (£)	Rate for subsequent years (£)
A	Up to 100	0.00	0.00
B	101-110	0.00	20.00
C	111-120	0.00	30.00
D	121-130	0.00	100.00
E	131-140	120.00	120.00
F	141-150	135.00	135.00
G	151-165	170.00	170.00
H	166-175	275.00	195.00
I	176-185	325.00	215.00
J	186-200	460.00	250.00
K	201-225	600.00	270.00
L	226-255	815.00	460.00
M	Over 255	1030.00	475.00

The fuel consumption and CO₂ figures for the new Caddy Maxi Life and Caddy Maxi window van are provisional and have yet to be confirmed. Consequently, a change to the CO₂ figure on these models may result in a change to the manufacturer's recommended 'On The Road' retail price, subject to VED band changes. Please consult your authorised Van Centre for details.

The small print and the footnotes

Print processes do not allow exact reproduction of the paint and upholstery colours. Some of the vehicles shown are fitted with optional equipment at extra charge.

All data given and specifications are in accordance with information available at the time of going to print and are subject to change without notice. Vehicles not in current UK stock and customer order vehicles may take a number of weeks for delivery. Certain combinations of vehicle specifications and factory-fitted extras are not compatible and therefore all orders received are subject to confirmation. Models, factory-fitted options and paint and upholstery options subject to availability. Please check details and availability with an appropriate authorised Volkswagen Van Centre at the time of ordering.

Volkswagen Commercial Vehicle Finance is a trading name of Volkswagen Financial Services (UK) Limited. Finance subject to status, and available to over 18s only.

Full details of Volkswagen warranties are available from your authorised Volkswagen Van Centre or Van Service Centre.

Volkswagen Commercial Vehicle Insurance is a trading name of Volkswagen Insurance Service (Great Britain) Limited, an appointed representative of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR.
